Patron: Mr Merv Burgmann

The President and Committee of the Cavalier King Charles Spaniel Club of Victoria Inc.
Welcome all members, exhibitors and friends to our Shows.

The President and Committee would also like to express their appreciation to all who have
donated sashes and trophies.

**Judging will commence at 9:00 am Baby Puppy Dog, followed by Baby Puppy Bitch and
then Best Baby Puppy in Show, then all breed classes.**

Neuter Classes will be held prior to Best in Show judging.

Prizes will be distributed after judging has concluded.

The Club wishes to thank the Judges, Stewards, and all who have contributed to the
successful conduct of this Show.

Mrs Lorraine Liong "Arroline Cavaliers " (UK)

As a child I looked after a relatives Cavalier for about a year. When 'Charlie' returned home I was heartbroken and promised myself I would have one when I had my own home.

We moved to Wiltshire in the UK in the early 2000s and it felt the time was right. 'Domino' a Tricolour boy came home and ended up being the first dog we showed. Helen and I started showing in 2004 and registered our Kennel Name 'Arroline' in 2005. From that point forward we were hooked!

Showing this beautiful breed is our hobby and in recent years we have done very well with our small show team. We have made up three homebred UK champions, won 21 Challenge Certificates (CC's) two of which were gained at Crufts.

Ch Arroline Honeysuckle JW ShCM was our first champion. Her daughters Ch Arroline Euphoria JW and Ch Arroline Eclipse JW followed on and Eclipse is the first cavalier to have won a CC out of the Minor Puppy class. She went onto win 6 best puppy awards including Crufts and the UK Cavalier Club Show making her the UK Top winning Tricolour puppy ever.

I am secretary of Marlborough and District Canine Society, our local dog club, and have run their successful May Day show for several years. Helen and I also run our weekly ringcraft training sessions which are well attended.

I have been judging Cavaliers and other toy breeds since 2010.

I am excited and looking forward to my judging appointments. I would like to thank you for inviting me and am looking forward to the opportunity to judge in Australia, New Zealand and later on in America this year.

Lorraine Long

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

Cavalier King Charles Spaniel Veteran's Parade 2026

Ch. Lakeisha Lord Spencer (Blenheim) - Spencer

Breeder/Owner: Michelle Creek

5th March 2016

Spencer was the long-awaited puppy after three unsuccessful attempts at getting his mum, Kensi pregnant. He was successfully campaigned to his title, winning in group awards along the way. But his winning role has been to worm his way into my heart and onto my bed each night. He is the patriarch in our home and hopefully passing on his wonderful healthy genes with a clear heart and eyes at 9 years of age. His great granddaughter is being shown this weekend.

MBIS MBISS Sup Ch Dapsen Flying High (Blenheim) - Elliott

Breeder/Owner: D & A Petersen

6th August 2015

Elliott's show career started with Best Baby Puppy In Show wins at his debut All breed and Specialty shows, both under long time Cavalier Specialists. He was a Supreme Champion at 20 months of age, the youngest Cavalier at that time to achieve the title. He achieved so much at all breed show winning in excess of 50 Best In Group awards and many BEST IN SHOW and Runner-up Best In Show wins. Elliott won Royal Best of Breeds at Sydney, Brisbane, Canberra, and Hobart Royals, he then went on to win Best in Group at Brisbane Royal, Gr 2nd and 3rd at Sydney Royal, and RUBIG at both Canberra and Hobart Royals. His record at specialties included 11 Specialty CCs, Multiple specialty Best In Show and Runner Up Best in Show wins. Elliott's final show of his career was a Specialty Best In Show. Elliott only produced a very small number of progeny, but the litters he produced included multiple champions, a specialty BIS winner and multiple All Breed Best In Show winners, the most notable being MBIS BISS C.I.B Sup Ch Dapsen Mirror Mirror. But the best thing about "Baby Satan" is his truly amazing temperament, the "King" of Dapsen he is a most treasured pet and a joy to have around.

Ch Innesveil Loves Design JC' (Blenheim) - Angus

Breeder: Joy McInnes. Owner: Jacquie Giggins

5th June 2016

Angus had a fulfilling career with titles at both ends of his name. In conformation he received 2 BIG 2 RUBIG and multiple class in groups. He achieved a Novice BIS at a grooming competition. Angus achieved is Junior Coursing title and at 10 years old he has started his Sprintdog career and is close to his novice title.

Neut GR CH Cavalrite Sir Lancelot' (Black & Tan) - Lance

Owner: Jacquie Giggins

5th October 2014

Lance has enjoyed a long and fruitful career. He's received 2 NIS, 8 RUNIS, 35 NIG and 40 RUNIG. He has taken NISS and RUNISS for the last 3 consecutive years at the Victorian specialty. He won a BIS at a grooming competition. He is the only cavalier in Australia to receive this award.

Neut. Ch. Elreav Caramel Fudge CD RA TD (Blenheim) - Jackie

(Ch. Dapsen Destruction Man x Daventri Caramel Crème)

Breeder: Mrs Sue Reavley Owner: Lynette Milne

29th March 2013

Jackie, my first Cavalier, has been a great ambassador for the breed in various dog sports. At thirteen years of age, Jackie's main interest in life is bringing up her "little sister", the hyperactive Poppy (Elreav Turkish Delight). Jackie's day starts with zoomies and play with Poppy. Needless to say, they are best friends. Jackie is extremely tolerant of Poppy's enthusiastic behaviour. Jackie still insists on doing obedience training on a daily basis (for the treats I suspect). Jackie continues to make me laugh and I am so grateful that this wonderful girl entered my life 12 years ago.

RMulti Ch (Neuter) (R) (T) (TS) TS Gr Ch Daventri Soldier Windlow CCD RAE JD SD FS.N HTM.N ET - (Tricolour) - Soldier

(Grand Ch Daisymont Time in Motion x Daventri Midnight Tryst)

Breeder: Daventri Kennels Owner: Penny Windlow

8th April 2013

Everyone remembers my "pirate puppy". Whether it was having a quiet outing in the show ring or putting his best paw forwards in the trial ring, Soldier was my "little engine that could" throughout his competitive career. He holds titles in the sports of Obedience, Rally, Tracking, Track and Search, Agility, Dances With Dogs, and Endurance, and in 2025, he made breed history when he was granted the new Dogs Australia Multi Champion title – for dogs who hold a conformation champion title, and champion titles in three or more different sports (in Soldier's case, Rally, Tracking, and Track and Search). At 13 years of age, he is heart clear and while he has now retired from the world of dog sports, he still loves to participate in training sessions at home and is the first one up onto my lap on the couch in the evenings. I am incredibly proud of what my shy, special boy has achieved, and the trust he places in me is one of the world's most precious gifts. Thank you, Soldier, for being you.

Supreme Champion Matmor Secret Society (Black & Tan) - Sophie

(Ch Cobbets Cockney Rebel (Imp UK) x Grand Ch Matmor Poison Ivy)

Breeder & Owner: Mathew Morse & Will Henderson

10th August 2012

To have bred a bitch that has excelled in the show scene is wonderful but that fact she went on to become one the breed's most illustrious dams makes her a pearl beyond measure. Sophie needs no introduction, her success in the ring was enormous as were her antics. She has been such an effervescent show dog, in fact her tenacity and demonstrative demeanour meant she was at times rather reckless, but when on task, she was unstoppable. Not only was she the first black and tan Cavalier female to win an All Breeds Best in Show in Australia but she also won an incredible 20 Speciality CC's. To date, seven of her offspring have gone on to be Speciality Best in Show winners and five are All Breeds BIS winners as well. There are ten champions – in all four colours with five going on to achieve their Supreme Championship titles. Her offspring all possess her 'look at me' temperament, her glamour and striking outline.

Titles 2025/2026

At the end 2025/2026 the following dogs gained titles in Conformation and Performance Disciplines.

Addie owned by Jan Kelly & Clare van der Wolde gained her
Snooker Dog Title and is now known as
Ch. C.I.B.-J Clarely No Fixed Address JD. SD. SPD
Breeder: J Kelly & C van der Wolde

Addie owned by Jan Kelly & Clare van der Wolde gained her
SprintDog™ Novice Title and is now known as

Expert Grooming Article

Cavalier King Charles Spaniel

Over the years it seems the most requests for assistance with coat grooming are from the Cavalier exhibitors. This delightful breed seems to elicit all sorts of questions from all over the world. As the standard calls for a longish silky coat that is free from curl with plenty of feathering, there is a lot of scope for advice. Whilst wave is permitted, curl is not. You will want to have volume on the ears but keep the body of the coat lying closer and the featherings dried smoothly. (read more over page..)

Cavalier King Charles Spaniel

Expert Grooming Article

The different coat colours allowed also generate different techniques to keep in optimum condition. Colours must be kept rich and not allowed to fade.

You can't beat the **Plush Puppy All Purpose Shampoo** for coat shine. The **Plush Puppy Herbal Whitening Shampoo** is great for the white areas and the **Plush Puppy Deep Cleansing Shampoo** brilliant for more intense cleansing or to remove an unwanted build-up of products. Use all shampoos at a ratio of 1:5 (1 part shampoo to 5 parts water).

The Whitening Shampoo is a toning shampoo so it is effective for minimising unwanted warm tones in the coat such as yellow or rusty tones and to generally cool down reddening on a black coat.

For greater whitening use **Plush Puppy Wonder Blok**. It helps to maintain a white stain free coat. It is not a bleach and contains no harmful chemicals but high amounts of naturally sourced vegetable surfactants and glycerin. This product is designed to remove gently unwanted warm/red tones to the coat. Best used on a damp or wet coat. Gently rub into the areas required allowing time (5-10 minutes) and rinse. For maximum effects repeat or allow a longer time for this amazing product to work. As with all products take care around eyes.

With this head type and especially around those eyes, use **Plush Puppy Let's Face It Shampoo**. This is a hypoallergenic sulfate free low foaming shampoo designed just for faces. It's no tear formula features the highest quality Blue Cypress Extracts, Panthenol with Pro Vitamin B and SugaNate. These special ingredients clean, soothe, add moisture, aid healing and have anti-inflammatory benefits. A small golf ball sized amounts directly to the face and eye area allows you to thoroughly clean without causing irritation. It can also be used in and around the ears with the same benefits. Its low foaming design allows ease of rinsing, yet complete cleaning.

After shampooing, for this coat use **Plush Puppy Silk Protein Conditioner** at a ratio of 1:10 (1 part conditioner to 10 parts water - can be used up to 1:20). Apply to the dog, massage in and then rinse.

Natural Silk Protein conditioner leaves the coat with a wonderful finish, reducing static electricity and fluffiness in "fly-away" coats. It features an intensive formulation boosted with Silk Amino acids and plant extracts that bind keratin in the coat, strengthening whilst protecting against moisture loss. It assists in repairing

the coat by using herbal extracts that are rich in natural antioxidants. These are excellent for moisturising and strengthening coat, smoothing the cuticle, detangling the coat while soothing dry skin. Natural Silk Protein Conditioner restores hydration and vitality for a naturally softer, silkier more lustrous coat.

Plush Puppy T.L.C. Coat Conditioner can also be used for a Cavalier coat. This comes in a ready to use spray bottle. Use as a normal conditioner and rinse out, or as a leave-in conditioner treatment. T.L.C moisturises and detangles the coat leaving it with excellent shine. It features a sublime light refreshing coconut fragrance.

For brushing this coat, make sure you are using a moisturiser first rather than attacking a dry coat. **Plush Puppy OMG** is the perfect product for this coat. A light spray and brushing in allows complete coat refreshing. It separates the coat and leaves the most amazing finish. Use **OMG Concentrate** diluted at 1:20 (1 part OMG to 20 parts water) or **OMG ready to use**. The stronger the mix the stronger their effects. Different dogs at different coat stages means different mixtures.

Using OMG can be a one-off at shows or during the drying process after bathing. An amazing product for regular brushing also as it hydrates the coat and reduces stress and coat loss. OMG can also be used on top coats and brush/polished in for that wonderful smooth and flatness to the coat. It never builds up and never goes stringy. A must for this breed.

It is a constant discipline to remember to do the rituals of good maintenance. We can all tap-dance and fly into a panic trying to remedy a coat that is less than wonderful prior to a show but it sure is easier to have a good coat condition to start with.

Should the coat need salvage techniques just prior to a show then use **Plush Puppy Blow Dry Cream**. Add 1 tablespoon to 1 cup of water and apply to the coat. It will instantly soften and flatten an overly dry coat but unfortunately won't grow the length on those featherings for you!

For showtime grooming, you will need to do two techniques - one for the body and featherings, and one for the ears where you want more lift and fullness. The featherings should not be curly so apply **Plush Puppy Swishy Coat** at a ratio of 1 tablespoon to 500mls of water. Saturate the featherings with a liberal spray or sponge through. You can dilute further but this is a good starting point for the average coat. Variations will occur with coats so you will need to adjust this dilution rate to suit.

Using a cushioned oval **Plush Puppy Ultimate Pin Brush**, dry till $\frac{3}{4}$ dry as this won't stretch the featherings then switch to the **Plush Puppy Ultimate Anti-Static Porcupine Brush** which is an oval cushioned half bristle, half dialon brush to finish by smoothing the featherings. I use the two brushes as it is detrimental to the coat to not overly stretch hair when wet hence the use of the Pin brush first till almost dry. The Swishy Coat will help to keep the coat smooth and straight and shiny.

Now apply the **Plush Puppy Volumising Cream** at a ratio of 1 tablespoon to 1 cup water and spray well onto the ear featherings or sponge on liberally. Or use **Plush Puppy Volumising Spray** which is a 'Ready to Use' spray for quick and easy fuller coat results. Perfect either before blow-drying or used to 'fluff' up the coat at the show. A light even spray, brush in until dry or use a dryer. This is a hair thickener to add volume, not a hair stiffener and not easily detectable as it leaves the coat with a natural fuller look and feel. Just perfect for ears and anywhere requiring a bit more lift.

Use the Pin Brush to $\frac{3}{4}$ dry and either finish with the air from the dryer and your fingers for a more tousled finish. Alternatively you can complete the drying lightly with the Pin Brush for a more regulated but still loose but full finish.

Finish with a **Plush Puppy Professional Grooming Comb**. The lightweight oval shaped spine combining fine and coarse pins will reduce drag and static to the coat. Perfect for use for this breed of dog.

The picture you are trying to achieve with this breed is for a wider look to the ears so that they appear to fan forward to frame the face when alert. Now the hardest part is done and out of the way. The rest is a roll down the hill to the show. It's a good feeling to have the hard work done and the fluffing only to do on the day. Just keep those ears dry with a snood and keep the **Plush Puppy Wonder Wash** and a dryer handy for the featherings underneath when the dog pees indiscreetly. This which is a no rinse wet instant shampoo for last-minute emergencies that will clean up anything, pronto. Just spray foam with the fingers and towel off.

The show ring beckons and for the fidgety exhibitors such as myself you will have no problems finding things to do so let's make it effective. A light sprinkle of **Plush Puppy Pixie Dust** onto the brush and tapped lightly through the coat just catches the glints of sunlight or spotlight. Not too much. Your little pixie is not the glitter fairy so don't turn him into one. If you can see it when you put this on, then you have gone overboard. It does look sensational but needs a wise hand. Finally, a very light spray of **Plush Puppy Shine and Comb** onto the topline and sprayed from a distance to keep it spread lightly and effectively and you are ready to hit the stage.

At times due to various reasons including the weather static electricity can create flyaways. If this occurs use **Plush Puppy Anti-Static Coat Control**. This is a lightweight spray using the latest technology is infused with organic extracts of Witch Hazel Leaf, Linden Flower, Birch Bark and Nettle. It also adds to the protection, include a UV filter to stop sun damage and protect against heat strength for the perfect finished look of the coat. This amazing product is idea for this breed and a must for your tack box.

The Cavalier was a favourite of the Royal Courts and is a favourite of yours and many others today. He is a happy little chappy and shown to perfection with a great grooming routine, he is just something else again. He has a lot of natural ability in his appearance that just needs tender loving care. Such a wonderful breed.

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

BREEDERS CLUB

At ROYAL CANIN®, we believe that our responsibility extends far beyond providing high quality nutrition. We also support our breeders with knowledge, expertise and more.
