Location:

## Dogs Queensland SprintDog™ Track

## **Thank you for entering our SprintDog™ Trial!**

SprintDog™ is a fast-paced event, please ensure your dog is warmed up and in the assembly area ready for their turn and your catcher is down at the catch pen and both of you know your number and dogs' name. When your dog's name is called and either your catcher is not at the catch pen, or you do not answer your call, we will skip your dog and continue through the list, and you will be moved to last in that round. If you miss the first round after the last dog has run and we have gone on break, then you will be called absent.

Dogs who do not complete Round 1 are not eligible to compete in Round 2.

Qualifying sashes will be available for those dogs who complete both runs, qualifying certificates will be emailed either late that night or the next morning! Your certificates will have your average time on there, please do not ask the Trial Secretary on the day.

Presentation will be done when all equipment that needs to be packed up is back at the cars, many hands make light work, and this can be done in a few minutes if we all pitch in! No ribbons will be handed out before this has been completed, we will not be keeping a list of who didn't receive their ribbon on the day, so if you do not collect your ribbon on the day, you will not receive them at a later stage. Please organise someone to collect them for you if you cannot stay until the end.

## **Parking**

No competitor is to setup within 20m of a camper, please give them a wide berth if you are walking your dog around. If you have parked in a vacant campsite and it is booked and the camper arrives, you must pack up and move immediately. **There is no parking for competitors in Camp Sites 27 - 28 or 38 - 39 on trial days.** A Camping map has been provided in this catalogue, please take note of the no parking sites.

## **Basic rules for the trial.**

- All Competitors MUST check in all dogs competing. If you do not check in, you will be marked absent, and all paperwork will reflect this.
- All dogs will need to be height measured. If your dog has previously ran at a SprintDog™ event, they do not need to be measured again HOWEVER if they are an entire bitch they must be presented for vetting.
- Please do not bring your dog up to Check In if you they do not need to be vet checked or measured. It's chaotic enough without multiple dogs barking and getting hyped up.

- Once all dogs have been checked in and height measured, there will be a brief introduction and quick rundown on rules and how the trial will run.
- Please ensure you have someone to release or catch your dog. No Official will be catching your dog for you. No dogs to be recalled after their run back to the start line unless directed to by the Sprint Master. Your catcher/ releaser MUST be a financial member of a Dogs Australia state body and 16yrs and over. If we ask, they must be able to produce a membership number and/ or card. We will check with Dogs QLD after the event and report any dogs who had non-member releasers/ catchers. There is no wiggle room, it is a rule, they must be financial members.
- There will be an exclusion zone around the track, no dogs, or people within this zone at any time. You will be warned once, after that your dog will be excused.
- No check chains allowed on dogs entering or exiting the Sprint Zone. Please ensure you do not have a check chain on your dog before entering or leaving the track.
- Dogs may wear a correctly fitted flat collar or naked. If your dog's collar has hanging tags and you would like them to wear the collar during the run, tape the tags flat to the collar please. No other versions of collars can be worn whilst running. If your dog runs with a lead attached regardless of how short it is, your dog is excused for the entire trial. Make sure you release your dog from the lead.
- You can encourage your dog. Catcher may call, have a squeaky toy, dance, whatever will work to encourage your dog to run the track, however no food/ bait will be allowed.
- We cannot accommodate dogs not entered in the event. There will be no extra dogs added, nor will substitutes be allowed to run.
- This is an official trial, the rules of SprintDog™ must be followed. If you have not read the rules, please do so at - [https://dogsaustralia.org.au/media/10157/23-da-sprintdog-rules\\_01-07-24.pdf](https://dogsaustralia.org.au/media/10157/23-da-sprintdog-rules_01-07-24.pdf)

Lastly! This is a fun event for you and your dog, bring your smiles!!
