The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

Judging the Finnish Lapphund Club of Victoria Inc.'s

2022 Championship Show:

Mrs. Roslyn Seare (QLD)

I began showing Poodles (Toy) in 1992, Siberian Huskies with my husband Colin in 1996, and we purchased Finnish Lapphunds in 2000, with our first arriving in Australia in 2001. My first toy Poodle litter was bred under the Schanalosa prefix, which was a long-term Pomeranian prefix.

After arriving in Queensland in 1996, I was showing my Poodles to Best in Group and Best in Show wins. By 2000 I was using Colin's Theldaroy prefix, and together we achieved multiple Best in Show wins and titled our home-bred dogs to Supreme Champion level in each of our three breeds. Success in the ring has been through dogs campaigned from our own home-bred stock as well as those bred by others. We have been lucky enough to have achieved well over 100 championship titles from dogs we have bred or owned.

With a different partner in NSW, I co-own the prefix Darshiva, showcasing the breeds of Shiba Inus and Siberian Huskies. Over the past decade, this partnership has produced many titled dogs of each breed, with the highlights including winning Best in Specialty Show with the Shiba Inus and Runner Up to Best in Show with the Siberians.

I have been fortunate to have campaigned Australia's first RUBIS Supreme Champion Finnish Lapphund Sup Ch Lapinlumon Mundus ET (Fin). This was followed up by campaigning the (then) youngest Finnish Lapphund - BIS, RUBISS RUBIS Supreme Ch Theldaroy Anyone Dare To Diffa ET ("Riki"), who achieved his Supreme Champion title at the tender age of 23 months. Our goal for this boy was to gain 30 Best in Group wins and amass over 3000 Challenge points, and both of these goals were well and truly achieved. Riki was retired soon after winning Best in Show at the Working Dog of Queensland show. After gaining his Neuter Champion title, Riki now lives the life of luxury on the Sunshine Coast, beaching and camping regularly.

Judging therefore seemed to be the logical continuation of my learning on dog breeds. I commenced my judging path late in 2002, after being given the push from the late Nigel Wood. With the support of many mentors, I gained my All-Breed judging status in 2017. Although I nearly gave it all up along the way, my mentors kept pushing me and applauded me when I completed my final group assessment.

I have judged in all Australian states, New Zealand, Thailand and made multiple trips to China. I have been fortunate to have judged Specialty Shows, at Open and Championship shows for Borzois, Bassett Hounds; Afghan Hounds; Australian Shepherds; Border Collies; Alaskan Malamutes; Siberian Huskies; Bullmastiffs; St Bernard's and the Working Dog Clubs of New Zealand and Western Australia, respectively.

I feel privileged to be offered this opportunity to judge and look forward to undertaking this prestigious appointment for the Finnish Lapphund Club of Victoria.
