This event is to help our fellow Exhibitor and friend Katelyn, who after her terrible incident at a recent Show, will now have a long recovery process in front of her.

Twenty five year old Katelyn and her husband Matt have a 2 year old son Aiden and an unborn baby girl on the way, they have recently built their home and now with Katelyn being hospitalised indefinitely and being unable to work we need to dig deep to help this beautiful girl and her young family.

We ask that you dig deep and enter as many dogs as you can, be they past or present. We have even included a class for those dogs on Limited Register. The entries will stay open until the end of July so you can spread your entries out over this time. If you just wish to donate there will also be an option for Donations. **ALL** of the money raised will be going to Katelyn and Matt.

When entries have closed I will be getting the catalogue beautifully bound for Katey and I envisage being able to present the Catalogue and a cheque to Katelyn, Matt or Yanina at our TKC show in July or whatever show where they may be able to attend.

If you need help with entering your dogs please give me a call, I can easily get your dogs details for you if you have forgotten past dogs.
