Championship Show

13 May 2023

Judge: Mr Ian Rasmussen (Qld)

CH. LOTEKI SUPER NATURAL BEING

With thanks to Lou-Ann King (Loteki Papillons) for permission to use this image

The second in a series of famous past Papillons to feature on the Papillon Club of Victoria's Championship and Open Show Catalogues.

The following information is taken from Wikipedia.

Kirby

Ch. Loteki Supernatural Being (December 31, 1990 – February 12, 2007) also known as Kirby, a Papillon, best known for being the only dog to have won all three major international dog shows in the same year and being the oldest winner of the Westminster Kennel Club Dog Show at eight years old, until his record was broken in 2009 by Clussexx Three D Grinchy Glee at ten years old.

Early life

Kirby was one of four in a litter born on December 31, 1990, to Ch. Loteki Supercharger (Rico) and Ch. Loteki Denzel Fortuneteller (Gypsy). One of his litter mates was Am/Can CH. Loteki Turbocharger, CDX who became a therapy dog and won multiple groups in Canada.

Show history

Kirby's first Westminster victory came in 1993, when he won Best of Breed. In 1996 he became the first Papillon to place top in the Toy group he would end up placing second overall at the 1996 Westminster Dog Show, being defeated by Ch. Clussexx Country Sunrise, the very first Clumber Spaniel to win at Westminster.

In 1997, he lost his best of breed title at Westminster to CH Loteki Good Time Charlie, a nephew of his, however, in 1998 he regained that title and placed third in the toy group.

In 1999, Kirby became the first Papillon to win best in show at Westminster. He also became the oldest dog to ever win at Westminster at eight-years old, a record which would stand until 2009 with the ten-year-old Sussex Spaniel Clussexx Three D Grinchy Glee. The victory at Westminster in 1999 added to a remarkable 31 best in show trophies, including winning the World Dog Show in Helsinki, Finland and the Royal Canadian Show in 1998 in the same show year. Kirby is the first dog to have ever won both at Westminster, and at the World Dog Show.

Kirby returned to the show ring in 2005 at the age of fourteen at the Papillon Club of America's National Speciality Show in Cincinnati, Ohio. He was entered in the Veterans Class - a class for Papillons over the age of eight. On the first day of the competition Kirby, who had previously won the National Papillon Speciality on three occasions, won the ribbon for best Veteran Dog. On day two, Kirby returned to the ring for the first round of cuts for the championship, but with a different handler. Cheslie Pickett, less than two years older than Kirby led him around the ring with his normal handler John Oulton taking charge of Nemo, Kirby's son. Kirby was chosen by judge Sandra Goose Allen as the winner of the 2005 National Papillon Speciality - making his handler Cheslie Pickett the youngest ever to have won the National Papillon Speciality, and Kirby the oldest dog ever to have won and the only dog to have won it four times.

The Papillon Club of Victoria Inc. Committee members:

President:	Glenda Cherry
Vice President:	Suzanne Goodchild
Secretary:	Jacinta M Baker
Treasurer:	Rosie Hawkins
Committee:	Marissa Sarif Leanne Tormey Kate Sharples

The committee thanks the following volunteers for their time and expertise in assisting the committee run this Championship show.

VCA representative:	Noelene Jordan
First Aid Officer details:	Dave Lassam
Ring Steward:	Emily Slavin
Show Manager:	Leanne Tormey
Photographer:	Kelly Webster

To be held under the Rules and Regulations of the Victorian Canine Association Inc. a copy of which may be inspected at the office of the Secretary of this fixture.

Introducing our Judge:

Ian Rasmussen

P O Box 25 Redbank
Queensland 4301
Australia
ahmadi@saluki.com.au

I have been involved in show dogs since 1975 and in that time the most successful breeds that I have owned and shown include Saluki's, Whippets, Dobermans, Siberian Huskies, Norfolk Terriers and Papillons. Over the years I have won in excess of 200 Best in Show awards with dogs from these breeds.

My main breed is Saluki's which I have owned and bred since 1978 under the Ahmadi prefix. Ahmadi Saluki's have been amongst the top winning Saluki's in Australia over many years, and I have co-owned or bred the number one Salukis in Australia many times. Salukis from my breeding are also very successful in other countries .

My involvement in Papillons began in 1989 with Ch Sunshoo Ima Hanky Panky for several years. In 2007 in partnership with Kaye McGhie and Chua Ming Kok we campaigned Jap Ch/Sing Ch/Aust Ch Queen Bless JP Red Disco Dancer (Imp Japan), followed by Jap Ch/Sing Ch/ Aust Ch Queen Bless JP Swedish Crown (Imp Japan). In partnership with Kaye we have breed and owned several BIS winners including Sup Ch Birikino Crown Diva (Australias Number 1 Papillon for 2 years) and Australia's Best in Show breed record holder and Royal BIS winner Supreme Ch Birikino Victory Dance.

I have been judging since 1991 and in 2007 was granted All Breeds status by the Australian National Kennel Control. Countries that I have judged in include Australia, New Zealand, Singapore, America, Thailand, Japan, the Philippines, Korea, China, India, Finland, Russia, Brazil, Estonia, Sweden , Portugal, Canada, Ireland, Malaysia, Taiwan, Denmark and Indonesia. .

Papillon

PAPILLON

Pre 1987 Kennel Club, London

Group: Group 1 (Toys)

History:

General Appearance: This dainty, balanced little toy dog should have an attractive head, an alert bearing and an intelligent and lively expression.

Movement should be sound, light and free and not cramped or restricted in any way.

Characteristics: This dainty, balanced little toy dog should have an attractive head, an alert bearing and an intelligent and lively expression.

Temperament: (Not detailed.)

Head And Skull: The skull slightly rounded between the ears, the muzzle finely pointed and abruptly thinner than the skull accentuating the stop which should be well defined. Length from tip of the nose to the stop approximately a third length of the head. Nose should be black.

Eyes: Of medium size, rounded, dark in colour, placed rather low in the head and should not bulge.

Ears: The ears should be large and mobile with rounded tips, heavily fringed, set towards the back of the head far enough apart to show the slightly rounded shape of the skull. The ears must be completely erect or dropped. When the ears are erect they must be carried obliquely like the spread wings of a butterfly, therefore the name, Papillon. When the ears are dropped they must be completely dropped, and this type is known as the Phalene (moth).

Mouth: Scissor bite, upper teeth fitting closely over lower. The lips thin and tight.

Neck: Of medium length.

Forequarters: Shoulders well developed and sloping back. Chest rather deep. Forelegs

straight and slender and fine boned.

Body:	Level topline. The body should have plenty of length, well formed with well sprung ribs, good length of loin which must not be weak, with slightly arched belly.
Hindquarters:	Well developed, good turn of stifle. Legs when viewed from behind, should be parallel. Dew claws on the hind legs must be removed.
Feet:	Fine and fairly long, as in the hare. The tufts of hair between the toes extending far beyond them.
Tail:	Long and well fringed, set on high, arched over the back with the fringes falling to the side to form the plume.
Gait/Movement:	Movement should be sound, light and free and not cramped or restricted in any way.
Coat:	Should be abundant, (flowing) but without undercoat, long fine, silky, falling flat on back and sides forming a profuse frill on the chest, short and close on the skull, muzzle and front part of the legs. Back part of the front legs to pasterns, tail and thighs covered with long hair.
Colour:	White with patches which may be any colour except liver. A tricolour must be black and white with tan spots over the eyes, tan inside ears and under root of tail and on cheeks. The head marking should be symmetrical about a white, narrow, clearly defined blaze.
Sizes:	The ideal height at the withers from 20.3-28 cm (8-11 ins). The dog will appear to be slightly longer than high when properly furnished with ruff and hind fringes.
Faults:	<p>Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.</p> <p>Skull flat or apple shaped. Muzzle overlong or coarse. Nose other than black. Eyes light in colour, too small or too large, or protruding. Ears semi-erect or not fully dropped, small, sharply pointed or set too close together. Mouth over- or undershot to the extent that the incisors do not touch at all. Wry mouth. Shoulders straight. Out at elbow. Topline roached, dipped or cobby. Legs malformed and crooked, cow hocked, too long or too short. Stifles straight, coupled with weak hindquarters. Tail unduly short. Too low set. Harsh, curly or stand-off coat.</p>
Notes:	Male animals should have two apparently normal testicles fully descended into the scrotum.

www.cruiserbowl.com.au

The K9 Cruiser Bowl is an all Australian designed and made anti-spill pet water bowl. It is built for durability and has a multitude of benefits. The unique design of the water bowl makes it a safe portable water source for your pet and means your dog not longer needs to share public water bowls. The K9 Cruiser Bowl also discourages dogs from playing with their drinking water.

If your dog travels with you in the car, ute, motorhome, truck, or boat the K9 Cruiser Bowl anti-spill dog water bowl is the solution! The Cruiser bowl is uniquely designed to be anti spill in all moving vehicles.

A practical water bowl that allows your pets to stay hydrated, while virtually eliminating the risk of spillage. A perfect solution for ALL dog lovers.
