Show Manager

The Cocker Spaniel Club of Qld Inc is immensely proud to have **ORIVET** come on board for this show with extensive support for our winners. New testing is now available for AMS and every In Show winner will receive a voucher from **ORIVET** for an AMS test, plus if your dog already has a full breed profile that does not have the BHFD test included, this will be added to your full breed profile at the time of the AMS test. We cannot thank George and the team at **ORIVET** enough for working with our breed and our Club to secure a wonderful limited time opportunity to have this testing done at a reduced rate.

We would also like to thank our Judge for officiating at this show – greatly appreciated.

Thanks also to our Show Manager, Steward and our Writer, and our generous prize donors for your support of our small Club to make this event wonderful for all today.

****Exhibitors are responsible for control of their children at all times during Canine Events****

**All exhibitors are required to meet the Dogs Queensland Guidelines for exhibiting during the COVID pandemic.
BYO leads, grooming equipment, hand sanitiser and poop bags.**

Face mask must be worn whilst the exhibit is being examined by the Judge, and the bite must be presented to the Judge. Mask may be removed to move the dog and social distancing applies at all times – it is everyone's responsibility to make sure we are all safe – no exceptions.

Message from The President

I am unable to be in attendance today and would like to take the opportunity to thank you all for your support of the event today for both our Club and the Sporting Spaniel Club. What a year 2020 has been with the COVID pandemic and our small community of dog exhibitors have had their 'hobby' put on hiatus whilst the world deals with the pandemic.

This year our small committee has seen some changes, however, our Club is continuing to grow in both membership numbers and in our funds with plans well underway for fundraising goals for a hopeful 2026 National to be held in Queensland. The Committee have demonstrated that they are here for the good of the breed, to keep the Club alive and continue to move with the times ensuring the Cocker Spaniel will be here for many years to come in the Conformation rings, Dog Sports and homes around Australia.

Earlier this year we updated our Code of Ethics with a strong emphasis on our members continuing to not only embrace the health testing in the breed, but to share the results, a small endeavour that we are all encouraged to undertake to assure the viability of our lovely breed.

Sadly 2020 should have been the year of the National – this time hosted in Canberra, but due to COVID the National was cancelled. We can only hope that by 2022 Victoria will be COVID free and we will all be able to support the Victorian Club holding the next National. Although we are in a pandemic, the breed is a definite favourite amongst the community with an unprecedented number of families seeking puppies during this time. Many breeders have had the opportunity to have some litters during the past months and it is wonderful to see puppies out and about today, wishing you all the very best of luck.

If you are not a Member, I would like to ask that you put any personal issues aside and join the Club so that we can all benefit. It is only with the work of a very few that you are all able to enjoy events such as this, and even if you cannot spare any time to assist, you can always support our fundraising.

Usually we would have our wonderful Perpetual Trophies on offer but due to COVID we are limiting the contact within the event, and the decision was made not to use the Perpetual Trophies.

Our Judge will be doing a critique for all placegetters and our photographer, Alicia will be capturing the moments and we do hope that you will support her and purchase some of your memories.

Please ensure that you meet the DQ requirements for showing today in a COVID safe environment – Ribbons and Rosettes will only be presented after General Specials and photographs taken with the Judge. Please ensure that you frequently clean your hands, do not share any personal items and that you adopt social distancing requirements – any exhibitors not meeting the Guidelines may be asked to leave by the DogsQueensland COVID Co-ordinator.

Good luck to everyone exhibiting and thank you for your time and entries. We are fortunate to have a handful of very hardworking Members who have made this show go on for all – my heartfelt thanks to them for making this happen for you - the Exhibitors.

Jeani Tobler, President, Cocker Spaniel Club of Qld Inc

JUDGES RESUME – Mr Vic Jones ‘Waratah’

Today I am honoured to being your judge. I have had this honour once before, being the clubs 21st championship show, many years ago. I began as an exhibitor in 1954 when I was discharged from the Royal Australian Navy. Shortly after, my wife Eileen and I decided to move to Brisbane where I owned a nice block of land at Ekibin (now part of Tarragindi).

On our arrival in Brisbane my wife tells me she wants a dog. “What sort?” I replied. After a moment she answers, “Well, I don’t want one of those snorting pugs your mum and dad breed. I want a cocker spaniel.” So we began looking in the dog and pet column in the Courier Mail. We found an ad, “For sale cocker spaniel puppies golden, 6 weeks old, phone xxxxxx. “Phoning the number, we were advised to come to this person’s home to view the puppies. We subsequently purchased a gold male puppy and his pedigree name was “Ryhill Reigning Monarch”. The breeder’s name was Mrs Pollard of Shackleton, and their kennel was at Belmont. These two ladies convinced us we should show the puppy, told us how to go about it all and so on. So, in March 1954 our adventure into the hobby of dog showing began.

I have been fortunate over the years having bred some nice animals and achieve some nice wins, all under our “Waratah” prefix.

Judging: I judged my first all breeds show in 1958 it was the Nambour Kennel Club. The second was the Oakey Golden Jubilee AG Show. In those days one judge judged the whole show. Since then I have judged all over Australia, South East Asia, New Zealand, the United Kingdom, Europe, and even Tasmania, twice at the Brisbane Royal. All very nice shows with some excellent dogs, however in my opinion the most prestigious show I have ever judged was being selected to judge group 6 (at a time when there was no group 7) at the 1974 Melbourne Royal Show. Part of the honour is that only two other judges from Queensland have been invited to this prestigious event. The first was Fred David who also was the 2nd president of the Canine Control Council the second person from Queensland to judge at the Melbourne Royal was W (Bill), Duckworth.

In 1980, I was appointed by the Qld Royal AG Soc to sit as a member on Queensland’s controlling dog body, the Canine Control Council. I retired from council in 2001

During the year 1994, I was awarded life membership. Now days I am not as active, living five minutes from Durack, I visit shows often, sometimes just to watch groups 2 and 3 which I have an interest in.

I am also proud of my children and grandchildren. My daughter Margaret at one time was a judge but retired for family reasons, I have heard a whisper she may make a come-back. My granddaughter Anthea is heading towards her all-breed licence, and my grandson “Spike” is involved with his group 2 licence.

Back to today, I wish to thank you all for your entry, unfortunately all will not be winners, but remember - it is only my opinion.

Our Best in Show winner today will be presented with a custom made rosette to commemorate their win, donated by our Judge – Good Luck to all.

Once again, thank you and good luck. **Mr Vic (Victor) Jones, Waratah.**

Acral Mutilation Syndrome

DNA test - AMS

Acral Mutilation Syndrome

Spaniel (Cocker)

Details about the disease

AMS is the self-mutilation of limb extremities linked with located insensitivity to pain

Clinical signs

Clinical signs include severe licking of footpads and paws to the point of bleeding, ulceration. Auto-amputation of the claws, footpads, and digits through self-mutilation can also occur. Lesions (wounds) on limbs and inability to feel pain on distal limbs are also clinical signs. Age of onset ranges from 3 to 12 months.

How it is inherited

The disease is described as an autosomal recessive condition. This means that a dog must inherit two copies of an abnormal gene (one from its mother and one from its father) before its health is affected. A dog that inherits only one copy of the abnormal gene (from its mother or its father) will have no signs of the disease, but will be a carrier and may pass the gene on to any offspring.

In the UK this test is now listed for our breed as a recommended test along with prcd-PRA, AHRN (FN) and AON.

The Cocker Spaniel Club of Qld Inc has worked with Orivet to secure a 'special' for the breed, check out the [Flyer offer in the catalogue for a Limited Time only](#) – thank you Orivet team for helping our breeders make the breed stronger with health testing.

ORIVET have kindly donated today for every in show winner a voucher to have the AMS test completed. Within the Cocker Community we have Orivet authorised collectors – Julie Newbold, Kay Hutt, Tina Crocker and Melissa Grant who will be more than happy to help you with further information about testing and can do the swabs for you today.

Sashes & Prize: Cocker Spaniel Club of Qld Inc			

In order to minimise contact with exhibitors and physical items today, Rosettes and Sashes will not be presented at the time of the awards or during General Specials winners will collect from Trophy Table and THEN go into the Ring for photographs with the Judge.

As our Club is working in collaboration with the Sporting Spaniel Club today, we do ask that exhibitors are mindful of the need to not hold up the judging so that we can have our breed judged at the Sporting Spaniel Club show as soon as possible. Our Steward will be requesting you to be ready for the next class as soon as possible.

Our photographer will be on the grounds for most of the day, and please do ask our Judge after our Show has finished if he is able to be present for photographs for you, if you are a winner, and need to also exhibit at the Sporting Spaniel Show. It is a great honour to judge your breed specialty show, and our Judge will be pleased to assist as much as possible.
