Agility Trial Manager:	Ms Ann Lennehan
Herding Trial Manager:	Ms Sue Fedoryschyn
Hereditary Diseases:	Karen Edwards
General Committee:	Ms Patrice Smith and Ms Debra Richardson

**President's Message**

On behalf of our hard working committee, I would like to extend a warm welcome to everyone participating in today's events. In Conformation we are celebrating our 80th Show - with a retro theme! Our Show Secretary, Lynne Cook, has done an incredible job promoting our show/trial which has resulted in a lovely entry across all disciplines and great support in terms of sponsorship and donations. Our major sponsors, Black Hawk and Orivet, continue to provide us with great product and a THANK YOU to everyone who donated for class sponsorship with a particular thank you to our interstate BC friends at the Perception Agility Club in Queensland for their generosity in sponsoring so many classes! And to our other interstate friends for their sponsoring of Conformation Classes. Your support is greatly appreciated!

We will be drawing our major raffle at the show and will also be conducting an 'on the day' raffle so keep your eye out for ticket sellers. Please also take some time to visit the GSD building and view photos of past show winners and also browse the club's old photo albums for a trip down memory lane! Thanks to Patrice and Lynne for organising this.

We wish our judges, stewards and all competitors a fun and successful day enjoying time with friends and our beloved Border Collies.

Best wishes

Lauren Somers  
**President**

We honour our Best in Championship Show Winners from 1980 to 2022

# The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

## So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed
