IMPORTANT INFO!

If you are not into reading information, just scroll on by and hope you do not miss something!

BEFORE ARRIVAL AT THE TRIAL

Make sure you have printed and filled out both sides of the Sprintdog™ measuring form, if your dog needs measuring.

Read the rules- found on the Dogs Australia website. So, you understand what Sprintdog™ Trials are all about.

Equipment: Have bought all the equipment that will keep you and your dog comfortable for the day- water, towels, leads, treats, **etc**

COFFEE VENDOR

We have a vendor on site for our trial please support Emily's Coffee van coffee/food truck comes fully stocked with everything from coffee to breakfast food, snacks and lunch options.

CLEANUP

Please clean up after your dog during the day, responsibility lies with you not our club nor Dogs Victoria! There are plenty of bins available to dispose of your rubbish and your dogs.

CHECK-IN

There is a set check-in time. 7:30 am - 8 am. After this time (you cannot check in and MUST check in before close), follow these steps:

- There will be a table outside the front of the Lyndhurst Room. You will collect your number from there. The envelopes will be in alphabetical order of your surname (if you are entered under a kennel or breeder's name, remember to check for that name)
- Next, your dog will need to be measured (only if it has not been done at a prior trial). This is done inside the clubrooms. Make sure you have filled in both sides of the form and bring the dog!

VETTING

- All bitches (even desexed) need to be vetted (checked not in season or have discharge). This will be at the far right of the clubroom near the dog boxes. Make sure you have collected your number first, as it needs to be stamped as passed to the ring.

BRIEFING

There will be a briefing done by the judge at approximately 8:15, in front of the Lyndhurst Rooms. *Please* do not bring any dogs to the briefing.

SCRATCHINGS

There will be a list of numbers stuck to the pole outside the Lyndhurst Room of dogs who are scratched. (The list may also be published on the Sprintdog™ Victoria Facebook page.) Take note of these numbers if they are near your dog. This will help you get organised on time.

JUDGING

The trial will start at 8:30 am. Dogs run in numerical order. The QR code will lead you to a webpage that shows the number of the dog currently running.

- Organise yourself and your catcher to be near the gate of the off-lead area (start of the course) about 7-10 dogs before your number. i.e. if you are dog number 53, then when dog 43 is running, make sure you have sent the catcher to the finish end (catching pen) and the dog with the releaser is heading towards the start.
- Near the off-lead area is where the next 5 dogs in line will wait. The assembly steward will be there to assist and guide. Wait for their

instructions. Allow space between you and the other dogs; some dogs do not like to be too close to others respect their space.

- The Gate steward will call you up to the start line. They will open the gate for you when it is safe to enter the course.
- The Sprint Marshall will give you instructions on the start line. Listen carefully to what they say, but make sure you are always focused on the dog.
- After releasing the dog, collect your lead and ensure the dog has been caught at the finish, i.e. is not returning to you before exiting promptly.
- After all the dogs have run, there will be a lunch break, and a list of dog numbers who are ineligible for a second run will also be posted out the front of the Lyndhurst room (it may also be on the Facebook page)
- At the conclusion of the 1st run, there will be a short lunch break

Please advocate for your dogs throughout the day. Remember, some dogs become highly aroused at this sport, so give and use space as required, especially at check-in and in the off-lead area.

Do not delay the next participant by handling the video equipment. You must focus on the dog and safety. Someone else can film for you.

Also, remember that all officials at this event are volunteers and are more than willing to give advice when appropriate.

POINTS TO REMEMBER – IMPORTANT

- Each entry must have a catcher and a releaser, and both need a lead.
- Both need to be financial members of Dogs Victoria or (ANKC affiliate).
- Please wear appropriate closed-in footwear- safety first
- Collars- only one item on your dog is allowed. Dogs may run with or without a correctly fitted flat collar. They cannot run in a harness or any other restraint other than a collar.
- Dogs unsuccessful in first run - as per Sprintdog™ rules, any dog eliminated in Run 1 will not be eligible to run in Run 2. There may be time at the end of the day, and at the discretion of the Lure Drivers & Club Committee, for these dogs to have a run.
- Dogs Toileting-During the run, dogs may not stop to relieve themselves. Dogs who foul the sprint area or start box, or catching pen, will be excused and will not receive any points or qualifying certificates for the trial.
