SPECIALTY SHOW JUDGE BIOGRAPHY MR WAYNE DOUGLAS OAM

The Irish Wolfhound Club of New South Wales Inc. is privileged to welcome Mr. Wayne Douglas OAM as our 88th Specialty Show Judge on 3rd April 2026.

Mr. Douglas is one of Australia's most accomplished and respected All Breeds Championship Judges, with a distinguished career spanning almost five decades. His deep and enduring involvement within the Hound Group, particularly with sighthounds, has earned him international recognition and the confidence of breed specialists worldwide.

Commencing his journey in the purebred dog world in 1977, Mr. Douglas developed an early and lasting commitment to Hounds, establishing himself with Afghan Hounds in 1979 under his respected "Dansn" prefix. His dedication to the preservation of breed type, structure and soundness led to the granting of his Hound Championship Licence in 1990, and for more than 30 years he has adjudicated Hound breeds at Championship level in Australia and internationally.

Mr. Douglas is internationally regarded for his comprehensive understanding of:

- Correct Hound breed type and proportion
- Functional movement and structural integrity
- Balance, outline and overall symmetry
- Preservation of breed character and purpose

As a breeder, owner and exhibitor, he has owned, bred and/or campaigned 40 Australian Champions and exhibited dogs to Specialty Best in Show level. His practical experience in producing and presenting high-quality hounds gives him an informed and balanced perspective in the judging ring.

His judging appointments have included numerous Hound and Sighthound specialties across Australia, New Zealand, Europe, Scandinavia, the United Kingdom and North America. These invitations reflect the high esteem in which he is held within the global Hound community.

Mr. Douglas' contribution to the dog world extends beyond judging to mentorship, education and the advancement of purebred dogs within Australia.

The Irish Wolfhound, as the tallest of the Hound breeds, demands careful assessment of strength, substance, balance and powerful yet effortless movement. Mr. Douglas' extensive background with large sighthounds ensures a knowledgeable, considered and breed-specific evaluation of our exhibits.

The Club looks forward to a thoughtful and rewarding critique of our magnificent breed under his experienced and respected eye.

Ch Ornumflow Easy Ryder - 02/07/2019
A & G Barrios

Sire: Ch Irishrock Aston Martin
Dam: Ornumflow Zara Lady

As with most of the dogs I have purchased, Ryder came from Sylvia Munro of Ornumflow kennels, and he was actually my daughters pick, as I had 2 to choose from. Also, Gus wanted RM Williams boots, and I needed a stud dog so we compromised and got my dog!

Ryder was a covid baby and therefore didn't really get into the ring until he was well and truely 2. He did moderately well in the ring and even won a runner up best in show at the Robertson Show. He consistently won " best headed male" at our specialties, a head he often uses to block our view of the TV. Mr Ryder (or bugalugs) as he is called, has definite ideas re bedtime and will sit on you and block all view until you get up and put him to bed. I suspect it has more to do with the bedtime treats than sleep.

He is a loving and gentle boy and finally got his championship points at the grand old age of 6 and received a standing ovation from the rest of the wolfhound fraternity present at that show. Much to the amusement of the other show people. Ryder is a pleasure to live with, and very rarely causes any trouble or fuss and we are truely blessed to have him in our lives.

PERPETUAL TROPHIES
