4. Trial Areas

IMPORTANT – PLEASE READ

PARKING

Parking is tight, as we need to give space to other users of the facility. There will be people arriving in “our” carpark potentially from 12PM onwards, so we have arranged sessions and check-ins to allow people to leave early if they are not competing or helping in session 2. Please park thoughtfully, to allow everyone to have the space they need.

NON-REACTIVE PARKING - please park in the general parking lot immediately to the Right after the Grounds Shed (Approx 45 spaces). Please do not take up multiple spaces.

Please allow space for REACTIVE dog parking **behind** the general carpark parking lot and near the play equipment.

REACTIVE PARKING – While we do not have a separate parking area, the spaces adjacent and behind the main parking lot are available for those with gazebos or who require more space.

In the event of rain, please do NOT park on the oval.

You may park behind the grounds shed, parking lot and tennis courts. You may need to bring silver mesh tarps and other screening for line-of-sight. If it is dry and you do park on the oval, we will need to vacate that space by 12PM due to a children's group having use of the playground and M Block.

PLEASE GIVE SPACE TO REACTIVE AND ENVIRONMENTALLY SENSITIVE DOGS

Please note that while this trial does not allow for a properly separated Reactive Carpark, reactive dog management **WILL** be offered. Dogs must remain crated unless toileting, warming up or in transit to/from the search area. You will be called up with adequate time to warm up so please do NOT queue up at the warm up boxes, or block transit paths to/from searches.

If you have a reactive dog, please let the steward know where you are parked, and if you need particular accommodations and we will do our best.

If you are requested to give another dog space, **PLEASE DO SO**. It is a small request and can mean the world of difference for another dog's enjoyment of the day <3

Thank you very much 😊

CHECK-IN TIMES

Competitor numbers have been emailed out, please print or write them out prior to arrival.

Checklists will be available for each class and session to register attendance.

- SESSION 1 (Check-in 7:00 – 7:30AM)
- SESSION 2 (Check-in 10:00 – 10:30AM). Note that Session 2 may start earlier than anticipated if we have a super efficient Session 1, but see below regarding not panicking. Provided you arrive before the class concludes you will be able to run.

If you have an entire bitch, please let whoever is at the check-in desk know for vetting (Session 1), or one of the carpark stewards (Session 2).

IF YOU ARE LATE FOR CHECK-IN, do not panic. Contact the carpark steward or judge's steward when you arrive and they will slot you into the running order provided the search has not concluded. Please **DO NOT** message or text the Trial Manager as your message will not be received in a timely manner, contact another competitor if necessary.

TOILETS

Toilets are located at the car parking end of 'C' Block and will need to be accessed from the basketball court side after lunch due to shared use of grounds.

CATERING

TBA.

AWARDS

Sashes and prize for first, second and third (Qualifying Scores only). Title ribbons available at presentation only.

PRESENTATION

Presentation will be after completion of each session. Digital pass cards will be emailed out after the trial.

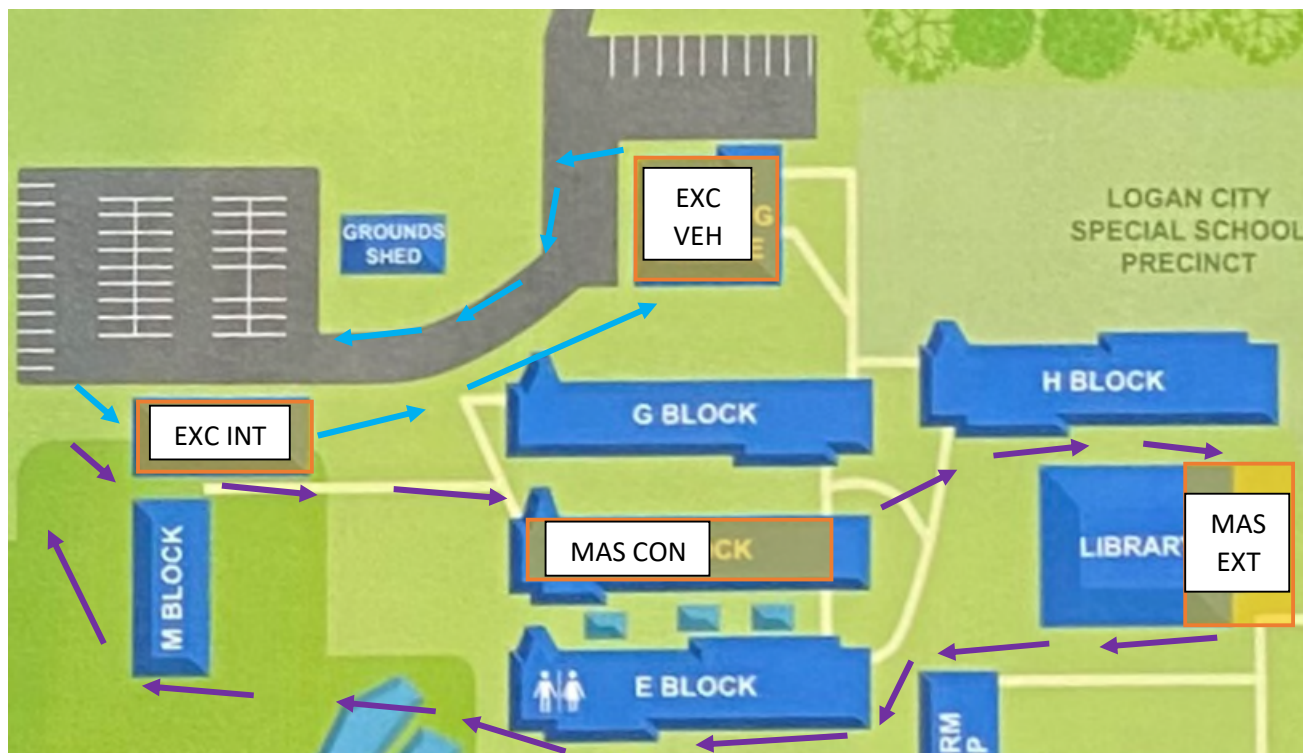

COMPETITORS

If you wish to withdraw from a class, you must notify the Assembly Steward in person. If any details in the catalogue are incorrect it is your responsibility to advise the Trial Manager as soon as possible. Pass cards will not be reprinted but will be marked up and initialled.

At all times a competitor shall be responsible for cleaning up after their dog/s. **The School bins may not be used for dog poop**, ensure you take your poop bags away with you. We are very fortunate to have access to this facility so PLEASE be very mindful of keeping clean and tidy. Excessive barking will not be tolerated – please be very mindful of the nearby residents and other competitors.

Rudeness and aggressive behaviour towards any Trial Officials or Helpers will not be tolerated.

SESSION 1 – MARSHALLING AND TRIAL AREAS

SESSION 2 – MARSHALLING AND TRIAL AREAS

HELPER ROSTER

A huge thank you to those who have volunteered to help or have had their services volunteered, or who have been conscripted.

When multiple elements are running simultaneously, there is always risk of a clash. If this is likely to happen to you, please find someone to cover your job OR if you see issues please step in and help. It takes a village to run a scent work trial, and we are extremely grateful for all the help we receive.

There will be chocolate, in addition to our overflowing gratitude <3
