Note: Judges and Stewards are permitted to enter and will be judged before commencement of other competitor tests.

Note: It is the handler responsibility to ensure correct equipment available for their dog and themselves before starting track. Handlers are expected to wear reflective vests and head lamps (for night tracks) as outlined in the ANKC Rules and Guidelines. If tests become available *and* time permits, a ballot (if required) will be held for those who may wish to "track on" within the same title level. Payment for a track on will be required on the day. For contact on day of test (if needed) please ensure mobile phone number is recorded on entry.

The GSDCV reserves the right to start the trial earlier or add additional judges if entries warrant.

Note: To ensure all competitors know when their test is scheduled, the Trial Catalogue will be provided to the GSDCV and Vicdog.com websites on Sunday 8 September 2024.

Please note: Track and Search Trials require many more helpers due to the numbers of diversion tracklayers, minglers and extra stewards which are required by the rules. We are hoping not to have to ballot, but we will be forced to if we do not have enough helpers. **We request that every competitor provides at least one helper or volunteers themselves for a day they are not tracking.** These helpers do not need to be experienced, as experienced people will direct them. Please do not nominate helpers on the day they are tracking themselves. **Please note the name of your helper on your entry. Helpers who are available for two or more days are most useful.**

Awards Presentations made at conclusion of a session.

Title Sash & Pass Card or Qualifying ribbon & Pass card available for qualifying test.

Registered GSDs are eligible for GSDCV Grading Certificates for qualifying tests and GSDCA Excellent Medallions where an Excellent grading is achieved

Note: No Catering provided to competitors. Catering will be provided to Judges and their teams of helpers will be catered for. The GSDCV greatly appreciate all of the volunteers who donate their time in order to make our TSD trial successful.
