## **Dogs Queensland Interim Guidelines for Affiliates for Return to Events**

Dogs Queensland (DQ) is the industry leader in the COVID-19 response and all Australian National Kennel Council (ANKC) disciplines are regulated by DQ across the State at various venues sourced by affiliated Clubs. The home of DQ is at King Avenue, Durack – our own grounds with facilities to cater for multiple disciplines of dog events and with the move to Stage 3 restrictions, we can readily demonstrate the capacity to apply to hold events following the COVID 19 Framework for Events.

Our affiliated Clubs do not hold the luxury of owning their own grounds, many are on leases as agreed with local councils, show societies or private treaties. Before any return to events in Stage 3 all affiliated Clubs have been instructed to provide clear maps for the site that they will be using, including metreage and event set up. If the venue does not allow for attendance of the required numbers, the affiliated event will not be approved unless suitable grounds can be sourced. In the case of venues other than Durack, affiliates must be able to clearly confine all entry to the grounds to registered/nominated persons for contact tracing. Until further notice, all events are not for public attendance.

The COVID-19 virus is a worldwide pandemic and no dispensations are given to any affiliates that will be not be able to meet the standard requirements. In the instance that an event is over multiple days, if attendees are required to stay overnight, separate plans must be submitted and approved to demonstrate the capacity for overnight stays where meterage requirements can also be met, including plans that will satisfy the requirements for facilities (eg: discrete areas and water taps) to be sanitised. The Checklists used will also ensure that the event can satisfy the requirements for camping (overnight stays).

The following information demonstrates DQ commitment to ensuring a COVID Safe environment for all events, and if a discipline is unable to meet the requirements, this discipline will not be returning to competition until the COVID regulations are lifted. This information will be included in the Industry Plan currently being formalised for submission to the Queensland Government. Until the Industry Plan is approved, no approvals for events over 500 will be sought, as events under 500 (Category 3) can be approved by Dogs Queensland for affiliates.

The role of Dogs Queensland in the interim period with no Industry Plan is as the governance body giving approval to our affiliates to return to events. Strategies are being adopted alongside other best practice governance strategies for events including:

- Ensuring that public health directions are frequently monitored for changing regulations, restrictions and relaxations and adapted as necessary.
- Monitoring the capacity for affiliates to recommence events with the COVID Checklist and Site Plans at sites other than Durack.
- Preparation of site plans and event checklists for any events for any disciplines held at Durack.
- Introduction of a COVID Safe Co-ordinator role at every event.
- Continuous learning as event occurs and document lessons learnt from the event in relation to COVID safe strategies.

### **Standard requirement for All Disciplines to adopt when planning for events and completing the Event Checklist to obtain Statement of Compliance.**

- Records of all attendees (competitors/workers/vendors) will be recorded online via 'Showmanager' with contact details as per the COVID Event Checklist. No paper entries will be accepted.
- Wristbands are to be used to maintain and control event numbers, and to readily identify roles.
- If a multi-day event, the same wristbands can be used, however a new check-in must be completed on the day of the event.
- All affiliates are to commence contracting all writers/stewards/show managers across the State (no dispensation for any zones) prior to any events.
- Exhibitors are to adopt the following interim requirement during COVID-19 and to carry their own mask and hand sanitiser. No faeces scoopers (pooper scoopers) are to be used. Plastic bags are to be provided by event and exhibitors are encouraged to supply their own

- Every affiliate is to ensure that they have sufficient masks on hand to issue to non-compliant exhibitors, and to replace used or lost masks.
- A strict 'no mask, no ring entry' will be put in place until further advice. Exhibitors are required to wear the mask at the time of examination of the exhibit only, and it may be removed at all other times in the ring, whilst observing social distancing as much as possible.
- Unless they are from the same household, gazebos (shelters) are not to be shared unless travelling to the event to and from in the same vehicle. No exceptions.
- Events will be restricted to ANKC Members and approved attendees (vendors/workers) until further advice.
- If any indoor areas are used during the event, ventilation must be maximized, establish a one way flow of traffic in the indoor area, and monitor the maximum numbers whilst observing social distancing wherever possible.
- No prizes/awards will be handed out in the rings. Minimal handling of any items is to be undertaken.
- Catalogues to be provided electronically and available for download no earlier than one hour before the commencement of the event.
- Exhibitor cards will be available for download, however if exhibitors have no access to printers blank cards shall be available at a defined area and exhibitors are to write their own numbers after the catalogue for the event is available. It is the exhibitors responsibility to either download numbers pre-event or bring their own pen to write a number using the blank cards at the event on the day.
- Weather influences attendee behaviour. As such, strategies should be planned and implemented to prevent crowding of attendees if weather conditions are not favourable or change during the course of the event. Suitable structures must be supplied by affiliates for shade/rain etc with social distancing measures in place. It may be required to temporary stop an event due to weather if unable to safely continue with shelter and social distancing requirements met.
- All stewards, writers, show managers will need to supply their own items (eg: pens, folders, stationery).

Under consideration/review:

- Changes to award certifications (eg: Challenge Certificates/Qualifying Cards), may be able to move to electronic issue.
- Review of the role of writer for conformation shows if this can be done 'centrally' or electronically.
- Marked catalogue for Judges to be sent electronically.
- Lodgment of all documents for the event to be done electronically.
- Electronic disbursement of awards (prizes) if a cash prize.

Further suggestions of changes for moving forward can be submitted via email to [rob@dogsqueensland.org.au](mailto:rob@dogsqueensland.org.au) with the current process, and proposed change/how to implement.

**The following tables outline the changes to usual practice at an event that will be adopted during COVID.**

- DQ, as the approval body, is responsible for ensuring they have an understanding of the Queensland Government's expectations with regard to the public health measures that event organisers should be implementing. Refer to the [Industry Framework for COVID Safe Events](#) for further information.
- DQ must ensure that relevant public health strategies that specifically relate to its areas of approval are reflected in COVID Safe Event Plans and supporting documentation submitted by Event Organisers (Affiliate Clubs for approval) and adhered to during any event.
- Each site approved for events around the State will have a site plan that defines the set up for the discipline by DQ. Any variations to the approved site plan need to be submitted and approved *before* submission of any schedules for events.

### **Category 3 events: up to 500 attendees**

Use of the COVID Safe Event Checklist for Dogs Queensland Events with dispensation as follows:

- If the site plan has discrete areas (toilets/showers) that cannot meet the Qld Government requirement of a separate entry and exit to ensure flow of traffic, the following options are to be considered and clearly noted

in the Event Checklist. If multiple discrete areas available, consideration to close down to single cubicle use with queuing system implemented, or use an attendant to open up the discrete area to multiple users, ensuring the 4 sqm rule is able to be met. This may mean closing one or two cubicles between pedestals to meet the 4 sqm rule requirement)

- Weather will need to be considered for all events. For expected high temperatures (more than 34 degrees) and/or rainfall the event must have provision for additional shelter structures for attendees and must be monitored to maintain physical distancing. At the events held by affiliates it is their responsibility to ensure sufficient shelter available or consider changing the event time.

### **Category 2 events: 500 and over attendees (max 10000)**

The Dogs Queensland Sports Grounds at Durack is the home of DQ and the site plan for Durack allows for attendance of larger numbers. Dog events are up to a maximum of 1500 attendees, and historically at our single day events would never have more than 900 attendees. The grounds can meet the Qld Government requirements for events for the numbers we have. Any affiliate Clubs wishing to hold events with more than 500 attendees will need to submit a proposal to DQ with the appropriate site plan. Planning for events over 500 at sites other than Durack will need to commence the approval process no less than 6 months out from the date of the event as the process for Government approval needs to be in place and factored in. The Industry Plan for DQ is in the final stages of drafting before consideration and approval by the Board, and then submission to the State Government for approval. Until granted only events under 500 will be approved by DQ.

**The following requirements will be adopted as fitting for each discipline and their event.**

<b>All disciplines</b>	<ul style="list-style-type: none"> <li>• Affiliate site plans to be approved by DQ before any events are scheduled</li> <li>• Events held at Durack will use site plans issued by DQ for the event/multiple events (ring allocations)</li> <li>• Adoption of any ANKC modification of rulings during COVID.</li> <li>• Introduction of a COVID Levy Fee for any events at Durack to cover additional costs.</li> <li>• Introduction of a COVID Levy Fee by Affiliates for any other sites to cover additional costs.</li> <li>• Reintroduction of the requirement of all exhibits to be at an event within 2 hours of the commencement, to allow for the entry point to then be securely closed.</li> </ul>
