We would like to acknowledge and welcome our Club Patrons  
**Greg Christie, Barbara Killworth, Debbie Richter**

And;

Our Cocker Spaniel Society of NSW Lifetime Members  
**Linda Kantek, Debbie Richter, Sue Mcfadden, Greg Christie, Ray Hayman, Betty  
Hayman, Stephanie Strang, Sarah Strang**

## **A Message from the President**

On behalf of the Cocker Spaniel Society of NSW I'd like to welcome all exhibitors and, of course, their Cockers!

I also extend a warm welcome to our judges, Beth Warman from New Zealand and Clodagh Fallon from Ireland.

Sadly, as with last year, one of our shows today is in memory of a long standing member. Among the early young society members was Karleen Fensom. A few years later the Royoni prefix was established and Karleen married Tom Bennett a future long term president of the Society. Royoni is a stalwart of the Society and further enriched by Linda Kantek with whom the kennel lives on. On a personal note, it was because of Karleen and also Betty Richter's support and our involvement with rescuing Cockers that we became members of the Society. Karleen and Royoni Kennels were a key part of our involvement with these dogs. With all that said the best thing to honor her memory is to enjoy the show with your Cockers.

As always, these shows could not be held without the hard work of the committee and the assistance of volunteers on the day. Thank you to all those involved.

Enjoy the day with your dogs and friends.

Best regards,  
Greg Christie - President

### ***In loving tribute to Karleen Bennett – ROSEBOWL SHOW AM***

Karleen Bennett: a life worth celebrating, her love of Cocker Spaniels!

Karleen got her first Cocker Spaniel in 1948 and became a junior member of the Cocker Spaniel Society of NSW. In 1950, the renowned Royoni prefix was established by Karleen and Tom. Karleen and Tom were staunch, active members of the Society and, throughout the decades, Karleen served in many roles.

Karleen was an office bearer, committee member, patron, president, vice president—whatever role was needed in service to our beloved breed. She was an integral part of the Society over the decades, stepping in to fill roles, establish new ones, and take action.

An amusing tale shared by Debbie Richter recalls a bus trip to the first Cocker Spaniel National in 1985, when Karleen convinced a bus company to transport 20 people and 40 dogs from Sydney to Melbourne. The trip turned heads—but the job was done!

Karleen was part of the process in the 1970s for the first production of the Society's gazettes. She explored how it could be done and created working parties to make it happen. Karleen, Tom, and her mother, Beryl, ensured the gazettes were produced. Karleen had a can-do attitude! In the early years, the Society also ran retrieving trials. Karleen and Tom arrived very early in the morning to set things up for the day, including the pigeon thrower. Their love of the breed ensured gazettes were produced, activities were arranged, and others came to love Cocker Spaniels as much as they did.

Karleen's passion for the breed led Royoni to take charge of the rescue service in NSW. Throughout the decades, Karleen, Tom, and Linda rescued Cocker Spaniels from near and far to ensure they received love, veterinary care, and a long-term family. Many were rescued from death row and cared for until a new family—one that met Karleen's criteria—could be found.

Not only was Karleen a great supporter of the Cocker Spaniel Society of NSW, of which she was a life member, she was also a life member of the NSW Women's Dog Club and the Cocker Spaniel Club of the ACT. She was a member of the Gundog Society of NSW and a proud member of the Kennel Club (United Kingdom). Karleen was also proud to be a Cocker Spaniel judge, and to have judged specialty shows in Australia and the UK.

The impact of Royoni Kennels is significant in many kennels in Australia and around the world. Royoni also invested in our breed, importing more than 15 dogs and bringing in lines from Craigleith, Classicway, Weirdene, Kendalwood, and Lindridge. Many kennels in Australia have benefited from the lines imported by Royoni.

There are more than a few special Royoni homebred dogs. There is, of course, Australian Supreme Champion Royoni He's True Blue — Bobby. Karleen believed Bobby was the best dog Royoni ever bred. He won 63 x Best in Shows , 44 x All-Breed Best in Shows and 19 x Specialty Best in Shows—including the treasured National in 2008. He was a remarkable dog and a true ambassador for the breed. Grand Champion Royoni Watch This — Jodie — was Bobby's daughter and enjoyed great success in the ring.

Australian Champion Royoni Ahead in Time — Dudley — was Bobby's sire and, beyond his own wins, sired many champions, grand champions, and supreme champions in Australia and overseas. Karleen was very proud to share Royoni lines with the UK and Finland.

Karleen was deeply devoted to our breed, always willing to support and guide others along the way. She left a lasting impression on everyone she met and will be truly missed!

*The club would like to extend our heartfelt gratitude to everyone who have donated to this event!*

COCKER SPANIEL SOCIETY OF NSW

## Meet your Judge (AM) – Ms Beth Warman (NZ)

Beth commenced judging in 1978, and qualified as an All Breeds Judge in 2002 at age 39.

Beth has judged extensively throughout New Zealand, in all states of Australia (including Hobart, Canberra and Darwin Royals), Singapore, Thailand, New Caledonia, Philippines, Norway, South Africa, Finland, Ireland, Japan, Malaysia, China, Chile, Uruguay, Argentina and Canada.

She has served on the Executive Council of Dogs New Zealand (New Zealand Kennel Club) for over 10 years (with a break), and also has served in all positions for all breeds and specialist breed clubs, and was honoured with Life Membership to Dogs NZ in 2020.

Cocker Spaniels have been Beth's life since childhood. She has bred, exhibited and imported some of the most influential and successful Cockers of our times. In the early 70s American Cockers joined the successful Corsair Kennels, and also indelibly wrote themselves into the history books.

Corsair will always be Cockers & Yankees. However, from time to time, Corsair has also campaigned, with great success, Bichon Frise, Cavalier King Charles Spaniels, Border Collies, an English Springer Spaniel, Pharaoh Hound and Long Haired Dachshunds. The Dachis have become well and truly ensconced at Corsair which began with the campaign of Australia's #1 dog all breeds 2010 and he then finished the year as #1 dog all breeds 2012 for New Zealand.

Always a keen dog photographer since the small Kodak instamatic days now of course being spoilt with digital, Beth can proudly say that her image of a Cavalier King Charles Spaniel, campaigned, by Corsair is the cover image on the AKC's 22<sup>nd</sup> edition of the New Complete Dog Book.

"I look forward with great anticipation to being part of the Cocker Spaniel Club of NSW's day and celebrating the Karleen Bennett memorial Show. My first overseas appointment was in fact for the Cocker Spaniel Club of NSW in 1989, I am thrilled to be coming to judge your Cockers once again, thank you all"

The **Cocker Spaniel Society of NSW** is grateful for our wonderful commercial sponsors

## My Antinol story

Scan to watch Honey's story

[ Honey + Anita, Antinol® 60 Days ]

Honey was struggling to walk after a beach trip where she had been energetically chasing birds. Initially thinking it was a minor injury, Anita took Honey to the vet when her discomfort persisted. The vet conducted X-rays, revealing that Honey had severe joint + mobility issues and they recommended Antinol®.

After just two to three months of the treatment, Honey has shown incredible improvement. She now behaves like a young puppy, full of energy and enthusiasm during her walks. Anita praises Antinol® for its effectiveness in improving Honey's quality of life.

Scan to watch Cudja's story

[ Cudja + Judy, Antinol® 60 Days ]

Faced with Cudja's discomfort, Judy sought help from her veterinarian. The vet initially recommended monthly injections, but Judy knew that Cudja did not like this approach. That's when the vet introduced her to Antinol®, a solution she had not heard of before.

Judy describes the positive changes in Cudja's life, highlighting how he's once again navigating their home's stairs with ease. He no longer flinches when she touches his hips, and he even enjoys the taste of the Antinol® capsules.

Our customers say excellent

# Antinol®

JOINT + SKIN + COAT

100% Natural  
Anti-inflammatory

Clinically proven to improve  
joint mobility + skin + coat health

## What is Antinol? Where do we come from?

Antinol® is a super potent natural joint + wellness supplement that is changing dogs' and cats' lives for the better.

Clinically proven to support joint health, each tiny capsule is made from a patented blend of marine lipid oils that are fully traceable, sustainably sourced and free from preservatives and fillers.

Antinol® can be used daily as a natural anti-inflammatory for joint and mobility support, skin and coat conditions, and as well as a wellness boost for those being proactive about their pet's health.

Antinol® is a powerful blend of two marine lipid extracts; researched and developed with your pet's mobility, health and happiness in mind.

EAB-277® contains more than 90 free fatty acids in the Omega-3 spectrum. Our revolutionary extraction technique combines specific lipid fractions from New Zealand green-lipped mussels and krill oil. Our blend works in nutrient synergy, producing an effect greater than if you gave these separately—helping your pet thrive.

## Discover the Antinol difference

Antinol®'s concentrated formula is:

Antinol® is clinically proven to support joint health in 90% of pets, in the case of mobility discomfort. We are confident Antinol® will help your pet too.

Unlike other products, Antinol® contains no mussel powder. Mussel powder is the by-product of our production process.

Antinol® only contains the purest oil that is 20x more concentrated than freeze-dried mussel powder.

## Why choose Antinol?

- 65M doses administered worldwide
- 100% natural anti-inflammatory
- Proven synergistic effect with NSAIDs
- Safe for long-term use
- Enhanced bioavailability
- 15+ independent peer-reviewed studies

## How many capsules daily?

**COCKER SPANIEL SOCIETY OF NSW**  
(Affiliated with Dogs NSW)

**WELCOME YOU TO  
THE 133<sup>RD</sup> CHAMPIONSHIP SHOW (PM)**

**SATURDAY 4<sup>TH</sup> APRIL 2026**

**AT  
THE BILL SPILSTEAD COMPLEX FOR CANINE AFFAIRS  
44 Luddenham road, Orchard Hills**

**Our PM Judge:  
Miss.Clodagh Fallon (Ireland)**

**COVER PHOTO: Anne O'Keefe's AUST. CH. GLENAYDEN BLACKBERRY GIN BEST IN SHOW 131<sup>ST</sup>  
Championship Show under Ms.Linda Buckley (ACT)**

This show will be conducted under the rules and regulations of Dogs NSW, a copy of which may be perused at the Secretary's office.

In accordance with Regulations Part II Show it is the obligation of any person at a show who observes a dog behaving in an aggressive manner to report the incident either orally or in writing to a member of the Show Committee as soon as possible on the day of the show.

## **A Message from the President**

On behalf of the Cocker Spaniel Society of NSW I'd like to welcome all exhibitors and, of course, their Cockers!

I also extend a warm welcome to our judges, Beth Warman from New Zealand and Clodagh Fallon from Ireland.

Sadly, as with last year, one of our shows today is in memory of a long standing member. Among the early young society members was Karleen Fensom. A few years later the Royoni prefix was established and Karleen married Tom Bennett a future long term president of the Society. Royoni is a stalwart of the Society and further enriched by Linda Kantek with whom the kennel lives on. On a personal note, it was because of Karleen and also Betty Richter's support and our involvement with rescuing Cockers that we became members of the Society. Karleen and Royoni Kennels were a key part of our involvement with these dogs. With all that said the best thing to honor her memory is to enjoy the show with your Cockers.

As always, these shows could not be held without the hard work of the committee and the assistance of volunteers on the day. Thank you to all those involved.

Enjoy the day with your dogs and friends.

Best regards,  
Greg Christie - President

COCKER SPANIEL SOCIETY OF NSW

## Meet your judge (PM) – Miss Clodagh Fallon (Ireland)

Dogs have always been a part of my life. I was fortunate to grow up surrounded by them, with my grandparents breeding and successfully campaigning Cocker Spaniels in Ireland and the UK. My grandparents, Tom and Kay Creamer, founded the Cretoka kennel in the 1960s, and throughout my childhood we always had a Cocker Spaniel in our home. They established strong connections within the breed early on and went on to develop their own line of Blue Roan, Orange Roan, and Tri-Colour Cocker Spaniels. Their dogs achieved great success over the decades, producing champions—along with CC winners in the UK, multiple group winners, and Best in Show winners. In the early 1990s they imported a beautiful bitch from the renowned Merryjay kennel, Merryjay Taste of Honey, affectionately known as Sugar.

Tom and Kay judged extensively throughout Europe, Asia, America, and Australia, and were hugely influential figures in Irish Gundog circles. My grandfather served as captain of the Irish Gundog Team, which included members from every part of Ireland and enjoyed considerable success at the Game Fair across many years. Both Tom and Kay were founding members of the Irish Gundog Field & Show Society, a club that continues to thrive today. Tom later became the first President of the Irish Kennel Club, a position he held for many years with great dignity and pride.

My own journey into the dog show world began early, as a junior handler showing Cocker Spaniels at annual club shows. As I grew older, I handled my Nana's Cockers when

she was no longer able to do so. At 18, determined to forge my own path and establish my own name in the dog world, I chose a different breed—much to my grandparents' disappointment—and began showing Pugs.

Despite that, my heart has always remained with Cocker Spaniels. I became Secretary of the Dublin Cocker Spaniel Society, taking over from Jackie Knowles as she moved to Australia. I held the position for around ten years, working to strengthen and advance the club each year by organising Breed Championship Shows, inviting highly respected specialists from Europe and the UK, running non-championship shows as training grounds for new judges, and hosting seminars to educate aspiring judges. I always sought the highest calibre of speakers, including my Nana Kay, considered by many the doyen of Cockers in Ireland. There was nothing she didn't know about the breed, and I am grateful that she passed so much of that knowledge on to me.

Thanks to her guidance, I have been fortunate to judge the breed at national and international shows, as well as at breed club shows and spaniel specialties both at home and throughout Europe. Outside the ring, I remain very active in organising breed education seminars across a number of breeds and am always happy to assist any club undertaking such work. Over the past decade I have been elected to the Irish Kennel Club Judges Committee many times, and in 2024 I was honored to be elected Chair of the committee

## My Antinol story

Scan to watch Honey's story

[ Honey + Anita, Antinol® 60 Days ]

Honey was struggling to walk after a beach trip where she had been energetically chasing birds. Initially thinking it was a minor injury, Anita took Honey to the vet when her discomfort persisted. The vet conducted X-rays, revealing that Honey had severe joint + mobility issues and they recommended Antinol®.

After just two to three months of the treatment, Honey has shown incredible improvement. She now behaves like a young puppy, full of energy and enthusiasm during her walks. Anita praises Antinol® for its effectiveness in improving Honey's quality of life.

Scan to watch Cudja's story

[ Cudja + Judy, Antinol® 60 Days ]

Faced with Cudja's discomfort, Judy sought help from her veterinarian. The vet initially recommended monthly injections, but Judy knew that Cudja did not like this approach. That's when the vet introduced her to Antinol®, a solution she had not heard of before.

Judy describes the positive changes in Cudja's life, highlighting how he's once again navigating their home's stairs with ease. He no longer flinches when she touches his hips, and he even enjoys the taste of the Antinol® capsules.

Our customers say excellent

# Antinol®

JOINT + SKIN + COAT

100% Natural  
Anti-inflammatory

Clinically proven to improve  
joint mobility + skin + coat health

## What is Antinol? Where do we come from?

Antinol® is a super potent natural joint + wellness supplement that is changing dogs' and cats' lives for the better.

Clinically proven to support joint health, each tiny capsule is made from a patented blend of marine lipid oils that are fully traceable, sustainably sourced and free from preservatives and fillers.

Antinol® can be used daily as a natural anti-inflammatory for joint and mobility support, skin and coat conditions, and as well as a wellness boost for those being proactive about their pet's health.

Antinol® is a powerful blend of two marine lipid extracts; researched and developed with your pet's mobility, health and happiness in mind.

EAB-277® contains more than 90 free fatty acids in the Omega-3 spectrum. Our revolutionary extraction technique combines specific lipid fractions from New Zealand green-lipped mussels and krill oil. Our blend works in nutrient synergy, producing an effect greater than if you gave these separately—helping your pet thrive.

## Discover the Antinol difference

Antinol®'s concentrated formula is:

Antinol® is clinically proven to support joint health in 90% of pets, in the case of mobility discomfort. We are confident Antinol® will help your pet too.

Unlike other products, Antinol® contains no mussel powder. Mussel powder is the by-product of our production process.

Antinol® only contains the purest oil that is 20x more concentrated than freeze-dried mussel powder.

## Why choose Antinol?

- 65M doses administered worldwide
- 100% natural anti-inflammatory
- Proven synergistic effect with NSAIDs
- Safe for long-term use
- Enhanced bioavailability
- 15+ independent peer-reviewed studies
