AGGRESSIVE DOG REPORTING.

REFER REGULATIONS PART II – SHOW, SECTION 14.10

(A) IT IS THE OBLIGATION OF EACH OWNER, EXHIBITOR AND HANDLER AT A SHOW TO TAKE ALL SUCH STEPS AS MAY BE NECESSARY TO ENSURE THAT ANY DOG UNDER THAT PERSON'S CARE OR CONTROL OR FOR WHICH THAT PERSON IS RESPONSIBLE DOES NOT BEHAVE IN AN AGGRESSIVE MANNER.

(B) IT IS THE OBLIGATION OF ANY PERSON AT A SHOW WHO OBSERVES A DOG BEHAVING IN AN AGGRESSIVE MANNER TO REPORT THE INCIDENT EITHER ORALLY OR IN WRITING TO A MEMBER OF THE SHOW COMMITTEE AS SOON AS POSSIBLE AFTER THE INCIDENT.

THE CLUB RESERVES TO RIGHT TO AMEND JUDGING ARRANGEMENTS IF NECESSARY

Introducing AnnePalmer

I have been a breeder/owner/exhibitor of Siberian Huskies for over 40 years. Under the kennel name of Highlander, my husband Brian and I have produced over 100 US and international champions, multiple Best in Show winners, multiple National Specialty winners and have acquired several Sled Dog Degrees in addition to winning multiple sledding awards. We have also bred multiple Top Producing Sires and Dams.

My breed focus is on the total dog: structure, soundness, type, temperament, and working ability.

Initially, my interest was in conformation, but believing in the “total dog”, and the “working Siberian Husky”, we ran our dogs. I have served on the board of the Siberian Husky Club of America for several years in addition to several positions for our local breed and all breed clubs.

I began judging Junior Showmanship and breeds in the Working Group in 2018 and have judged multiple US Specialties. I have been invited to judge the Italian National Specialty, the Czech Republic Northern Cup, Dominican Republic All Breed shows, the Danish Club for Nordic Breeds and the Siberian Husky Club of Gauteng South Africa Championship shows.

I am honoured and look forward to judging your shows.

Anne Palmer AKC Judge #104287

Introducing Brian Palmer

My first AKC dog was an English Setter in 1968. My interest in dogs prompted my mother to get me a subscription to the AKC Gazette to encourage me to read. The seed of the world of dogs was planted in me as a child. In 1985 I got my first Siberian Husky then joined a local breed club. A year and a half later I became active in dog showing.

In 1993 I met Anne at the Siberian Husky Club of America National Specialty show in Dallas Texas. Along with downhill skiing, I dabbled in recreational dog sledding before moving to Michigan in 1995 to be with Anne.

Together Anne and I started racing our dogs and growing in the sport. Our focus is on a capable working Siberian Husky that meets the standard. We produced many champions climaxing in the honor of running the only Sled Dog Excellent (SDX) degreed dog to go Best of Breed at a National Specialty.

In 2005, we won the Lombard/Norris and Working/Showing trophies. Running on the team were national specialty winners including Best of Breed, Award of Merit, Best Sled Dog, Winners Bitch and Reserve Winners Dog. I believe this feat would be hard to duplicate.

I can't thank the exhibitors enough for the patronage to the sport and to me opening new trails and opportunities to mentor and give back to what has been given to me.

Thank you for inviting me to judge your shows.

Brian Palmer

Proudly Australian. Passionately Animal-Focused.

It all started in 1992 with a man named Joe and his frisbee-obsessed blue heeler, Mitch. When brittle plastic toys left Mitch with painful gum injuries, Joe decided that enough was enough and Aussie Dog was born.

From that first dog-safe frisbee to a now expansive range of over 30 enrichment products, our mission remains the same: to keep animals safe, stimulated, and thriving. We design toys that are non-toxic, ultra-durable, and built to engage every sense: sight, sound, smell, taste, and touch.

Proudly made in Melbourne using 100% recycled plastics where possible, Aussie Dog is committed to sustainability, innovation, and animal wellbeing. Whether it's for pets, zoo animals, or livestock, we've got enrichment solutions for creatures big and small.

If it's got four legs or lays eggs... we're here for them.

Partner with us to support safe play, healthy stimulation, and a better life for animals everywhere.

Orivet

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

The Siberian Husky Club of NSW Inc

Veteran's Parade

Riley

a.k.a AusChArcticpalace Shake That (DOB 31/12/2014)

Riley is a total dream dog. An absolute all-rounder that has proven himself in everything he does and an absolute champion in. Another word to describe him is 'time-less'. Showing and racing well into his mature years, from recently as winning the 2-dog Veteran Class at Canberra last August and Veteran in Show as well as Sled-dog in Show at the Victorian Sibe Specialty in November, we are totally broken that he wasn't able to show today, but there's always next year!

He is off fighting another battle that he didn't deserve that struck him in late February and the fact that he is still here reflects his true hallmark to the breed - stubborn-ness. To own this dog (and this breed) is something very special and an absolute privilege!

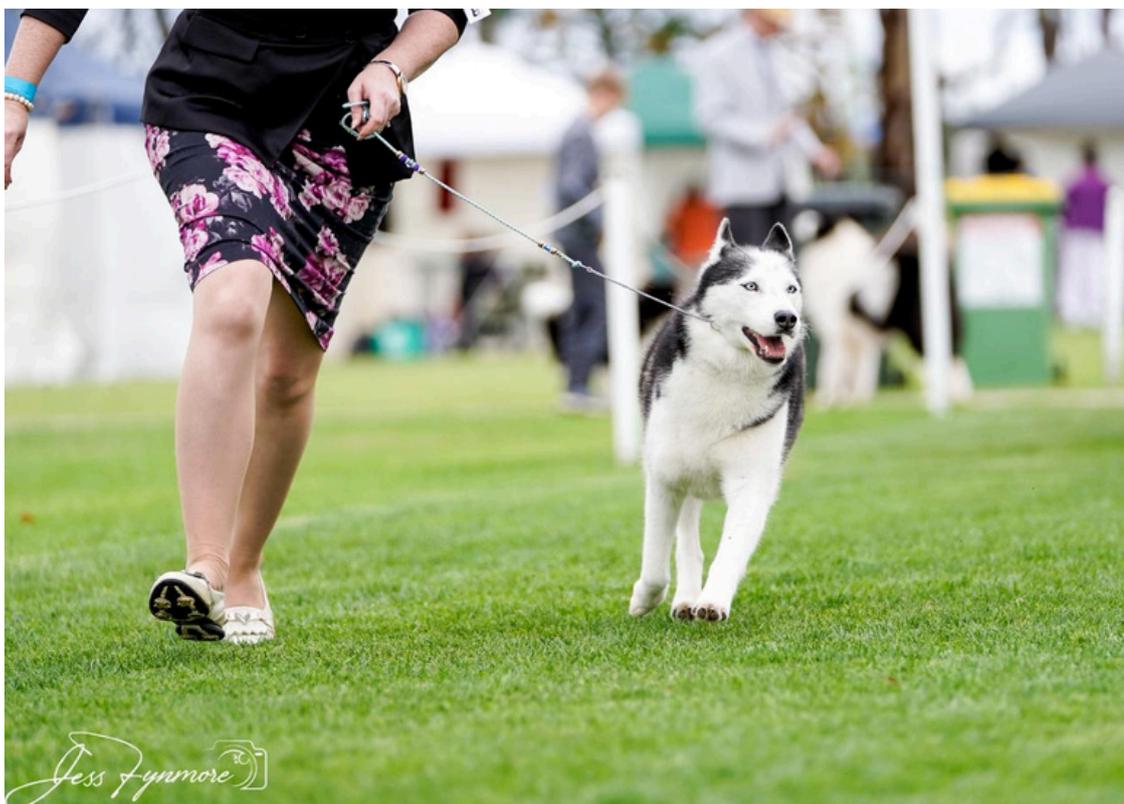

Along with his sister, Riley and Rowdy have certainly produced some amazing results and rides for us!

The Siberian Husky Club of NSW Inc

Rowdy

a.k.a Neuter Champion Arcticpalace No Excuses DOB: 31/12/2014

What can we say, Rowdy was our unexpected 'very small' surprise and was the only girl in a dream litter of 4. She surpassed the boys from being the first to open her eyes, and find her voice, and damn that voice!

Rowdy was always very much 'you may look, but don't touch' kinda girl which entertained many judges and confused a few others as her movement was to die for. Whilst she did well in the show-ring winning a R/Up BISS and going on to her Neuter Championship and many other Specialty achievements her heart was in harness with many wonderful results across many different races. Today, now in retirement she can be found happily landscaping her many 'lounging' holes around the backyard and starting a chorus when she feels it appropriate.

Rowdy today also represents her 2 baby brothers - Riley who is currently fighting lymphoma and couldn't be here today, and Skeeter who sadly crossed to the rainbow bridge earlier this week.

The Siberian Husky Club of NSW Inc

Deeks

a.k.a TUTUMAIAThe Only One DOB: 17/1/2015

Deeks enjoyed his time in the showing and did quite well for his amount of time in the ring. At about age 4 Deeks turned his head to Sledding and fell in love with it. Again, he did great and we have some lovely memories. Deeks retired 2 years ago and is enjoying his retirement in the Hunter Valley with his 2 Siberian bossy sisters and his Maltese/Shitzu sister. He goes for walks in the cooler months and to our lovely new dog park. Deeks favourite thing is his morning and afternoon cuppa and biscuit while sitting on the lounge next to his favourite person Mum
