The club extends its gratitude to our sponsors:

HEALTH IS LIFE'S FOUNDATION

Royal Canin® recognises the need to address the specific nutritional requirements for gestation through to birth and lactation, and for weaning and growing puppies.

Our Birth and Growth diets are formulated to cover the critical nutritional needs by providing the most comprehensive and precise nutritional solutions for these vital lifestages.

Orivet

The benefits of DNA testing

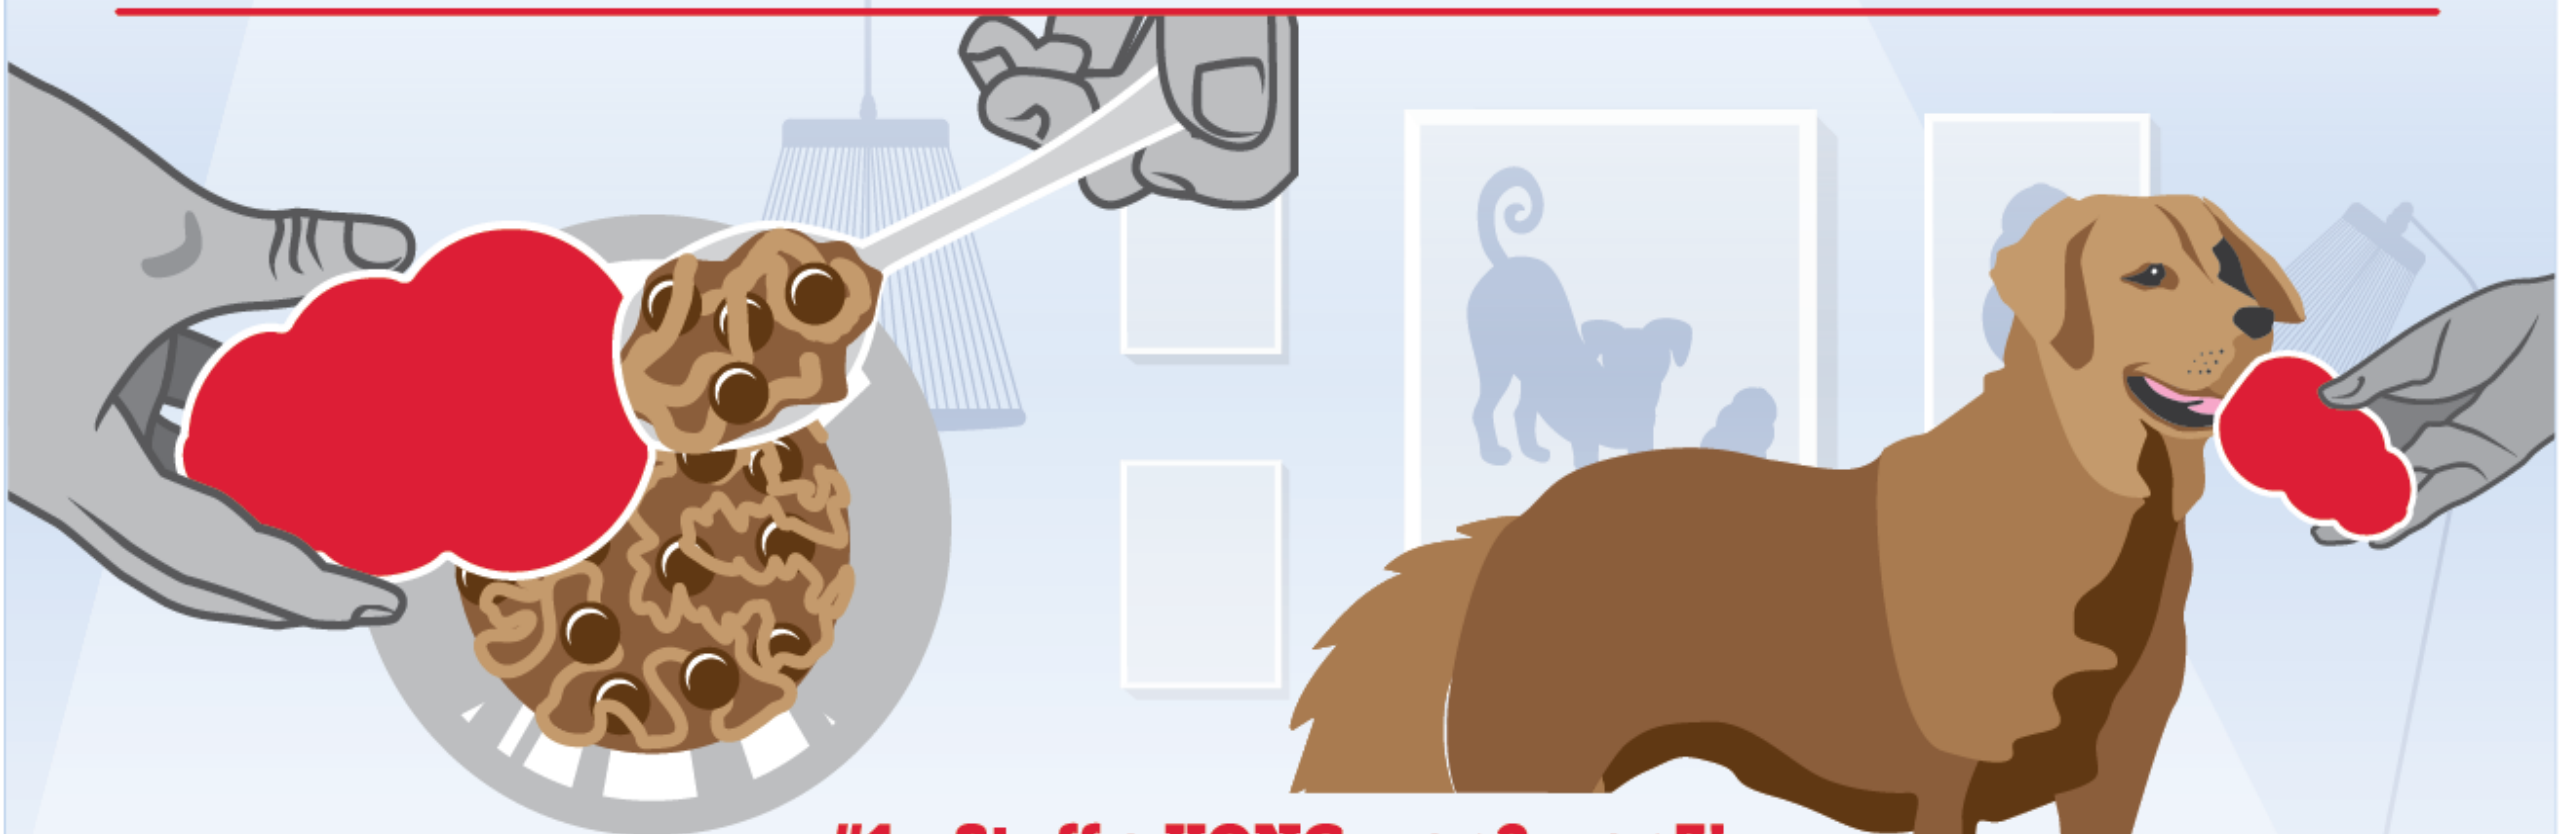

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

BOREDOM BUSTERS FOR YOUR DOG AT HOME

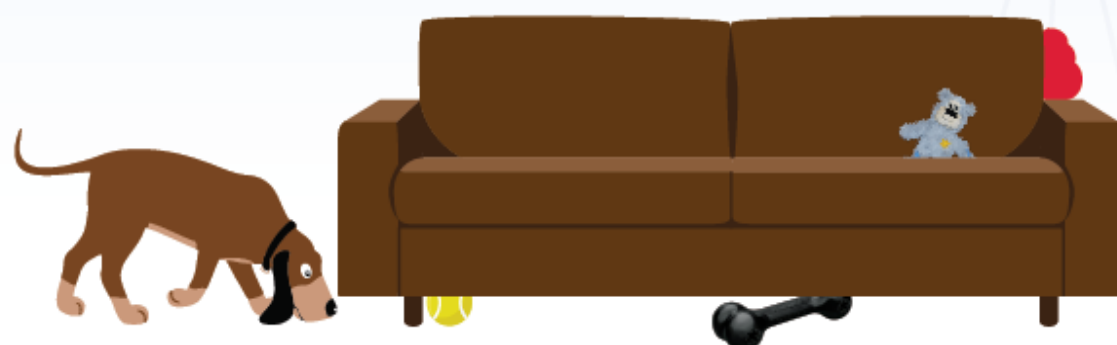

#1 - Stuff a KONG... or 2... or 3!

The best distraction is also a tasty one! Add hydrated kibble, wet food, or get extra creative with KONG stuffing recipes. Freeze a few so you have them on hand for the days ahead. They're also dishwasher safe on the top rack for easy cleaning.

#2 - Interactive Toys

Puzzle toys keep your dog's mind mentally stimulated so you can focus on your task at hand. Try swapping out their regular feeding bowl with an interactive food and treat dispenser for added excitement at meal time with a bonus of slower feeding to aid digestion.

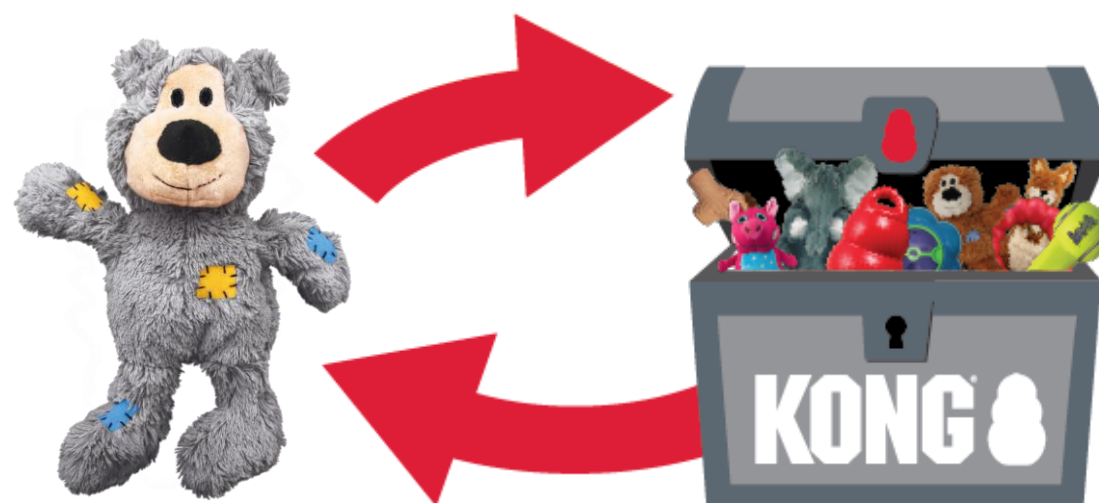

#3 - Hide and Seek

Hide your dog's favorite toys or treats around the house for them to have fun finding. You may be surprised how long it takes them to find them all! *Bonus: Hide a stuffed KONG (or 2-3) to make the game last even longer.*

#4 - Ice Cubes with Treats

Whether the weather is hot or cold, creating ice cube treats for dogs is a great way to keep them occupied for an extended amount of time. Just pop a few treats into an ice cube tray and fill it with water or broth and freeze. You can even make a giant #KONGsicle with a to-go container or dish, a few treats, and a stuffed KONG.

#5 - Rotate Toys

Introduce new toys (or old) one at a time to keep them interested. Put all others away so your dog can enjoy the toy without being overwhelmed with options. This also makes play time feel special!
