Running Order

- Dogs ACT Regulation Part 20 provides that *“A contracted Scent Work Judge may compete in Scent Work competition at the same trial for which they are contracted providing they are not competing in the class/s they have been contracted to judge.”*
 - We want to be able to optimise the trial searches so that they can also compete.
 - Ms Neppl has entered the Novice Elements as per the catalogue.

NOTE:

Where a handler is competing in both Novice and Advanced Elements, we have tried to ensure that you will not have clashes in cataloguing between your Novice and Advanced searches.

We are keen to ensure smooth running between the two venues. Please remember it is your responsibility to ensure you complete your searches and manage moving back and forward between the two venues in a timely manner.

If you finish your searches at one venue or have to wait for your turn, please check at the other venue to see if you are due to run your searches there.

Please be respectful and don't make us have to chase you! We are likely to be much less considerate or courteous if a handler spends an hour debriefing in the carpark while there are judges waiting to complete judging their Elements.

Presentations

Sashes will be provided for 1st, 2nd and 3rd place and titles.

Presentations will occur at the end of the trial. If you need to leave before presentations, arrange for someone to collect any qualification card(s) or bring an A4 self addressed stamped envelope and we will post them to you.

Catering

Plan to bring your own. Food and drinks are available at the nearby Shell Service Station or McDonalds. Trialers can visit these venues during the refreshment break but not when judging is occurring due to line of sight issues.

Managing your dog

- Dogs and handlers must stay in the designated car park area unless preparing to search, searching or returning from their search to avoid contaminating search areas, interrupting a search underway, or from viewing a search area. Dogs should either be in the car or a crate near the car when not being toileted or getting ready for a search.
- Dogs must be on lead at all times during the trial. There are no off-lead exercise areas. Clean up after your dog.
- Please respect other handlers and their dogs as they move around the venues and keep a reasonable distance between you. If your dog is reactive, please think about selecting a spot further away from the main parking area.
- The handler is responsible for having their dog ready when it is due to search.

Additional Handler Information

- Catalogue numbers will be available at check-in.

- Please notify the Trial Manager of any errors in your catalogue entry. This information has been derived from Show Manager and will be used to print any qualification cards.
- Do NOT bring target odour to the trial. Anyone found in possession of target odour at the trial will be disqualified.
- No scent work training on the grounds during the trial.
- Handlers should not visit the trial location prior to the trial date.
- Spectators will NOT be permitted.
- Bitches in oestrus may NOT be trialed. Vetting arrangements will be provided as required.
- **ACT Government COVID rules to apply. Please do not attend if you feel unwell.**

ACKNOWLEDGEMENT

A huge shout out and thanks to our judges and officials for contributing to the success of this trial. Your willingness to volunteer is very much appreciated!!!
