HIKE INFORMATION

- Weighing in of dogs and backpacks will be from 7.30 am, with the hike to commence at 9.00 am sharp. We will not wait for anyone who is late to arrive.
If running late or not coming, please call or send a text message to 0419 325 835 or 0409 939 211
- Please pre-load and weigh your backpack at home so that it requires minimal adjustment on the day to save time.
- The hike is approximately 16-17 km and the terrain is generally undulating with a couple of climbs and steeper sections to negotiate. Dogs need to be fit and trained to carry the required 30% body weight over the distance and up hills. Handlers should also be fit and capable of walking the distance at a minimum of around 4 km an hour.
- We will be taking short breaks approximately every hour, including 2 rest stops of approximately 15-20 minutes and a lunch break of around 30-40 minutes.
- Dog and handler safety and wellbeing is of paramount importance. If a dog is not coping well, the handler should notify the Judge or hike official, remove weight from the pack and/or withdraw the dog from the hike. The judge has the authority to withdraw a dog if it is not coping well or the pace is too slow.
- All hikers are to remain in a group using "convoy" protocol. The first hikers to arrive at an intersection are to wait there until all hikers catch up. The Judge will be walking with the hike group.
- There are toilet facilities at the Kurrajong Picnic area, but you will need to bring sufficient water and food for yourself and your dog.
- There are no rubbish bins on the hike trail, so please take all rubbish with you and clean up after your dog.
