Running Order for Sporting Events

While judges will be flexible, please try and stick to the catalogue order as much as possible.

Let the stewards know if you will be elsewhere so they can get someone else.

Unfortunately, Showmanager doesn't allow the same number for the same dog across multiple events.

So please ensure you have your correct number for that dog on.

Obedience: Obedience will run CCD first and then Open.

Rally: Rally will run Masters, Excellent, Advanced and then Novice.

As there is setting up and packing down of the signs for each level you must compete while your class is set up.

Rally will be your priority to do first if you are clashing elsewhere.

Again, please let the stewards know if they need to wait for you.

RATG: Competitors will do all your events in one go to minimise needing to go back and forth.

You will do your obedience events first followed by both retrieves regardless if you don't pass the obedience part or the first retrieve.

Tricks: Tricks will be able to run out of order.
