Born in Tokyo and grown with a great passion for animals, surrounded by birds and aquarium fishes. When I was around 10, first interested in purebred dogs and started to enjoy photos and reports of shows abroad in specialized magazines. I was into Doberman, German Shepherd, and Rough Collie at that time. Soon later I could get my own dog, Sheltie, and bred her for the first time when 13. That experience brought me to this dog life. I first met Giant Schnauzers in 1989 in Mexico and have kept showing and breeding them for 35 years.

- Started to handle and breed Giant Schnauzers in Mexico in 1990. • Engaged in shows as a Professional All Breed handler and Breeder from 1995 in Japan.
- First breed license (Giant Schnauzer, Doberman, M. Schnauzer, Bernese Mountain) in 1998
- Bred and handled Top winning Giant Schnauzers in Japan 1996-2023.

- Started to breed Flat-coated retriever in 2003.
- Earned annual all breed ranking No.1 dog (the same Giant Schnauzer) for 2 consecutive years, 2012 and 2013.
- First judged in a Terrier specialty show in 2019, and Judged G2 in FCI Tokyo International Show in the same year.
- All Breed International judge from 2021.
- Judges a specialty of Shiba Inu Fanciers of Northern California USA in 2022. I have actively been involved as a judge in FCI international shows and many others as well throughout Japan
