**CLODAGH FALLON
IRELAND
JUDGE**

We are thrilled to have Clodagh Fallon joining us from Ireland as our Judge for our 2nd Annual Field Spaniel Club of NSW Championship Show.

“Dogs have been a central part of my life for as long as I can remember.”

“My family’s involvement dates back to the early 1960s, when my grandparents, Tom and Kay Creamer, bred and exhibited English Cocker Spaniels under the Cretoka prefix. Over the decades, their dogs achieved remarkable success, producing champions at a time when field qualifications were required, along with CC winners in the UK, multiple group winners, and Best in Show winners. Throughout my childhood, there was always a Cocker Spaniel in our home.”

“My own journey in the dog show world began at a young age as a junior handler, showing Cocker Spaniels at annual club shows. As I grew older, I had the privilege of handling my Nana’s dogs when she was no longer able to do so. At 18, eager to establish my own identity in the dog world, I chose a different path—much to my grandparents’ disappointment—and began showing Pugs. I acquired my first Pug in 1999 and have since bred and exhibited numerous Irish, international, Canadian, and GB champions under the Clodana prefix. In 2014, our first Papillon joined us, and we have been fortunate to title five Irish champions in the breed to date.”

“I have been honoured to serve as an elected committee member of the Irish Kennel Club Judges Committee on several occasions over the past ten years, and I was proud to be elected Chairperson for 2024”

“I began judging in 2006 and am licensed to judge all breeds and Groups within FCI Groups 3, 7, 8, and 9, as well as Best in Show. I am also approved to judge Group 4 breeds. I have had the privilege of judging in over twelve European countries, many on multiple occasions. In 2025, I was delighted to award CCs in Chinese Crested, Papillon, and Pugs at Belfast Dog Show.”

I am very much looking forward to my first visit to Australia and to the opportunity to judge for the Field Spaniel Club of NSW as well as your beautiful breed.

**ALLY TURNBULL
AUSTRALIA
TRAINEE GUNDOG JUDGE
PROPERTY CLASSES**

We are thrilled to have Ally join us for our Property classes with our sashes sponsored by Fayemor Field Spaniels & prizes sponsored by Ally. Ally also judged our first SprintDog™ trials for the Field Spaniel Club of NSW in 2025 & is a vibrant member of our community.

Ally has been actively involved in the pure-bred dog world for a lifetime starting with Pugs, then the majestic Saint Bernard for over 30 years, and recently into the world of Gundogs and Clumber Spaniels (7 years).

Ally has shown Saint Bernards and Clumber Spaniels, gaining Titles and awards for both breeds. She is currently the Show Training Co-ordinator for CNCC, and enjoys the weekly classes with the handlers and their dogs. Canine performance sports is now a keen interest including, SprintDog™, Backpacking, Endurance Testing, and Scent Work.

Ally is an accredited Group 6 Judge, SprintDog™ Judge, and Trainee Judge for Group 3, and Sledding (Backpacking) – life is pretty busy with this as well as competing and training.

The Saint Bernard Club of NSW is Ally's passion & she is the current Secretary, and also actively involved in the rescue and welfare of any Saint Bernard that needs our help across Australia. As part of her fundraising this year, the club are conducting our inaugural (All breeds) ANKC Backpacking Trial in May 2026 at Belmont Wetlands State Park.

Ally says the best part of the dog world, as we know it, is volunteering: at Shows or Trials, or becoming an active Committee & Club Member. Try something new such as SprintDog™, or hiking in the State Forest with either Backpacking, Cani-hiking, or sledding. Our community is dog-friendly (goes without saying) and encouraging.

**PETER KING
AUSTRALIA
STEWARD**

We are thrilled to have Peter King as our Steward for our 2nd Annual Field Spaniel Club of NSW Championship Show.

Peter is a highly experienced Judge, Gundog & Non Sporting Group Specialist, within Australia/NZ and Internationally at full FCI/CACIB/CAC level. Peter has bred, owned, exhibited for over 35 years, judging for over 20 years. Peter is an accredited Assessor & Trainer.

Peter's interests include Conformation, RATG, Tracking, Endurance, SprintDog™ and rough shooting in winter. Peter is also a regular exhibitor at the Field Spaniel Club of NSW SprintDog Trials & valued member of our community,

Thank you to Peter for coming on board to support the Field Spaniel Club of NSW.

FIELD SPANIELS IN ACTION!

S

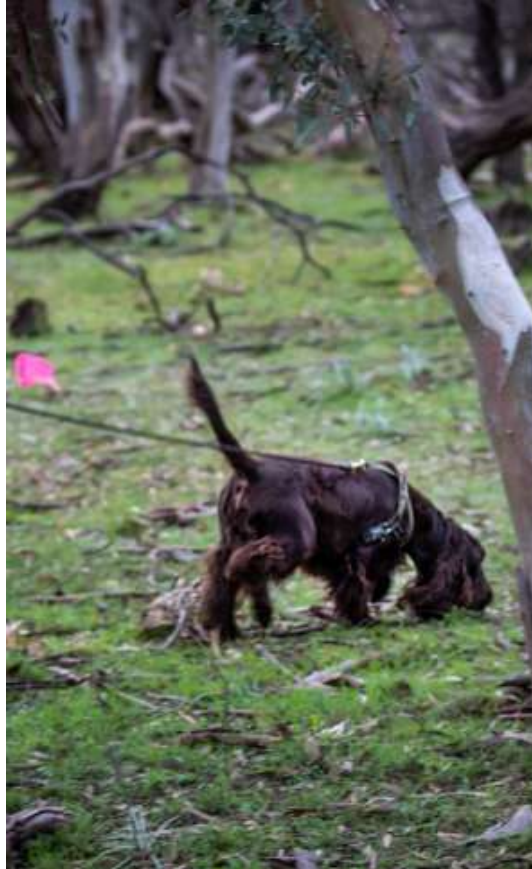

The Field Spaniel Club of NSW is Australia's first Field Spaniel Club. This club is for Field Spaniel owners, breeders and enthusiasts throughout Australia.

Our aim is to preserve and promote this rare breed, through a range of activities for breeders and owners alike, including championship shows, fun introduction days for owners (and would-be owners) and performance events including Scentwork, SprintDog and other sports.

While Australia's climate is variable and diverse due to its large size and geographical location, our Fields have adapted and are now proudly found across Australia.

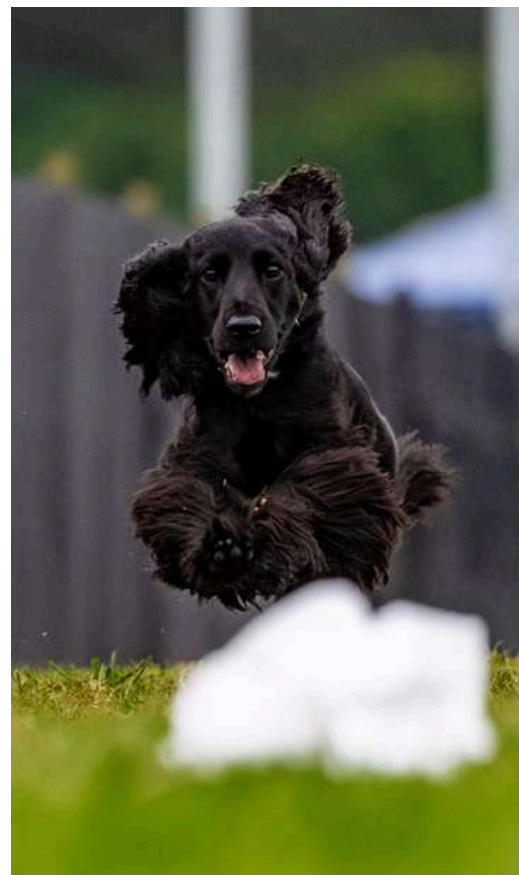

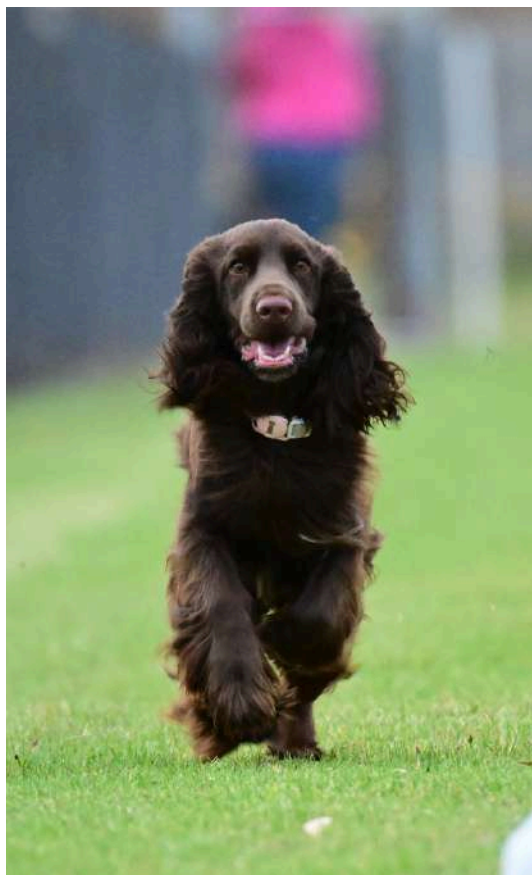

Our owners are passionate about the versatility and trainability of this breed and enjoy training and competing in most of the sports available that are recognised by Dogs Australia.

Julie B. ★★★★★

My pug Penny who does agility was running very sluggishly. She also refused a jump in training so I took her to AHT for assessment. It turned out she had a sore back - her hair "shivered" when a finger was run along her spine. After a couple of days on Canine Vital Spinal Health she was happily jumping hurdles again. Thank you very much!

Andrea M. ★★★★★

Our adored 10 year old Ned has been on Joint Protect for a couple of weeks now and he honestly has a new lease on life, it's actually amazing! Prior to being on Joint Protect he needed half a Panadol Osteo everyday, and when it was really bad Metacam - since starting Joint Protect he hasn't needed either. I know it's early days but all the signs are so so positive! So pleased to have found this magic powder
