

SPECIAL INVITATION BOOK SIGNING EVENT

BE ONE OF THE FIRST IN THE WORLD TO OWN THE DEFINITIVE GERMAN SHEPHERD DOG

When: 9.00 - 11.00 a.m. - Saturday 13 August

Where: Dogs Qld Top Function Room
247 King Ave, Durack QLD

The most comprehensive and up-to-date information published on the breed since the tome of Captain von Stephanitz in 1928.

1,136 pages lavishly illustrated in full colour, containing over 1,300 photographs, images, illustrations and diagrams, the book provides in-depth information to a wide spectrum of canine enthusiasts: family dog, show, dogsport, service, security, police, search and rescue, obedience, herding, agility, seeing-eye, tracking, military and rehabilitation dogs. Additionally, there are collaborative chapters covering nutrition, veterinary and genetics.

The substantial chapters on anatomy and locomotion provide the most up-to-date research and knowledge, with highly detailed descriptions and over 600 diagrams and images of canine morphology, offering a valuable and unique reference and resource for dog judges, dog breeders and students, not only of German Shepherd Dogs but all dogs in general.
