

Times:

Saturday: Set up 1pm

Vetting 2pm or after set up
Start 3pm or finish of vetting

Sunday: Set up 5am

Vetting 6am or after set up
Start 7am or finish of vetting

ALL competitors are expected to help. The run must be set up & pulled down both days due to certain members of the general public interfering with any gear left out on the park. Vetting will not begin until such time as the chute has been set up by everyone. No presentations will occur until such time as everyone has packed down the chute & gear.

Basic rules for the trial.

- All Competitors **MUST** check in all dogs competing. If you do not check in, you will be marked absent, and all paperwork will reflect this, you will not get to run.
- All dogs will need to be height measured. If your dog has previously run at a SprintDog™ event, they do not need to be measured again **HOWEVER** if they are an entire bitch they must be presented for vetting. Please do not bring your dog up to Check In if they do not need to be vet checked or measured. It's chaotic enough without multiple dogs barking and getting hyped up.
- Once all dogs have been checked in and height measured, there will be a brief introduction and quick rundown on rules and how the trial will run.
- Please ensure you have someone to release or catch your dog. No Official will be catching your dog for you. No dogs to be recalled after their run back to the start line unless directed to by the Sprint Master. Your catcher/ releaser **MUST** be a financial member of a Dogs Australia state body and 16yrs and over. There is no wiggle room, it is a rule, they must be financial members.
- There will be an exclusion zone around the track, no dogs, or people within this zone at any time. You will be warned once, after that your dog will be excused.
- No check chains allowed on dogs entering or exiting the Sprint Zone. Please ensure you do not have a check chain on your dog before entering or leaving the track.
- Dogs may wear a flat collar, no tags etc can be hanging whilst the dog is running. If your dog's collar has hanging tags and you would like them to wear the collar during the run, tape the tags flat to the collar please. Harnesses, halties and martingale collars cannot be worn whilst running.
- If your dog runs with a lead attached regardless of how short it is, your dog is excused for the entire trial. Make sure you release your dog from the lead.
- You can encourage your dog. Catchers may call, have a squeaky toy, dance, whatever will work to encourage your dog to run the track, however if you or your dog drop food your dog may be excused, so please don't take food in unless in a sealed container (no food is by far preferable)

- This is an official trial, the rules of SprintDog™ must be followed. If you have not read the rules, please do so at –<https://dogsaustralia.org.au/media/10310/19-da-sled-sports-event-rules-01-01-25v2.pdf>

Extra info:

There will be no canteen running on either day, other than for soft drinks (no food). Saturday night at check in we will be taking orders for pizza if you want in, otherwise there are plenty of food places nearby for you to grab a feed (stewards are automatically included in the dinner order). There will be no food on offer Sunday morning, but the local bakery is open from 6, and Maccas and Hungry Jacks are nearby.

SprintDog™ is a fun but fast sport. Please note that it is your responsibility to make sure your dog is warmed up & ready to run when it's their turn, and to make sure your second person is where they need to be (whether with your dog at the start, or at the end waiting to catch) when it's your dog's turn, and that you both know your dog's catalogue number. We will not be waiting for anyone when it is their turn if you're not ready. If you're not ready to run you go to the end.

We have qualifying ribbons for everyone who manages to complete both runs on that day/trial.

To get to the park – please put “Marsh Avenue Frenchville” into your GPS, if you put the name of the park into your GPS it will send you to the other side of the park, nowhere near us.

Please make sure everyone parks nice and close to each other! I cannot stress enough that the carpark is not as big as we could wish for. Don't leave half a car space between you & the next car. Also please keep the dog noise to a minimum (as much as you can... dogs will be dogs)

This is a high arousal sport. It does not matter how friendly you think your dog is, please do not let them approach any other dog, or crowd any dog in the lineup or at the finish, or even in the carpark. We do not want any incidents.

The picture of the park with the chute set up and the exclusion zone (no one is allowed past the light poles within the internal field unless their dog is running or they are stewarding) is below. Please familiarise yourself with this. The orange arrows are where your dog enters and exits (along the paths), the blue lines are the exclusion zone.
