RISK MANAGEMENT

Safety Briefing for Retrieving Trials

Trials are held over undulating and hazardous terrain. It is suggested that sturdy footwear and clothing be worn to reduce the possibility of scratches or injury. As with all outdoor activities it is suggested competitors and spectators have appropriate clothing for the weather and take due care when moving around the trial site. The environment, animals and wildlife can be inhospitable. Remain alert, particularly for snakes as these can remain active even in cooler weather.

Trials are located near water. If you cannot swim take care around the water. If you have children in your custody, it is your responsibility to ensure the safety and welfare of the children at all times.

Equipment used in trials is mechanical and if used incorrectly could cause injury. Competitors are expected to assist with steward roles during the course of the trial. If you are unsure regarding the operation of the equipment please advise committee so that appropriate instruction can be provided.
