Thank
you

Welcome

There are a few people who have entered multiple activities over the day so there is bound to be some delays.

We will have a white board with indicative times and will be updating this during the morning. Please move quickly between sports to keep the day moving!

We have the Labrador Duck Dash happening to keep you busy.

As the Labradors have come out to play at the Obedience & Rally Trial... those little ducks have gone into hiding!

Can you help find the 15 sneaky ducks hidden around the trial grounds?

How to Play

- Fifteen little duck figurines have been hidden around the event area.
- Ducks will be placed safely out of reach of dogs and will not be hidden at a level where dogs could consume them.
- Search carefully as you wander around the grounds during the event.
- If you find a duck, bring it to Rachel Peile to claim your prize.
- Each duck can be swapped for a delicious Caramel Koala!

A Few Rules

- Please only take one duck per person so everyone has a chance to join the fun.
- Be respectful of rings, equipment, competitors, and dogs while searching.
- Ducks are hidden in public event areas only — no entering restricted or private areas.
- No ducks will be in the toilets.
- Most importantly... have fun and enjoy the duck hunting!

The Labradors are ready... but can you spot the ducks before they disappear?

Thank you all for supporting this trial. We hope you have a fabulous day!

If you have any questions on the day - my number is 0409 256 162.

Many thanks

Rachel Peile
Trial secretary

JUDGE PROFILES

Ross Carlson
(VIC)

Ross' family has always been involved with dogs well before he was born. Growing up his family had German Shepherds and Labradors. He started training his first dog, a border collie, at age 14 in 1998 and started competing in Obedience in 1999. Ross was successful with her in the field of Obedience and Agility/Jumping. He then started in Herding with a second Border Collie his passion for this wonderful sport grew.

Ross started his Judging career in 2004 moving to a full panel Judge in Herding, Obedience, Endurance and Rally. Ross has spent many years assisting aspiring Judges, sitting on various committees, and working to give back to the dog world community. Ross enjoys spending time helping new people into the sports he loves and has travelled far and wide across Australia to do so. Some highlights of his Judging include both the Sydney Royal and Melbourne Royal along with various Breed Nationals both local and Interstate. While he has judged extensively, he has also been an active participant in a wide field of competition with his Australian Shepherds.

In 2012 Ross began his involvement with Australian Shepherds and has since attained an array of Champion and Grand Champion titles in Conformation, Rally and Tracking. He has successfully bred multiple litters and continues to see success with his team under his Eliteview prefix both in Victoria and interstate. Supporting new teams to the field of competition is something Ross and his wife Renee enjoy doing and judging/competing with dogs is a fantastic hobby to have.

Ross and his family are truly committed to the dog world and actively support and work with a wide number of clubs to help run performance events both in Victoria and Interstate.

Dawn Ayton
(VIC)

My involvement with obedience started with the "oh so naughty family pet" a black lab gaining our CD Title in 1978.

Since then, my involvement with dogs has covered many disciplines, travelling overseas to attend shows, trials and numerous seminars.

I've also owned a canine swimming pool and training centre, and worked for several dog food manufacturers.

During this time, I have owned shown and trialed Dobermanns, Rottweilers and one German Shepherd.

I have had the honour of judging obedience and rally at numerous National events and quite a few Royal Shows. When time permits, I'm still out there trailing my dogs.

Goodluck, everyone today and congratulations on just being out there having fun with your dogs (especially those of you with black ones).

Dawn
