WELCOMING MESSAGE:

On behalf of the committee of The Bullmastiff Club of Victoria Inc, it gives me great pleasure to extend a warm welcome to our judges Brooke Turner for our 50th show, Glenn Sparham for our afternoon championship show, Kathy Smith judging the property classes; Life Members , exhibitors & friends to this 50th Championship Show for the Bullmastiff Club of Victoria Inc. The 1st show in 1974 held at the Dandenong Showgrounds was instigated by the late Life Member Joy Stevenson, who at the time, was President of this club. BIS was Joy's bitch Ch Ellneys April Auroa of Bulstaff (Imp UK), who ironically was stolen from the Royal Melbourne Showgrounds a few years later. Reflecting on some of the past BIS winners it is worthy to note that from 1980-1983 the same dog, Ch Abbeygrove Lord Louis, was the winner & being a beautiful brindle he had the power & drive to, if alive today, would be a very competitive exhibit.

As it is 100 years since this breed was officially recognised by the UK Kennel Council, we are so fortunate to be able to celebrate this significant time & also the fact that it is 60 years since the formation of the Bullmastiff Club of Victoria, three reasons to gather & reflect on what were the decisions that made us all become involved with our beloved Bullmastiffs. Thanks are extended to all who have donated towards the trophies for our two Championship Shows for 2024.

I wish you all a very enjoyable show,

Barbara Wright
President

Meet our judges
Glenn Sparham & Brooke Turner–
Gameguard Bullmastiffs (NSW)

Glenn became involved in Bullmastiffs in the late 1980's with his father Ernie Sparham with whom he shared the Gameguard prefix. Brooke was introduced to the wonderful world of Bullmastiff's as a young child, having the privilege of being involved with Kath and Barry Marion (Treebrook Bullmastiffs) and June Sellers (Oldworld Bullmastiffs) in the mid 1990's. During her teenage years and living in South Australia she was able to show many of these kennels top winning dogs, including Aust Ch. Treebrook Coral Gum, Aust Ch. Treebrook River Oak and Aust Gr. Oldworld Sampson.

In 2010 Brooke and Glenn met, and have been together over the past 15 years, being involved in both Bullmastiffs and Rottweilers. As a team, we have had great success with our **Gameguard** Bullmastiffs as both breeders and exhibitors. Brooke has been the primary handler of the dogs since joining with Glenn, where we have won Best In Show at Specialities in every year from 2010 to 2024.

We were lucky enough to have International Ch. UK Ch. Aust Sup Ch. Costog Mompessons Home Bru (AI) "Kif" live with us where Brooke was one of his primary handlers. Brooke shared many wins together including Multiple Speciality Best In Specialty Shows, All Breeds Best In Shows including **Best In Show at the Sydney Royal Dog Show** and Best In Group at the Melbourne Royal Show. He also won back-to-back Best In Show at Sunbury and Victorian Woman's Kennel Club.

We are very proud of our run of wins, they are under many judges from around the globe, some wins are unprecedented but most of all we feel they are consistent. Our dogs currently hold many records within Australia and our bloodlines are internationally recognized. While we haven't kept accurate records for how many

Champions we have bred or owned, conservatively it would be over 50 dogs within Australia and overseas. We hold the record for the most dogs, owned or bred, that have won Specialty shows in Australia.

Brooke's "Heart dog", **Supreme Champion Gameguard Hail to the Chief (AI)** became not only the youngest Bullmastiff Supreme Champion on record, but he also holds the All-Breed record for a Bullmastiff In Australia with 70 Group firsts and 25 Best In Shows. Chief also won the New South Wales All breeds Dog of the year in 2017. (The only Bullmastiff in Australasian History to win that title.) In 2025 he was inducted into the Australian Dog World Hall of Fame. The only Bullmastiff to be currently inducted.

The current girl that we have bred, and that Brooke handles is our **Supreme Champion, CACIB Ch, A20 Ch. Gameguard Innuendo "Indi"**, who is also a multi record holder. She has reached the current record of 8 Best In Show all breed wins for a female. She is also the first and only Australian female Bullmastiff to attain her International Championship and has set a record at F.C.I International shows, with the breed's only Best In Show win. In addition she is a multi Best In Specialty winner with her best years yet to come. Indi her brother JR and their father "**Uno**" **Aust Ch, CACIB Ch. Gameguard Power of One (AI)**, are all international champions, making us the only kennel to have one of each sex, and three in Australia.

Our current campaigner "**JR**" **NZ Ch, Sup Ch, CACIB Ch. A20 Ch. Gameguard Wicked Ways (AI)** has also set his mark in the show ring and as stud dog. Winning Multiple BIS, Multi-Specialty Dog Challenge Winner and joins Chief with a fantastic result in NSW Dog of the year competition, winning Runner Up Show Dog of The Year (NSW) in 2023.

We have actively imported and exported dogs and semen to numerous countries, including the UK, NZ, Denmark and the USA.

Brooke has also had the pleasure of handling Bullmastiff's in the UK on several occasions, firstly handling Kif to a Best of Breed win at Paington Championship Show. She has also handled for many famous UK Bullmastiff Kennels such as Oldwell, Optimus, Chalfs, Flintstock and most recently Hyerdunscar at Crufts in 2023.

We have both attended several Bullmastiff shows and met with many breeders internationally including New Zealand, England, Wales, Scotland, Denmark, Sweden and Norway (and the USA and Finland for Glenn.)

Brooke's specialist Judging-

- Bullmastiff Club of NSW Property classes in **2011**
- Southern Bullmastiff Club (UK) Puppy parade at the in **2015**
- Dominion Bullmastiff Club of New Zealand Championship Show **2019**

Glenns specialist judging-

- Bullmastiff Club of Queensland **2003** Open Show
- Bullmastiff Club of New South Wales **2006** Championship Show (Specials classes)
- Dominion Bullmastiff Club of New Zealand **2007** Championship Show
- Bullmastiff Club of New Victoria **2010** Championship Show
- Bullmastiff Club of Queensland Championship Show **2013**
- Southern Bullmastiff Society (UK) August **2015**
- Danish Bullmastiff and Mastiff Show **2015**
- Norwegian Bullmastiff show
- American Bullmastiff National prelude show **2025** (pending)

Meet our judges

Kathy Smith

My involvement with dogs started as a child, growing up in Country Victoria I have always had a love for dogs and livestock alongside my family. As a teenager saw me heavily involved with horses at first showing equestrian and then later involved with Quarter horses, showing with success.

In 1994, I started exhibiting Great Danes, breeding under the Darkat prefix with great success. Obtaining Supreme Champions and numerous Grand Champions. 2007 I was accepted into the ANKC judges training scheme. Now license to judge Group 7 Non sporting, Group 6 Utility and group 5 Working dogs, which I thoroughly enjoy every minute of. I have judged in all states of Australia except QLD and had the honor to judge numerous times in NZ.

In 2014 I was delighted to be giving the opportunity to judge the Bullmastiff club open show in Victoria. My respect and interest for the breed has since remained, grown and will continue to.

I am excited and honored to judge the property classes alongside Breed specialist Brooke Turner (Gameguard) at this prestigious 50th anniversary show today. Special Thank you to the Bullmastiff club of Victoria for the invitation today and your entries.

Bullgladiata Elektra

D.O.B 26/05/2016

Elektra the Queen of the house, the devil child and Daddy's baby girl. Whilst the eyesight might be failing this girl certainly keeps everyone in check.

Elektra loves nothing better than taking HER caravan away and going for a spin on HER ski boat and when the tow tubes comes out she must have her ride first.

So today she might be a little disappointed that mummy tricked her and brought her to a dog show instead, I'm sure I'll pay for this later....

Elektra blessed us with just 1 litter later in life and she was the most beautiful mumma.

At 8 years old she has everyone fooled into thinking she is tough dog but we know secretly she is just Daddy's baby.

We love and adore you Elektra and are grateful for everything you do.

We thank you for the wonderful memories and the ride you have taken us on.

Here's to many more with you baby girl.

Today we are proud to present Elektra as a veteran.

Veteran Parade

Gr Ch Banobrae Hell Or High Water D.O.B 12/10/2016

Tully joined the Barber household when she was a wee little girl and she stole our hearts instantly, it was love at first sight! And not just our hearts, evidently the judges were besotted too as it didn't take her long to gain her Grand Champion title, and she's still winning ribbons today!

Tully produced 2 small litters - 3 and 4 gorgeous offsprings. She believes in quality, not quantity! She is the sweetest and most loving girl but will fiercely protect her family (us and her kids) - nobody wants to be on Tully's bad side! Tully loves the showring, shes love the attention. At shows she is always on her best. At home she is a sook and simply can't get enough cuddles.

She still rules our household and is very much the boss, even her sassy daughter is afraid of crossing her. What Tully says goes!

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed
