

# WASSA RACE 1 MUCK'N'MAYHEM

MUKINBUDIN  
22ND & 23RD JUNE

## Information Pack

North Wialki is located in the central Wheatbelt and is approximately 3.5 hours North East from Perth CBD. The venue's host is the Sprigg family who have generously opened up their homestead to us.

The homestead has limited phone reception, so this is a chance to enjoy reconnecting with your friends and fellow mushers around the campfire instead. The homestead is on UHF channel 30 if you do need assistance whilst driving. You will be driving on dirt roads as you approach the homestead but do keep in mind loose gravel can break windows, so drive with care.

As this is a rural event, the closest town is Wialki which is a 15 minute drive away but has not shops. Shops are located at Beacon which is approximately a 30 minute drive, or Muckinbudin which is approximately 40 minutes. Please read the race information pack carefully to ensure you are fully prepared for the journey to this beautiful race site.

**When setting up camp**, please be mindful that this is a fully functioning farming property, there is livestock and poultry nearby, with every effort made to keep them away from camp and racing tracks.

We ask you to ensure that ALL dogs are contained/restrained at all times as per WASSA rules. There are working dogs on the farm and we need to ensure our dogs do not interrupt them should they be working nearby.

**There are prickles on the farmland so please wear shoes and please bring spare tyre tubes for your bikes/scooters!!**

**Please pick up all dog poo, this is someone's property we need to look after.**

## Safety Officer and First Aid

In the event of an emergency, the car horn will sound 5 times to signal and will continue to sound off. Everyone should meet at club HQ without your dogs to be briefed on the emergency. In the event of loose dogs do not leave camp if you have not been briefed. Only those with UHF Radios will be deployed and channel 21 to be used.

## Food/Drink

There is no water available onsite. Please bring enough water for you and your dogs for the entire weekend. Water can be purchased from Mukinbudin Caravan Park (approx. 45 minutes from race site) for tanks and jerry cans.

Ruth and Stephen raise money for a charity each year which you can help by purchasing fresh food made on premises – Saturday Lunch, Dinner (cook your own BBQ pack) and Sunday Breakfast. Please bring small denominations of cash between \$5 and \$30 to make purchases as there's no mobile phone reception for eftpos sales.

You MUST contact the club with any dietary requirements or BYO vegan/gluten free.
