This show will be conducted under the Rules & Regulations of Dogs NSW, a copy of which may be perused at the Secretary's office.

The committee reserves the right to alter or amend judging arrangements and substitute judges if necessary as prescribed under DogsNSW rules & regulations.

In accordance with Regulations Part II Show, it is the obligation of any person at a show who observes a dog behaving in an aggressive manner to report the incident either orally or in writing to a member of the show committee as soon as possible on the day of the show.

President's Message

WOW, what a great entry we have received, thanks to all of you, especially those who have travelled from interstate and across NSW, we appreciate your support and hope you have a safe journey.

We are fortunate to have Audrey Hauptfleisch from South Africa, judge our breed today and are grateful to the Spring Fair Committee for facilitating this.

A big "Thank you" to Jo Thompson who has taken on the Show Secretary role and to Denise Sutcliffe for organizing trophies – it has been a rather steep learning curve for both. We are grateful for the sponsorship from Black Hawk and Leather Works 4 dogs as well as those individuals who have sponsored classes.

Hope you all have a great weekend and safe travels.

Sue

Show Secretary's Welcome

I'd like to extend a very warm welcome to all our exhibitors. Especially those who have travelled from interstate – including some first time visitors. We truly appreciate the strong entry this year, particularly given the current challenges and we hope you all have a wonderful day.

A special welcome to Audrey Hauptfleisch from South Africa – it's an honour to have you here to judge our dogs. We trust you'll enjoy your time in Sydney and hope today's specialty show will be a memorable experience.

Our sincere thanks go to Sonya from Leather Works 4 Dogs for her generous sponsorship of leads for all the class in show winners and also to Anne-Marie from Texicoats for kindly supplying dog coats and tote bags. A big thank you as well to Black Hawk for your ongoing support of our shows. Your contribution greatly enhance the value of our event.

Thank you also to Denise Sutcliffe for organizing the trophies – your efforts are very much appreciated. Finally, a heartfelt thank you to everyone who has supported our show through sponsorship, your contributions make this event possible.

Cheers

Jo

Rules and Regulations

- No entries will be accepted without the exhibit's registration number.
- All exhibits must be tethered on a bench chain or crated
- Bitches in oestrus may be shown
- **Class 1 & 1a** – Baby puppies 3 months to under 6 months. Baby puppies under the age of (6) months **cannot** compete against an exhibit (6) months of age or over, in any breed or property class.
- **Class 14 & 14a – Bred by exhibitor** – The exhibit must be owned and handled by the breeder of record. The exhibit must be handled exclusively throughout by an owner or part owner of the prefix under which the exhibit was originally registered
- **Class 18 & 18a** - is for neutered dogs and bitches aged six (6) months and over. Only dogs or bitches registered with an ANKC Member Body as a "neuter" on the Main Register shall be eligible to compete. Neuter exhibits may enter veteran sweep stakes and other property classes.
- **Property classes -**
 1. **To** enter a property class the exhibit **must** also have been exhibited in a breed class.
 2. **The Sire's & Dam's Progeny Sweep Stakes classes** are for **progeny only**, the sire and dam are not to enter the ring. The progeny must be over (6) months of age and **must** have been exhibited in a breed class. The number of progeny is limited to (3 to 6) of either sex and **must** be from at least (2) separate litters.
 3. **All** handlers of progeny are to display the same allocated number per exhibit as per the catalogue.
 4. **Veterans** must be seven (7) years and over. This is a special class and exhibits **do not** have to be entered in a breed class.
 5. **Veterans cannot** enter property classes, unless exhibited in a breed class.
- **Tents** or Gazebos are not to be erected within 2 meters of the ring.
- **The** club reserves the right to amend judging arrangements if necessary.
- **The** club accepts no responsibility for loss or damage to any person, property or exhibit.
- **Exhibitors** are kindly requested to please keep the show grounds clean and tidy.

Perpetual trophies awarded at Sunday show only and may not be removed from the premises

Scoring System for the "MOST SUCCESSFUL" Perpetual Trophies

Placings awarded	1 st	2 nd	3 rd	4 th	5 th
5	5	4	3	2	1
4	4	3	2	1	
3	3	2	1		
2	2	1			
1	1				

An additional 3 points are added for challenge and 2 points added for reserve with an additional point awarded to contested class in show winners. In the case of a tie, the award goes to the highest "in-show" winner

Points are not accumulative. Each exhibit is only awarded their highest single score.

Scoring is based on class placings as determined by number of entries in class

RHODESIAN RIDGEBACK

Country of Origin: Southern Africa F.C.I. Standard No 146 dated 10/12/96

Adopted in Australia 1/1/98

UTILISATION - The Rhodesian Ridgeback is still used to hunt game in many parts of the world, but is especially prized as a watch-dog and a family pet.

BRIEF HISTORICAL OVERVIEW - The Rhodesian Ridgeback is presently the only registered breed indigenous to southern Africa. Its forebears can be traced to the Cape Colony of southern Africa where they crossed with the early pioneers' dogs and the semi-domesticated, ridged Hottentot hunting dogs. Hunting mainly in groups of two or three, the original function of the Rhodesian Ridgeback or Lion dog was to track game, especially lion, and with great agility, keep it at bay until the arrival of the hunter. The original standard, which was drafted by F.R. Barnes in Bulawayo, Rhodesia, in 1922, was based on that of the Dalmatian and was approved by the South African Kennel Union in 1926.

GENERAL APPEARANCE - The Rhodesian Ridgeback should represent a well balanced, strong, muscular, agile and active dog, symmetrical in outline and capable of great endurance with a fair amount of speed. The emphasis is on agility, elegance and soundness with no tendency towards massiveness. The peculiarity of the breed is the ridge on the back, which is formed by the hair growing in the opposite direction to the rest of the coat.

CHARACTERISTICS - The ridge is the escutcheon of the breed. The ridge must be clearly defined, symmetrical and tapering towards the haunch. It must start immediately behind the shoulders and continue to the hip (haunches) bones. The ridge must contain **only two crowns, identical and opposite each other**. The lower edges of the crowns must not extend further down the ridge than one-third of its length. A good average width of the ridge is 5 cm (2ins).

TEMPERAMENT - Dignified, intelligent, aloof with strangers, showing neither aggression nor shyness.

HEAD AND SKULL -

CRANIAL REGION:

SKULL - Should be of a fair length (width of head between ears, distance from occipital to stop, stop to end of nose, should be equal), flat and broad between the ears; the head should be free from wrinkles when in repose.

STOP - Should be reasonably well defined and not in one straight line from the nose to the occipital bone.

FACIAL REGION:

NOSE - Should be black or brown. A black nose should be accompanied by dark eyes, a brown nose by amber eyes.

MUZZLE - Should be long, deep and powerful.

LIPS - Should be clean, closely fitting the jaws.

CHEEKS - Should be clean.

EYES - Should be moderately well apart, round, bright and sparkling, with intelligent expression, their colour harmonizing with the colour of the coat.

EARS - Should be set rather high, of medium size, rather wide at base and gradually tapering to a rounded point. They should be carried close to the head.

MOUSE - Jaws strong with a perfect and complete scissor bite, i.e. the upper teeth closely overlapping the lower teeth and Set Square to the jaws. The teeth must be well developed, especially the canines or holders.

NECK - Should be fairly long, strong and free from throatiness.

FOREQUARTERS - The forelegs should be perfectly straight, strong and well boned, with the elbows close to the body. When viewed from the side, the forelegs should be wider than viewed from the front. Pasterns should be strong with slight spring.

SHOULDERS:

Should be sloping, clean and muscular, denoting speed.

BODY -

BACK - Level, powerful.

LOINS - Strong, muscular and slightly arched.

CHEST - Should not be too wide, but very deep and capacious; the brisket should reach to the elbow.

FORECHEST - Should be visible when viewed from the side.

RIBS - Moderately well sprung, never rounded like barrel-hoops.

HINDQUARTERS - In the hind legs the muscles should be clean, well defined with good turn of stifle, and strong hocks well let down.

FEET - Should be compact and round with well arched toes and tough, elastic pads, protected by hair between the toes and pads.

TAIL - Should be strong at the root and gradually tapering towards the end, free from coarseness. It should be of moderate length. It should not be attached too high or too low and should be carried with a slight curve upwards, never curled.

GAIT/MOVEMENT - Straight forward, free and active.

COAT - Hair - Should be short and dense, sleek and glossy in appearance but neither woolly nor silky.

COLOUR - Light wheaten to red wheaten. A little white on the chest and toes permissible, but excessive white hairs here, on the belly or above the toes is undesirable. A dark muzzle and ears are permissible. Excessive black hairs throughout the coat are highly undesirable.

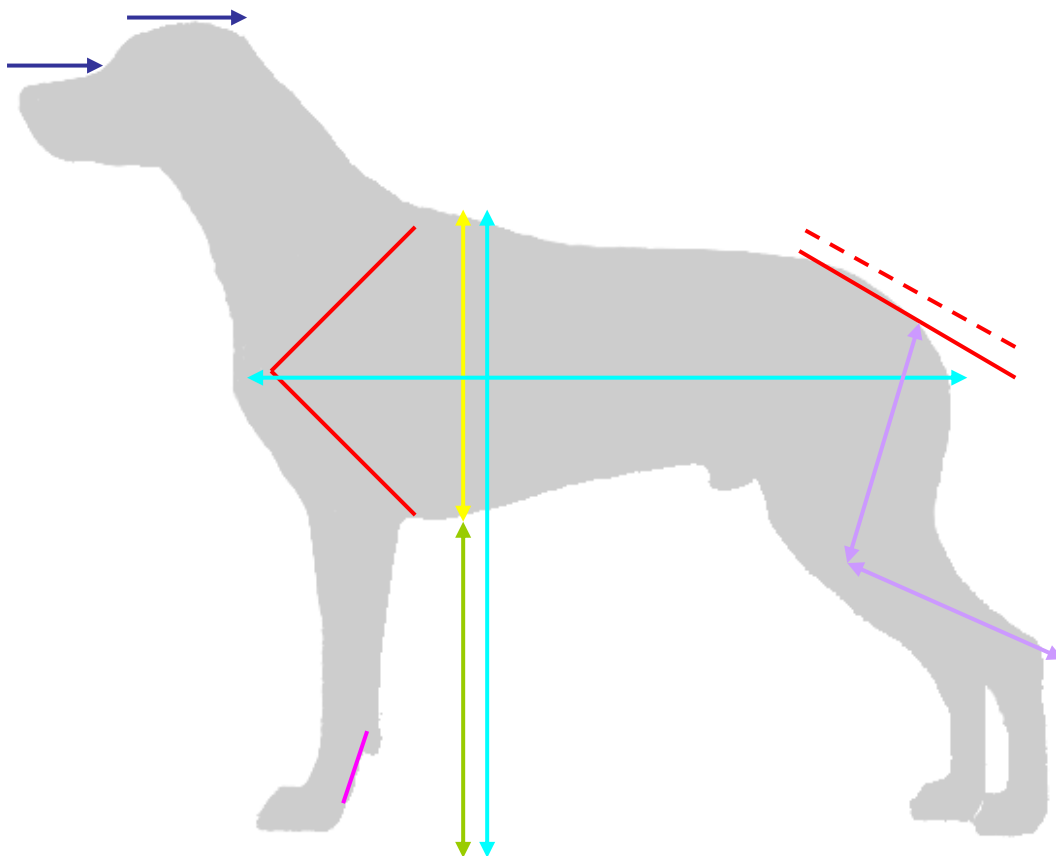

SIZE - Desirable heights are: Dogs - 63 cm (25 ins) to 69cm (27 ins) Bitches - 61cm (24 ins) to 66cm (26 ins)

Weight - The desirable weights are: Dogs - 36.5 kg (80lbs) Bitches - 32 kg (70lbs)

FAULTS - Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportions to its degree.

NOTE: Male animals should have two normally developed testicles fully descended into the scrotum.

Hound Group A.N.K.C. © January 1998

Legend for learning to sight-read the Rhodesian Ridgeback Standard in terms of lengths and measurements

Blue arrows on head = these are required to be of equal length

Red V of scapula / humerus should measure approximately 90 degrees

Yellow line measuring brisket should be equal to **the green line** measuring from the bottom of the brisket to the ground.

Light blue lines measure the length VS height to withers. It is required that the Rhodesian Ridgeback be longer than tall.

Cont:

Red line at croup should measure 15-20¹ degrees from horizon. The dotted red line shows the relationship to the tail set, which is different from the angle of the croup.

Lavender lines demonstrate how the femur should be of equal length to the tibia / fibula

Pink line *denotes layback of pastern that should neither be too steep nor too straight. This is the key shock absorber for the heaviest end of the dog.*

Judging CV

I was born and raised in Edinburgh, Scotland, but my life took a new direction when I married a South African and moved to South Africa in 1981. Once settled, I quickly developed a passion for dogs that has only grown stronger over the years.

I currently serve as the Administrator of the Judges Education Council, where I help train and assess aspiring judges. I serve on various All Breeds Club Committee's. For the past 35 years, I've successfully bred and exhibited Beagles alongside my daughter, Kirsty, under the Affix Morninghunt.

My experience extends to handling a variety of breeds including Alaskan Malamutes, Airedales, Spinone Italiano, Whippets, Standard Long Dachshunds, Basenjis, Affenpinschers, Skye Terriers, and Rhodesian Ridgebacks, achieving numerous Best in Show wins.

Since I began judging in 2005, starting with the Working Group, I've progressed to become a Level 5 Senior Judge, accredited to judge all Hounds, Herding, Toys and Working dogs, as well as Child and Junior handlers. I am also qualified to judge Best in Show in South Africa.

My judging experience includes specialist shows for breeds such as Beagles, PBGV, GBGV, Great Danes, Dachshunds, Boxers, Whippets, St. Bernards, Siberians, and Bull Mastiffs. I've had the honour of international assignments in Australia, Zambia, Namibia, Ireland and Tasmania and made lasting friendships with fellow judges and exhibitors.

Living in a country rich with wildlife, I am fortunate to combine my love for photography and wildlife, spending much of my free time in Kruger National Park.

Judging Commences 9:00am
