The Yuggera night Trick Tests are limited size and intended to give teams as much space as feasible. These are Reactive Dog Friendly trials, and as much accommodation as is possible will be given provided we are aware of any issues. Please be kind and understanding towards other competitors, as our primary aim is to give every dog a chance to have fun 🟡 - - 😊

### **CRATING OF DOGS and SETUP OF EQUIPMENT:**

- Unless you are toileting your dog or walking to/from the ring, please keep all dogs crated in the designated areas or in your car.
- ONLY ONE DOG, the dog competing or in transit to/from the ring, should be out at any time.
- Dogs may be crated under cover in Ring 3, Ring 9 or Corner Ring (Red Shade) Assembly Area.
- Please do not set up your car or crate behind or immediately beside the ring where judging is to take place.
- The equipment pack up / set up time is used as a buffer between competing dogs.
- The next competitor may set up their equipment while the previous competitor is taking their dog back to their crate/car.
- You may leave your equipment in the Assembly Area 1 after it is checked by the judge.

### **PARKING**

**Parking between the Upper and Lower Rings between the Judge's training room and the toilet block is reserved for teams working out of their car (i.e. not external crating).**
