Meet our judges

Barry Marion– Treebrook Bullmastiffs (SA)

Thank you so much to the Bullmastiff Club of Victoria in allowing me this opportunity to judge this show.

Bullmastiffs are my favourite breed, that is why I became a specialist judge. I feel so privileged to judge them again.

You would know our kennel prefix, Treebrook. For over 33 years my late wife Kath and I bred 35 Champions, we also had 4 from other kennels that we took to their titles. Our dogs went on to win many Group wins on to Best In Shows.

I have been fortunate to judge

2008 Bullmastiff Club of NSW Championship Show (112 entries)

2010 Bullmastiff Club of Qld Championship

2012 Bullmastiff Club of WA Championship Show Special classes

2012 Bullmastiff Club of NSW Championship Show Special classes

2017 Bullmastiff Club of NSW Championship Show

I thank you for your entry and look forward to judging your dogs!

Meet our judges

Sylvia Meekings

Thank you for the invitation to judge Property Classes at your 52nd Championship Show, such a learning experience for an aspiring judge for Group 6 Utility breeds.

My involvement with Gundogs started in 1985 with the purchase of a Wire-Haired Pointer which was used primally as my husband's hunting dog. Our dogs have always been involved with more than just conformation shows and have gained titles in tracking, retrieving, endurance and more recently scent and sprint.

I have always promoted Dual Titled dogs with many of my dogs achieving this accolade. Over the years we have also had Belgian Shepherd dogs and a Jack Russel Terrier.

I gained my Gundog License in 2016 followed by my Working Group in 2021. This year I was fortunate to gain my Terrier License and so can concentrate on the Utility group.

My working career spanned over 37 years at the University of Melbourne working in the surgery and radiology departments teaching veterinary students, now currently enjoying retirement and other passions including family, our hobby farm and travel.

Looking forward to meeting your quality dogs.

Bullgladiata Elektra

D.O.B 26/05/2016

Elektra the Queen of the house, the devil child and Daddy's baby girl. Whilst the eyesight might be failing this girl certainly keeps everyone in check.

Elektra loves nothing better then taking HER caravan away and going for a spin on HER ski boat and when the tow tubes comes out she must have her ride first.

So today she might be a little disappointed that mummy tricked her and brought her to a dog show instead, I'm sure I'll pay for this later....

Elektra blessed us with just 1 litter later in life and she was the best mumma we have ever had still this day she loves her babies 2 years on

At 9 & 1/2 years old she has everyone fooled into thinking she is tough dog but we know secretly she is just Daddy's baby.

Our little grey face what a blessing you are.

We love and adore you lekky and are grateful for everything you do.

We thank you for the wonderful memories and the ride you have taken us on.

Here's to many more with you baby girl.

Today we are proud to present Elektra as a veteran.

Meet Sweetfleet Major Tom

Loved and owned by Karen & Chris Phillips.
Affectionately known as "Uncle Tommy" to all.

He is a Big Gentle fellow who loves nothing more than socialising with any of our puppies or visiting dogs. He enjoys laying on the grass with puppies climbing over him. His beautiful calm presence and gentle affable nature that is easy going always brings a smile. Tommy was shown a few times in his younger days- but the glamour of the show ring was not for him! He has become

Chris's loyal shed companion- and takes pride of place in Chris's car for trips down the street- especially to the hardware shop where he always gets a treat off the staff.

He is well known around the town and can often be seen with his head taking up the whole car window space- grabbing some fresh air- the car often needs to be de-slimed after he has shaken his drool over all parts of the interior. Tommy certainly is well suited to the rural lifestyle and keeps a watchful eye on our property- ensuring those pesky wombats don't wander too close to the house. He once had to be rescued from our dam by Chris- as his swimming prowess is not his strong point- which was learnt the hard way after following a duck into the deep water.

He is a character that continues to bring much pleasure and joy to all of us.
