JUDGE PROFILE – MISS AIMEE DAVIES (UK)

Dachida's Chihuahuas was established by my mother, Carol, in the 1960s, so I was born into the hobby of showing and breeding pedigree dogs. From a young age, I was involved in showing and later took over the sole handling of the show team and was added to the affix.

There have been 37 UK Dachida's champions and multiple worldwide. Multiple Group winners including Crufts and the winner of the most General Championship Show Best in Show awards in the UK for a Chihuahua.

I was passed to award CCs in the UK by the Kennel Club in 2006 and these are my completed CC appointments in both coats.

THINGS TO DO IN W.A.

PERTH METRO AND SURROUNDS

A wonderful wine region can be found in the **Bickley Valley** located on the western side of the Darling Scarp near Armadale. Enjoy the spectacular scenery and restaurants while treating yourself to a variety of locally produced boutique wines and ciders.

Wine lovers can also enjoy visiting the **Swan Valley**, Western Australia's oldest wine region where you can enjoy a rich fusion of award-winning wines, specialty liqueurs and gourmet delights including olives, cheeses, preserves, nuts, and chocolate.

For restaurants and cafes, see <https://www.swanvalley.com.au/Eat-and-Drink/Restaurants-Cafes>

Whiteman Park located to the east of Perth near the Swan Valley is a 3,700-hectare conservation reserve. Here you will find bush walking trails, a children's forest, the Motor Museum of WA, and Caversham Wildlife Park. Caversham Wildlife Park showcases many of Australia's unique native animals including koalas, wallabies, kangaroos, possums, Tasmanian devils, and wombats.

Walk a section of the **Bibbulmun Track in the Perth Hills**. It is one of the world's great long distance walk trails and stretches 1,000km from Kalamunda to Albany.

Climb past bridge beams on the **Matagarup Zip+Climb** to reach SkyView, an open-air viewing platform 72m above the Swan River, before zipping back to home base.

Kings Park is one of the world's largest and most beautiful inner-city parks comprising 400 hectares overlooking Perth city. Visit the 620m Federation Walkway to see sweeping views of the city skyline, Swan and Canning Rivers, and Botanic Gardens. Wander through carpets of wildflowers. The State War Memorial is visited by more than 40,000 people each year for the Anzac Day Dawn Service. There are cafes, picnic areas and adventure playgrounds. Free guided walks operate daily.

In **Fremantle**, visit the Maritime Museum, the Round House, the WA Shipwrecks Museum, art galleries, Fremantle Markets and Fremantle Prison.

Elizabeth Quay is an entertainment area near the Bell Tower on the Swan River foreshore.

Rottnest Island is the only place in the world you will find the unique and friendly marsupial quokkas. Access is by ferry from Fremantle, Hillarys, or Barrack Square, by air or by private boat.

See www.rotnestisland.com

River cruises travel from Barrack Street jetty up to the Swan Valley vineyards or down to Fremantle Harbour.

REGIONAL WA

The month of October is busy with tourists who travel all over the State to see the wildflowers.

You will find the Dolphin Discovery Centre and the Bunbury Wildlife Park in **Bunbury** just two hours' drive south of Perth. You could also take the Dolphin Eco Cruise and swim with dolphins.

The **Margaret River** region, four hours south of Perth, is a popular destination for surfers, foodies, and wine lovers. It boasts spectacular ocean and forest scenery with many tourist attractions in the area.

The picturesque and historical town of **Albany**, 4.5 hours' drive south of Perth, was settled in 1827, two years before Perth. Visit the National Anzac Centre to discover more about its history including how the first convoy of Anzac troops departed from Albany on 1 November 1914 to fight in WW1.

Wellington Dam at Collie is home to the largest dam mural in the world. The 8,000sqm piece was created by artist, Guido van Helten.

Experience the peace and tranquillity of hot air ballooning with Windward Balloon Adventures in **Northam**.

The Pinnacles (Nambung National Park) are 190km north of Perth and feature thousands of eerie lime-stone pillars up to 4m in height - perhaps stop at **Lancelin** for a crayfish lunch.

New Norcia is 130km north of Perth. It was founded by a Benedictine monk in 1847 and is the only monastic town in Australia. It is still home to some monks.

Visit the **Kalgoorlie Super Pit**, one of the largest open-cut mines on earth. Stand at the top of the viewing platform or take a guided tour.
