**Julie B. ★★★★★**

My pug Penny who does agility was running very sluggishly. She also refused a jump in training so I took her to AHT for assessment. It turned out she had a sore back - her hair "shivered" when a finger was run along her spine. After a couple of days on Canine Vital Spinal Health she was happily jumping hurdles again. Thank you very much!

**Andrea M. ★★★★★**

Our adored 10 year old Ned has been on Joint Protect for a couple of weeks now and he honestly has a new lease on life, it's actually amazing! Prior to being on Joint Protect he needed half a Panadol Osteo everyday, and when it was really bad Metacam - since starting Joint Protect he hasn't needed either. I know it's early days but all the signs are so so positive! So pleased to have found this magic powder 🙌🐾
