FOR GROWING FAMILIES

# Heather Brennan

Heather Brennan didn't have a dog growing up and has spent her entire adulthood trying to make up for it by spending as much time with dogs as she can. Together with her family, Heather initially bred Siberian Huskies under the Nuthatch prefix. Over the years, they dabbled in Belgian Tervuren and German Wirehaired Pointers, but they fell in love with German Shorthaired Pointers early on and have had them ever since. Nuthatch GSPs have won championship titles in multiple venues all over the world including Australia, Mexico, Colombia, FCI, the United States and Canada.

Heather has lived in Canada her whole life but loves to travel and explore new destinations. Combining travel with her love of dogs was a natural move. She firmly believes in form follows function and has participated in performance events with all her breeds including recreational mushing, herding, and field tests. As a judge she has been privileged to judge at all breeds shows in Canada and the USA and at several specialties. AS a Gundog and Utility (Working Group in North America) specialist she has judged specialties for several breeds as well as group specialties. Highlights include Working Group Dog Club of Alaska, Ottawa Valley All Pointing Breed, Pointer Club of Canada national specialty and the German Shorthaired Pointer Club of America National Specialty.

Heather is the author of a number of articles and books on canine conformation, judging, ethics, field events and breed specific activities. She is the show chair for one of Canada's largest indoor dog shows, Aurora and District Kennel Club. She has also held positions on the Board of Directors for all breed and breed specific Clubs.

A privilege to be invited for the first time to Australia.

# SAY HELLO TO HUNTER

*Hunter the German Shorthaired Pointer has been part of the Hotondo Homes family since 2010. As our pawsome pooch who represents our strong family values, we couldn't imagine our lives without him!*

Hunter originally came onto the scene for an advertising campaign, however we loved him so much that he's been part of the family ever since.

German Shorthaired Pointers are loving family dogs, as well as great hunting dogs, so we thought the name Hunter was fitting. The campaign at the time was promoting how Hotondo Homes is 'A great find', which is why we chose the German Shorthaired Pointer breed.

Hunter plays an integral role as our brand ambassador. He's one of the most recognised faces in the building industry, featuring in a number of print, radio and TV ads. He's now an icon for the business, with many people recognising Hotondo Homes as 'the builder with the dog'.

Our clients have fallen in love with Hunter, with some even having to get their own German Shorthaired Pointer because they're the perfect addition to any family!

When Hunter's not starring on the set of our latest commercial or gaining major airtime on television, he can be found lapping up every bit of attention and making himself at home at one of our many displays across the country.

He's been with us through so many memories and milestones, from family holidays through to grand openings and conferences. Whether he's asking for belly rubs or sneaking in an afternoon snooze on site, he's an adored member of the Hotondo Homes family!
