Presidents Welcome

Welcome back to Sydney, where the first National was held in 2000.

This year's event has been eagerly awaited; the Committee has worked hard to deliver a high-quality event. We warmly welcome our Judge Shelagh Walton (UK) who has spent many years; breeding exhibiting and judging Labradors, we are looking forward to her adjudication. We also welcome Sandra Patterson (NSW) our Property Classes Judge, Charlie Giles (ACT) Obedience and Rally and Angelika Goehring (NSW) RATG. Thank you all for the support of your National Show, especially those who have travelled from

Meet Your Judge

Conformation – Mrs Shelagh Walton, Gallybob Labradors (UK)

© I have been breeding and showing Labradors for over 40 years and have been successful in the show ring having bred champions both at home and abroad.

I have been privileged to serve on the Committees of both The Yellow Labrador Club and The East Anglian Labrador Retriever Club, attending and helping at most of the events they have organised. I served as Secretary of The Labrador Retriever Club for five years and was responsible for organising the Centenary event held in 2003 at Belvoir Castle.

I awarded Challenge Certificates in Labradors for the first time in March 1992 and have awarded 18 sets of CCs since then. Amongst the societies that have invited me are The Yellow Labrador Club, Three Ridings Labrador Club, Northumberland and Durham Labrador Club, Blackpool Canine Society, Bath Canine Society, East of England CS, Ladies Kennel Association, The Welsh Kennel Club, Paignton CS and Bournemouth CS.

I have also judged in Austria, the Czech Republic, Finland, France, Germany, Italy, Spain, Switzerland, Russia, Slovakia Sweden and the USA where I was honoured to judge the Potomac.

I am extremely interested in all aspects of Gundogs and have enjoyed attending a number of Field Trials as well as shows.

Meet Your Judge

Obedience & Rally – Mr Charlie Giles (ACT)

I became a full-panel obedience judge in 2009 and have judged extensively in NSW, Qld, Victoria, Tasmania and the ACT and, to a lesser extent, in SA and the NT.

I have judged Obedience at the 2013 Sydney Royal, the ACT, NSW, Queensland and Victorian Titles, the 2008 and 2017 National Titles and the Poodle and Border Collie Nationals and the German Shepherd Dog Nationals in 2023. I have judged numerous Rally O trials since the introduction of the sport in 2012.

Since 1995, I have trained and trialled four Tibetan Terriers, Morgan, Tyler, Ruffy and Otis. My wife, Liz, took Tyler, Ruffy and Otis to their conformation championship titles.

I am a life member of the Belconnen Dog Obedience Club and a member of the ACT Companion Dog Club. I am an active obedience trial instructor at CDC.

I have enjoyed judging Obedience at the Royal, National and State levels and am looking forward to judging Labradors Retrievers at the National level.

Wishing all competitors success at the Nationals in 2026.

Meet Your Judge

RATG – Mrs Angelika Goehring (NSW)

Angelika discovered Performance Dog Sports in 2020 and quickly developed a passion for training her Longhair Weimaraner, Maui, in RATG and Retrieving, achieving multiple titles including RATG Novice, Open and QND. Her dedication led

to major achievements such as winning the Australian Weimaraner Nationals Championship RATG Open title and the RATG NSW State Champion title in 2023, alongside many successes in various other dog sports.

In 2023 Angelika became a licensed RATG judge and has since judged trials across NSW with a special highlight of judging RATG at the 2025 German Shorthair Pointer Nationals NSW, showcasing her expertise and commitment to the sport.

“ I am truly honoured and very excited to judge the Labrador Retriever National RATG trial! “

HALL OF FAME - New Inductees

CH SANGATE COULD GET MESSI (AI)

Ajax was 1 of 13 pups – of which there were 12 boys, sired by the super Int Ch Bravo Messi and from his gorgeous dam Chill, Ch Blackboy Aint Half Hot. This was Chill's last litter, so I had always planned to keep at least 1 boy. It was such a quality litter that I ended up running on 3 boys – Dyson, Joker & Ajax. Dyson was exported to Japan and gained is Japanese title and Joker gained his Supreme title owned in partnership with good friend Anna Courtman.

Ajax nearly didn't stay as he had no interest in me at all and whenever I tried to bait train him, he'd just walk away. He was so arrogant!!! I'd say to my group of friends, "this dog is frustrating me no end, I'm not sure I'll keep him". Glenice of Blackboy would say, he's stunning you can't let him go. How right she was!! As result he never went to his first show until he was nearly 12 mths old. I learnt quite quickly that he could only be shown very sparingly, as did my good friends Kyle & Erin Charnock of Eraky where he spent 2 wonderful years. I specifically remember telling them, whatever you do don't show him too often, but most importantly don't do back to back shows, as he will show well at the first show and switch off for the 2nd show, no matter what you do. In his mind he's already done it once and will give you the filthiest look for wanting him to do it again. Ajax was entered at the double header Gundog Shows in Canberra. He was BOB at show 1 and showed perfectly, but when it came to the 2nd show, where he still picked up ResCC, I remember Kyle telling me he was like a different dog – I said "yep I did warn you lol". Regardless of this, Ajax titled very quickly with very stiff competition winning under local, interstate, international judges & at Speciality shows and picking up multi Best & R/Up In Groups along the way.

Ajax won 2 Lab Club of WA specialty Best In Shows, but my biggest thrill was when he won the Intermediate Dog Class at the 2022 Lab National held in Qld, judged by Becci Hodge (UK). Just when I thought I couldn't get more excited he then went on to win the ResCC Dog and then topped it off with Intermediate In Show. Interestingly his dam Chill won the Intermediate bitch class at the 2016 National. Ajax continued to hold his own at the following 2 Nationals, placing 2nd in Open Dog in Melbourne and 3rd Open Dog in Adelaide. It was also thrilling for Ajax to win the Sire's progeny class at the 2024 National in Adelaide and where 4 out of 6 of his progeny all made it on to the pegs.

A big thank you to all my supporters, particularly Glenice McClure of Blackboy Labradors, not only my mentor since I was 15 years old, but a very dear friend. Without Glen I would never have had this gorgeous boy and his 2 super brothers with their super Blackboy dam line.

Ajax is now retired and living a wonderful life with his forever family. Sleeping on couches, swimming at the beach daily and doing his favourite activity of fetchies.

AUST. GRAND CH. DRIFTWAY DESERT STORM

Anzac dominated the Queensland Labrador show scene throughout the 1990s, campaigned and co-owned with Mark Sheppard. A 33-time Best in Show Winner, including three Best in Specialty Shows, he also amassed more than 80 Best in Group awards and a coveted Royal Best in Show.

By just 22 months of age – well before the introduction of the Grand Champion title – Zac had already accumulated and extraordinary 1,013 challenge points. He went on to achieve an impressive career total of 3,178 challenge points.

"Zac" holds the unique distinction of being Australia's first Grand Champion, achieving this historic milestone at his very first show following the introduction of the title, fittingly with yet another Best in Group win. Beyond his remarkable show career, Zac was also a wonderful producer, consistently passing on his outstanding breed qualities to his progeny.

CH. DRIFTWAY BLACK SILHOUETTE

Zoe was a wonderful and promising puppy, who I sent to be campaigned and live with Sharon and Vicki Thomas. The following is written by Sharon "Zoe certainly made her presence felt known from the moment she landed at Melbourne Airport, barking all the way home to Ballarat. Zoe was a beautiful classic black bitch who loved the show ring and always gave 100% in the ring which she certainly passed onto her progeny. Zoe was an excellent producer: her first litter by Supreme Ch Driftway Special Envoy produced two champions as well as our Grand Champion

Laskelsa Special Request. Her second litter to American Ch Hyspire Slim Shady produced two more champions. Her third and last litter she went back to her breeder Guy, where she produced our Ch Driftway Cinders N Ash and his Bruno, Supreme Ch Driftway Trade Mark a National Best in Show Winner, multi best in group winner, multi royal best of breed winner including best in group and runner up best in show at Adelaide royal".

I would like to invite Sharon to accept this award for her Zoe and I thank her for her continued support and loyalty to our kennel over so many years.

CH. DRIFTWAY DUSKY DREAMER

Driftway Dusky Dreamer was our foundation bitch and a pivotal influence in the early success of the Driftway kennel. She marked the beginning of a remarkable breeding legacy and set the standard for excellence that would follow.

Her show career was highly distinguished. She was awarded Best Puppy at Sydney Royal in 1975 and went on to achieve Best in Group at Sydney Royal in 1977, becoming the very first of many Driftway Royal Group winners.

As a producer, Dusky whelped, one of the most notable litters of her era, producing five champions, four whom became All Breeds Best in Show winners as well as Specialty Best in Show winners.

Exuding outstanding breed type, she consistently demonstrated the defining qualities of a true Labrador Retriever. Her influence extended well beyond the show ring through her exceptional contribution as a brood bitch.

CH. DRIFTWAY STATESMAN

Driftway Statesman won over 20 All Breeds Best in Show awards and multiple Specialty Best in Show titles. He was widely recognised for his exceptional quality and remarkable consistency in the show ring.

He was also a proven producer, reliably passing on his breed type, soundness, and temperament to his progeny. We are grateful for his lasting impact and the legacy he leaves within the Driftway kennel.

HALL OF FAME - New Inductees

GRAND. CH. DRIFTWAY REGAL OAK (AI)

Scott rewrote the record books. He was an outstanding dog in every respect – as a companion, show dog, and sire – and made history as the first-ever National Winner, setting a benchmark for excellence within the breed.

His show career was exceptional, achieving 53 All Breeds Best in Show wins, 7 Specialty Best in Show wins, and earning the title of Australia's Number One All Breeds Dog in 1996 and 1998, with Runner-Up honours in 1999. He also achieved 3 Royal Best Exhibit in Show awards, 1 Royal Runner-Up Best Exhibit in Show, and 6 Royal Best Exhibit in Group awards, consistently performing at the highest level.

Respected international judge Carol Coode, when asked by English Dog World Magazine in 2014, what was the best retriever she had ever judged globally. She nominated Driftway Regal Oak and went on to write:

“The moment he came into the ring, I knew that here was my Best in Show winner, unless there was a superlative bitch out there who could beat him. A yellow dog of medium size with great balance and presence, he was superbly constructed from all angles, not overdone in any area and carrying just the right amount of weight for me. He was also one of the most toned animals I'd ever gone over. His movement was a joy to watch – true coming and going, with great reach and drive on good legs and feet, in good coat with the correct hard texture.”

Renowned for his beautiful temperament, he was eager to please and exemplified the hallmark traits of a true Labrador Retriever.

Scott made a significant contribution to both the Labrador Retriever breed in Australia and internationally, as well as to the Driftway kennel. As a sire, he produced outstanding progeny, including multiple Best in Show winners, Specialty winners, and National Winners. He was not only a National Winner himself, but also a producer and grand sire of National Winners.

CH. DRIFTWAY DANCING BRAVE

A great dog in his own right and a proven producer of quality stock. An all-breeds Best in Show winner and Specialty winner, he excelled both in the show ring and as an influential sire.

After awarding him Best in Show at the Queensland Specialty in 1994, international breed specialist from the UK, Mrs J. Pritchard, described him as:

“A big black dog of superb breed type, combining quality with balance. Exceptionally good head, masculine yet not coarse or overdone, with a lovely expression and correct eye colour. A very clean outline with good hindquarters; a dog who always shows and makes the best of himself”

His influence continued to be seen in the temperaments, quality, consistency, and type of his offspring.

CH. DRIFTWAY FOREIGNAFFAIR

A proven show dog and influential sire for the Driftway kennel, his career began memorably with a Best in Gundog Group from the Junior Class at the 2004 Hobart Royal, followed by many more significant wins. Just One of his many notable progeny is Driftway Silver Fern, a multi All Breeds Best in Show winner, Specialty winner, and 2008 Runner-Up Best in Show at the Brisbane Royal Show.

Her show career went from strength to strength, culminating in a Labrador Retriever National Best in Show in 2010. We remain grateful for the lasting impact he has had on our kennel and bloodlines.

CH. DRIFTWAY DESTINY

Destiny was a Specialty Best in Show winner and achieved multiple Best in Group wins at Royal Shows across Australia. She consistently demonstrated sound breed type and quality at the highest level of competition.

Beyond her own show career, she was a reliable and influential producer, with progeny achieving success in both specialty and all-breeds competition.

CH. & NZ. CH. DRIFTWAY CAPT MY CAPTAIN

Skipper was a dog of outstanding quality and influence, whose achievements in the show ring and lasting impact as a sire firmly secured his place in the Driftway breeding program. A Best in Group winner and All Breeds Best in Show winner, Skipper was renowned for his soundness and exceptional construction. He was beautifully made, with correct balance and substance, and was admired for his superb movement, combining reach, drive, and effortless efficiency. His presence in the ring reflected the hallmark qualities of a true Labrador Retriever.

Beyond his own show career, Skipper proved to be an influential sire, producing multiple champions both in Australia and overseas. He consistently passed on his sound structure, movement, and breed type to his progeny. Of particular significance to the Driftway kennel was his most notable progeny, Champion Driftway Sailor's Lass, herself a multiple All Breeds Best in Show winner. Her influence extended even further as the dam of the celebrated Grand Champion Driftway Regal Oak, cementing Captain's legacy across generations.

Captain is remembered not only for his own achievements, but for the lasting contribution he made to the Driftway bloodlines and the Labrador breed.
