From The President :-

It is with great pleasure the SCHNAUZER CLUB OF VICTORIA INC welcomes all to the March 2026 OPEN SHOW & CHAMPIONSHIP SHOW.

Firstly, I would like to thank our esteemed judges Maria Cave & Helen Chen, and it is exciting to have such knowledgeable judges preside over this major event. As usual we have the club's selfless officials making sure the event runs smoothly and without their efforts there would be no show. I am always grateful to the people who make this happen.

To all that entered - you are the show, thank you.
Enjoy the experience and best of luck to all.

Ralph Richardson

SCOV - Meet the Judge

MARIA CAVE I started showing and breeding Labradors with my husband Peter soon after we were married in 1982. Over the years our breeding program has made up many Australian Champions under our "Kasterlyn" prefix. We have also imported Labradors with lines going back to the world-renowned "Sandylands" kennels. Our most successful Labrador was Grand Champion Kasterlyn Dark Solitaire. Toby was a Multi Best in Show (All Breeds) winner and won many Gundog Groups and classes in group awards during his show career. He was the first Labrador in Victoria to obtain his Grand Champion title. Our most recent Grand Champion is Australian Grand Champion Silronrays Everything Cared Of (Imp France) - Remy.

In addition to Labradors, I have also successfully shown and titled Beagles.

My love for all things Gundogs led me to undertake the Judges Training Program, where I currently hold my Gundog, Hound and Working Dog Licences. I am currently studying in Utility and Non Sporting Groups.

I am extremely grateful and honoured for the appointment to judge the Schnauzer Club of Victoria Open Show 2026.

GLUTEN FREE BLACKDOG NUTRITION

Some dogs may be intolerant to Gluten which is found in wheat grains. Some foods replace all grains with other carbohydrates. We prefer to replace the wheat with healthy rice which contains important vitamins, minerals, fibre and other nutrients but no gluten so your furry family can 'eat with ease'.

Commonly used to aid in treating hip and joint pain in all dogs and especially as dogs get older. Keep 'em bouncing.

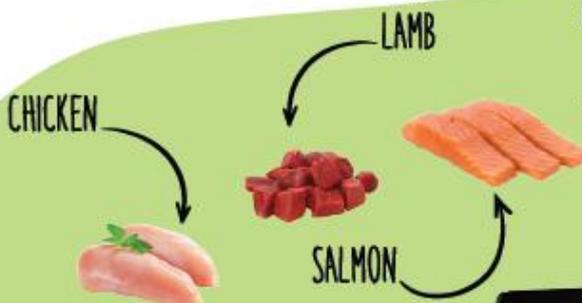

Probiotics are the 'good guy' bacteria that keep a healthy balance of microflora in the gut, which is essential for optimal health. Prebiotics support the growth of the good guys and restrict growth of the bad guys. Stress, diet, illness, medications and genetics can lead to poor gut health, so we add natural Pre's and Pro's to curb these factors and help maintain better overall wellbeing.

We have carefully included Tasmanian Salmon Oil as a great source of omega 3 and 6 essential fatty acids, including DHA to support healthy skin and a shiny coat as well as sustain brain and cognitive function in all dogs.

Blackdog Nutrition keeps it natural. No artificial preservatives, colours or flavours. Just Naturally Good and loaded with great stuff for a long and healthy life. No BS - No Nasties.

PUPPY NUTRITION AVAILABLE IN 1.5KG AND 6KG

ADULT NUTRITION AVAILABLE IN 2.5KG AND 9KG
