Judge: Mr. Paul Scanlon
(Ireland)

Get to know your judge...

Mr Paul Scanlon (Ireland)

Paul began in the world of dogs and dog shows when he was aged 16 in Dublin. The first breed he was involved with and exhibited were Irish Setters. Paul first became involved in Miniature Schnauzers in 1988, whilst handling dogs for friends and he became a co-owner in 1989.

Paul has owned and co-owned many Champions in Ireland, including an Irish Kennel Club Dog of the Year and 5 All Breed Best in Show winners. He has also owned/co-owned and campaigned 3 Champions in the UK with three Crufts BOB wins, including a Group 2 at Crufts. His Miniature Schnauzer male took Best in Show at the most important show of the year in Ireland, the IKC Celtic Winners show and was the Top FCI Group 2 dog in Ireland for three years straight.

Paul's judging career began in 1986, at smaller shows in Ireland, and he awarded his first Green Stars to Irish Setters in 1986. He is now qualified to judge 7 FCI Groups and Best In Show under the FCI system. Paul has judged widely across Ireland, together with Spain, USA, Iceland, Holland, Poland, Austria, Portugal, Norway, Finland, UK, Luxembourg, Sweden, Denmark, Lithuania, Germany, Italy and Estonia.

Paul was a founding member of the Miniature Schnauzer Club of Ireland and served as Chairman of the club for almost 20 years. He was also the founder of the Junior Handlers Association of Ireland as a teenager and has served as both President and Vice President of the JHAI. Paul was elected to the position of Honorary Show Secretary for the Portadown Canine Club in Northern Ireland for the annual All Breed Championship show for six years and was the club's Irish Kennel Club delegate for that time and he has previously been Club Secretary for the Swords and District Canine Society in Dublin.

He was elected to serve on the IKC Judges and Education Committee in 2018 and is currently in his sixth year serving the committee and has been Vice Chair on the committee as well as being Show Secretary for the Cloghran All Breed Championship show 2024 run by the J and E Committee. He is currently the representative for The Schnauzer Club of Ireland at the Irish Kennel Club Council meetings.

Paul is a dog show journalist and photographer and owner of the Our Dogs Ireland publication and also contributes to the UK publication Our Dogs. Paul is renowned for his outstanding ring manner and approach to both dogs and handlers. Melbourne Royal welcomes Paul on his very first visit to Australia.

Breed Standard

General Appearance:	A cobby well balanced, square little dog, giving appearance of measuring the same from withers to tail root as from withers to ground.
Characteristics:	Smart little dog with disposition of a terrier. Two varieties rough coated, Griffon Bruxellois and smooth coated, Petit Brabancon. Both with pert, monkey-like expression, heavy for size.
Temperament:	Lively and alert.
Head And Skull:	Head fairly large in comparison to body, rounded but in no way domed, moderately wide between the ears. Hair on skull in roughs rather coarse. Nose always black, with large, open nostrils and definite stop between muzzle and skull. Relatively short, wide muzzle, neat lips, with good turn-up. Chin prominent, in roughs furnished with a beard.
Eyes:	Black rimmed, very dark, round, clear, alert and not too large.
Ears:	Semi-erect, high set, the smaller the better.
Mouth:	Slightly undershot with even teeth, not showing teeth or tongue.
Neck:	Medium length, slightly arched, springing from well laid back shoulders.
Forequarters:	Chest rather wide and deep, legs straight of medium length and bone.
Body:	Short back, level from withers to tail root, neither roaching nor dipping; deep; well-sprung ribs; short, strong loin.
Hindquarters:	Well muscled thighs of good length, hocks low to ground, turning neither in nor out, stifles well bent.
Feet:	Small, thick, cat-like with black toenails.
Tail:	Docked: Docked short, high set, emerging at right angles from the level topline. Undocked: High set, emerging at right angles from the level topline. Of moderate length, curved gently over back when moving.
Gait/Movement:	Free with good drive from rear. Moving true coming and going. High stepping front movement undesirable.
Coat	Roughs, harsh, wiry, free from curl, preferably with undercoat. Smooths, short and tight.
Colour:	Clear red, black or black and rich tan without white markings. In clear red, a darker shade on mask and ears desirable. Ideally each hair should be an even red from tip to root. Frosting on muzzles of mature smooths should not be penalised.
Sizes:	Weight: from 3.2-5 kgs (7-11 lbs) most desirable 3.6-4.5kgs (8-10lbs)
Faults:	Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.
Notes:	Male animals should have two apparently normal testicles fully descended into the scrotum.
