

**Please note:** this night is for you to find out about how training works and to join our club. There will be NO classes on the orientation night. This night is for people only. Do not bring your dog on this night. Currently the club only accepts cash or cheque payment for membership fees.

Please remember your dog must be at least 4 months old and have had all its vaccinations prior to starting classes. You can't start part way through the month after your dog turns 4 months - please wait to attend the first New Member Orientation Night **after** your dog turns 4 months old.

**Proof of Vaccinations - Dogs:** Please bring proof of up to date, full vaccinations for your dog to the orientation night. Your dog will not be allowed on the grounds without this.

**Proof of Vaccinations - People:** Anyone attending New Member Orientation Nights, Club Meetings or Training classes **MUST** provide proof of "up to date" Covid vaccination status, or proof of a "Genuine Medical Exemption" as per NSW government regulations.

As we have limited space in the building, we request that no more than 2 people (13 years+) **per household** be booked to attend. Children may attend only if absolutely necessary. People who arrive for the meeting but have not booked through this system may not be admitted to the New Member Orientation Night.
