Judge: Mrs Cathy Scotton (Vic)

Get to know your judge....

Mrs. Cathy Scotton (Vic)

My family has had a long history of dog showing and breeding. My Grandfather and his sisters were involved in showing gun dogs in Quebec, Canada. My father handled as a youngster but passed the baton to me for breeding and showing. I grew up with a variety of breeds, including a Collie (Rough), English Setter, Irish Setter and a Beagle.

My breed of choice has been the Cairn Terrier for the last 46 years. During that time, I have had great success showing and breeding this wonderful family friendly breed. I have won over 27 Royal Groups, many 'Runner up Royal' Groups and a 'Best in Show'. I have bred and shown 31 Grand Champions and 23 Supreme Champions. I am a consistent winner at our Specialty Shows and have recently been rated as the Top Terrier Breeder in Australia three times. During this time, I have imported eight dogs from Sweden, as well as frozen semen to be part of my breeding program. Breeding, showing and judging have become an important part of my life. (Golfing and Skiing are also hobbies of mine)

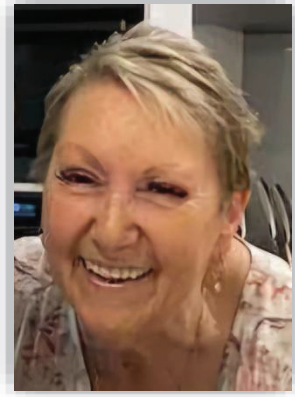

I have also campaigned Jack Russells and helped handle Smooth Fox Terriers, West Highland White Terriers and Scottish Terriers.

I am presently a member of the Cairn Terrier Club of America, one Cairn Club in England and the two in Australia. I am the assistant of the Classic Dog Club in Australia and Presently President of The Sporting Terrier Club of Victoria.

I attained All Breed status after 26 years in the judges training program both in South Australia and Victoria. Whilst living in Korea, I assisted the Korean Canine Association with their program as well. I am presently the assistant leader in the Terrier Group for the judges training program. I travel and attend the top dog shows in the world regularly to further my understanding of the breeds being shown. During my time as a judge, I have judged in all States of Australia, New Zealand, Canada, United States, South Korea, Italy, Sweden, China, Denmark, the Philippines, Thailand and Finland.

I have been a dog groomer for over thirty-three years with a large number of Schnauzers, West Highland White Terriers, Scotties and Cairns forming my clientele. I look forward to the challenge of judging new dogs and increasing my knowledge and experience in the future.

President's Welcome

On behalf of the Committee, I am delighted to welcome you all to our Specialty Show. It is wonderful to see such a strong entry, with exhibitors travelling from interstate as well as those closer to home. Your support and dedication help make our shows such an enjoyable and successful occasion, and we are truly grateful for your continued commitment.

We are especially pleased to welcome our judge, **Mrs. Cathy Scotton**, and we thank her for sharing her time and expertise with us today.

I extend my very best wishes to all exhibitors—whether you are a seasoned participant or showing with us for the first time, may you enjoy a rewarding and memorable day. Good luck to each and every one of you.

Thank you once again for your support and may today's show be a celebration of the breed we all love.

Warm regards,

Colleen De Haan

President

Breed Standard

General Appearance:	A cobby well balanced, square little dog, giving appearance of measuring the same from withers to tail root as from withers to ground.
Characteristics:	Smart little dog with disposition of a terrier. Two varieties rough coated, Griffon Bruxellois and smooth coated, Petit Brabancon. Both with pert, monkey-like expression, heavy for size.
Temperament:	Lively and alert.
Head And Skull:	Head fairly large in comparison to body, rounded but in no way domed, moderately wide between the ears. Hair on skull in roughs rather coarse. Nose always black, with large, open nostrils and definite stop between muzzle and skull. Relatively short, wide muzzle, neat lips, with good turn-up. Chin prominent, in roughs furnished with a beard.
Eyes:	Black rimmed, very dark, round, clear, alert and not too large.
Ears:	Semi-erect, high set, the smaller the better.
Mouth:	Slightly undershot with even teeth, not showing teeth or tongue.
Neck:	Medium length, slightly arched, springing from well laid back shoulders.
Forequarters:	Chest rather wide and deep, legs straight of medium length and bone.
Body:	Short back, level from withers to tail root, neither roaching nor dipping; deep; well-sprung ribs; short, strong loin.
Hindquarters:	Well muscled thighs of good length, hocks low to ground, turning neither in nor out, stifles well bent.
Feet:	Small, thick, cat-like with black toenails.
Tail:	Docked: Docked short, high set, emerging at right angles from the level topline. Undocked: High set, emerging at right angles from the level topline. Of moderate length, curved gently over back when moving.
Gait/Movement:	Free with good drive from rear. Moving true coming and going. High stepping front movement undesirable.
Coat	Roughs, harsh, wiry, free from curl, preferably with undercoat. Smooths, short and tight.
Colour:	Clear red, black or black and rich tan without white markings. In clear red, a darker shade on mask and ears desirable. Ideally each hair should be an even red from tip to root. Frosting on muzzles of mature smooths should not be penalised.
Sizes:	Weight: from 3.2-5 kgs (7-11 lbs) most desirable 3.6-4.5kgs (8-10lbs)
Faults:	Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.
Notes:	Male animals should have two apparently normal testicles fully descended into the scrotum.

Luncheon

2025 Trophies

When I was growing up, Mum didn't like ornaments. They were dust collectors. It was, however, a whole different matter when it came to her Griffon figurines. That's because most of them were gifts from people whose opinions and expertise she most respected.

During the formation of the Griffon Bruxellois Club of Victoria, Mum was a constant letter writer to those who were more knowledgeable than her.

Through them developed friendships and when either Mum or Dad went to England or her friends came out to Australia, tucked in the luggage somewhere was a precious Sylvia Smith creation or similar.

These little ceramic Griffons are part of history of both my family's relationship with Griffons and the Club. (Robin Simpson)

***Lorraine Clark's trophies were all from Sylvia Smith**

See next page for details about Sylvia Smith. Her creations are much sought after and very hard to source today, so all class winners who take home a Sylvia Smith ceramic today are very lucky indeed.

The cold cast bronze ones (big and small) I purchased in California at [Dannyquest](#) in 1995
They still make various dog statuettes.

The bell I purchased later from Sylvia Smith. (England).

The others were trophies from a Champ Show.

They were purchased for the Club by Lorraine Clark while she was in England.

Beth Canavan

Sylvia Smith English Ceramic Artist

Sylvia Smith was an English ceramic artist known for her intricate and detailed ceramic pieces.

Her work often featured animals, particularly dogs, and she was known for her ability to capture the essence of these creatures with her art.

Smith's ceramics were handcrafted and often included unique designs, such as the "pot-pourri" bowls that featured puppies and flowers.

These bowls were a significant part of her legacy and are still sought after by collectors today.

THE POINT SCORE EXPLAINED...

For many years the Club has had two Perpetual Trophies that are known as '*The Most Successful Stud Dog on the Day*' and '*The Most Successful Breeder on the Day*'.

Whilst the other Perpetual Trophies are open for all entries at a Club Championship Show, these two are only open for those exhibitors/breeders who are *current financial members of the Club*.

For example: (these names are purely for demonstration purposes and in no way indicate any current or historical Griffon breeders)

MOST SUCCESSFUL STUD DOG ON THE DAY

'Houdini The Great White Shark' is the sire (stud dog) of two entries in the Minor Puppy Dog Class, one entry in the Puppy Dog Class and one entry in the Minor Puppy Bitch Class.

He is owned and exhibited by a current financial member. One of his progeny in the Minor Puppy Dog Class is also owned and exhibited by a current financial member, but the other entry is not. Therefore, 'Houdini The Great White Shark' can only have the one puppy that is owned and exhibited by a current financial member in the Minor Puppy Dog Class count toward his score for Most Successful Stud Dog on the Day. However, his progeny entered in the Puppy Dog Class and the Minor Puppy Bitch Class are both owned and exhibited by a current financial member and will count towards his score.

The allocation of points is as follows: 3 for a first place in the class, 2 for a second place and 1 for a third place.

Hypothetically, let's say that the eligible Minor Puppy Dog is second in his class. 'Houdini The Great White Shark' receives 2 points entered against his name on the Point Score tally sheet.

Fortunately, both the Puppy Dog and the Minor Puppy Bitch win their respective classes, earning 'Houdini The Great White Shark' an extra 6 points. As he has not sired any other eligible puppies entered in the show, he finishes with a total of 8 points.

Even though 'Houdini The Great White Shark' is also entered in the show in the Open dog Class, his sire was bred and is owned by a non-current financial member. Therefore, his sire is ineligible for the Most Successful Stud Dog trophy and his sire's breeder is ineligible for the Most Successful Breeder trophy.

All the eligible stud dogs with eligible progeny will have been entered on the Point Score tally sheet prior to the day, and, depending on their class placings, will have been allocated points accordingly. At the end of the show, all the points for each stud dog are added up and the stud dog with the most points wins the trophy.

*Please note Griffons entered in the challenge classes eligible for points are the only dogs included in the tally.

MOST SUCCESSFUL BREEDER ON THE DAY

Henrietta Dyson is a registered breeder and exhibitor with Dogs Victoria or her state equivalent. She is also a current financial member of the Club. She is the breeder of the litter of Minor Puppy Class entries that were sired by 'Houdini The Great White Shark'. When the eligible puppies won their respective class placings, Henrietta was also allocated points on the Most Successful Breeder tally sheet.

Again, it is 3 points for a first place, 2 points for a second and 1 point for a third place. Therefore, Henrietta has 5 points entered on the tally sheet. Because Henrietta has eligible entries in some other classes, she is allocated points on the tally sheet according to those entries class placings.

Each eligible breeder's points are added up at the end of the show and the breeder with the most points wins the trophy.
