INTRODUCING

YOUR SPECIALTY JUDGE

MS. JOYCE SIDDALL

Ms. Joyce Siddall of Englewood, Colorado, is a longtime Australian Shepherd breeder, owner, handler, and judge. A graduate of Colorado State University with a degree in Equine Science, Joyce began her career as a Reproduction Specialist, breeding and showing Quarter Horses and Paints before turning her focus to Australian Shepherds.

In the early 1990s, she founded Catalina Australian Shepherds, producing multiple Best in Show winners and numerous dogs excelling in conformation, agility, rally, and obedience.

Joyce is actively involved in the dog sport community. She currently serves as President of the Front Range Australian Shepherd Association (an AKC-licensed club) and Health Chair of the Arapahoe Kennel Club. A former Secretary of the United States Australian Shepherd Association (USASA), she now sits on its Board of Directors and acts as USASA Member Club Chair, assisting clubs with specialty show applications.

Licensed to judge Miniature American Shepherds since 2017, Joyce had the honour of judging the MASCUSA National Specialty in St. Louis earlier this year. She is also a Senior Breeder Judge with the Australian Shepherd Club of America and is approved to judge 48 AKC breeds, including 15 in the Herding Group and the entire Working Group.

Joyce looks forward to judging the inaugural Miniature American Shepherd Specialty in Australia, hosted by the Miniature American Shepherd Club of Victoria alongside the Australian Shepherd Club of Victoria.

SKYEFALL
MINIATURE AMERICAN SHEPHERDS

At ECOMIME, we believe sustainable living starts with conscious choices, and that includes how we care for our pets.

Founded in February 2024 by Jin, our Founder, and Hao, our Co-Founder and Managing Director. ECOMIME was born from a shared vision: to make sustainability not just an ideal, but a daily reality through ethical, high-quality products. With climate change accelerating, our mission is clear - Help protect the planet for future generations while delivering safe, effective solutions for those we cherish most.

Our journey began with premium vegan pet care, driven by our belief that our furry companions deserve the same thoughtful self-care as we do. As pet ownership continues to grow in Australia, so does the need for gentle, cruelty-free, and environmentally responsible products. Our range is crafted to reflect these values: Natural, Kind, and Planet-friendly.
