A Word About Footwear

Any person(s) in the vicinity of the Sprint Zone must wear fully enclosed shoes. This includes handlers and officials.

This is a safety issue, as the lure cord has the potential to cause injury if it comes into contact with a persons feet.

Footwear will be checked by the Gate Steward. Any person with inappropriate footwear will not be allowed to enter the Sprint Zone.

Examples of suitable footwear

Inappropriate Footwear

A Word About Collars

Dogs may run without a collar (naked), or with a correctly fitted flat collar. Flat collars can be fastened with a clip or a buckle, and must be free from any attachments (e.g., name tag or council tags). This is a safety issue, and is in place to prevent dogs from becoming tangled in the line.

Dogs will **NOT** be allowed to run if they are wearing a halti or head collar, harness, check chain, martingale collar, prong collar, e-collar, limited slip collar, or attachments on their flat collar.

Collars will be checked by the Gate Steward. Any dog wearing an unsafe collar will not be allowed to enter the Sprint Zone.
