PRESIDENT'S WELCOME MESSAGE

 The Golden Retriever Club of NSW Inc. warmly welcomes all spectators and exhibitors to our 2026 Double Conformation Championship Show. We are delighted to have you join us for a weekend, with special warm welcome to our interstate visitors, thank you for travelling to be with us.

This year, our shows are held in honour and memory of our founding and life members Fred Hession and Delma Marshall. Their lifelong dedication and passion for the Golden Retriever helped lay the foundations of our Club and helped shape the breed's development in Australia. Their legacy will forever be woven into the history of both our Club and the Golden Retriever community.

We extend our gratitude to our esteemed judges for the weekend and thank them for the distances travelled, long or short to be part of our event. Breed judges Marianne Skøtt Jespersen (Denmark) – Gembaek and Hilary Male (UK) – Malenbrook; and our Property Class judge Robyn Williams (NSW) and Samantha Lynch (NSW) our Junior Handler judge.

Huge thanks once again to our team of supporters and helpers who pull our events together. A very special acknowledgement must go to our Show Secretary, whose countless hours of planning and coordination have once again brought this weekend together. Her expertise, commitment, and tireless work behind the scenes ensure that our Club continues to deliver exceptional events. Her contribution is deeply valued and greatly appreciated.

Our sponsors have yet again made a significant contribution and we value their support and sponsorship, please support them where you can.

To all exhibitors, we wish you a memorable, successful, and enjoyable weekend with friends and your Golden Retrievers.

Be A Mentor, Leave A Legacy, Love your Dogs

Rachael Ohlrich
President

SECRETARY'S WELCOME MESSAGE

warm welcome to all exhibitors and spectators attending our Double Championship shows for 2026.

Thank you to all, that have travelled locally or long distance, to be apart of our two special shows over two days in honour and memory of our founding and life members Fred Hession and Delma Marshall.

Everyone that has assisted to ensure the weekend is a successful one, thank you. The weekend would not be able to happen with out the volunteers that donate their time.

These two shows are a great opportunity to bring us all together to share this common interest, our beloved Golden Retriever.

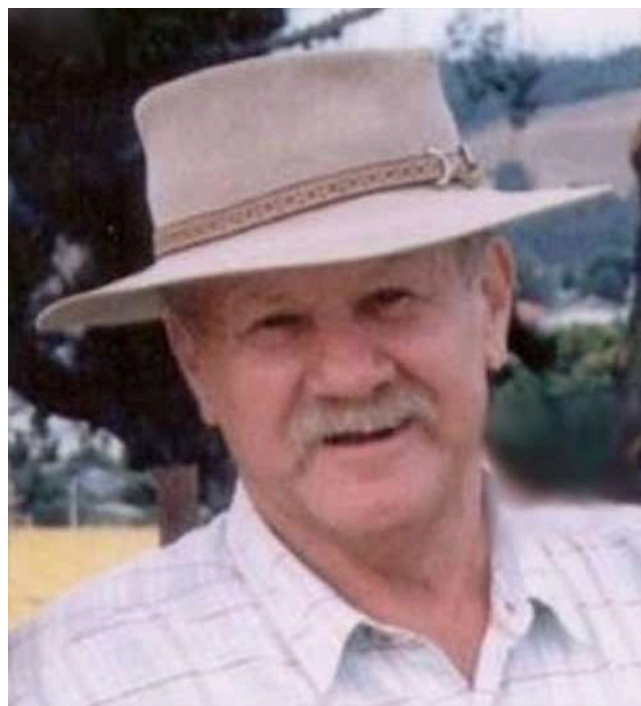

Our club wishes all exhibitors the best of luck over the weekend and safe travels on your journey. To those not showing we hope you have just as enjoyable weekend.

Sherie Irwin
Hon Secretary

Memorial Show

Saturday, 6th June 2026 | 0900am

Fred Hession's story began in November 1933. At just 21 years of age, he married the love of his life, Beryl. Together they built a wonderful family with their daughters, Joanne and Raelene. Fred was immensely proud of his children, grandchildren and great-grandson, and of all they achieved throughout their lives. In September 2025, our breed lost a true legend with his passing. Not only the Golden Retriever community, but the wider dog world as a whole, benefited enormously from Fred's passion and dedication across all facets of the canine world. The Hession name and the Goldtreve prefix are recognised and respected worldwide. Fred's journey with Golden Retrievers began quite by chance. In the early 1960s, a casual conversation at work led Fred and Beryl to visit a litter of Labradors. Instead, they found themselves captivated by a litter of a then little-known breed – Golden Retrievers. The puppy they brought home, Sherry, went on to gain both Championship and Obedience titles, and set Fred and Beryl on an extraordinary lifelong journey. From that moment, the Goldtreve legacy was born. In 1964, Fred was instrumental in establishing The Golden Retriever Club of NSW. From the Club's inception, he held numerous committee and executive positions, was awarded Life Membership, and worked tirelessly to guide and strengthen the Club for the betterment of the breed he so dearly loved. His interests within the dog world were broad and genuine – spanning conformation, obedience and retrieving – and he officiated at many shows and trials over the years. Fred's contribution extended well beyond the breed club. He was a long-serving Dogs NSW Board Member and former President, where his depth of knowledge, fairness and steady guidance were highly respected. He was also deeply involved with the County of Cumberland Kennel Association, joining in 1976, becoming President in 1994, and being awarded Life Membership in 2011 in recognition of his decades of service to the canine community. Fred and Beryl were true trailblazers, among the first breeders in Australia to import and use semen from the renowned Eng. Ch. Camrose Christopher. Their outstanding dog "Will" – Grand Ch. Goldtreve Wild N Wicked – still holds the record for the greatest number of Best in Show awards won by a Golden Retriever in Australia. Through Goldtreve, Fred and Beryl also shared their bloodlines generously with many breeders who continue to enjoy success today. Kind, humble and a true gentleman, Fred was always willing to stop for a chat. He freely shared his knowledge and experience and was especially supportive of newcomers to the canine world. Our hobby is all the poorer for his loss. His name will always be spoken with respect, admiration and a smile. His legacy lives on through the dogs he bred, the people he mentored, his devoted family, and the Club he helped build.

Marianne Skøtt Jespersen (Denmark) - Breed

Marianne Skøtt Jespersen's journey in the dog world began in 1978 when she purchased her first dog — a Golden Retriever of the old-fashioned type. Her first litter was bred in 1980, and in 1982 she established the renowned Gembæk affix in Denmark.

The foundation of her breeding programme traces back to a bitch imported from Sweden in the early 1990s, Goldsand's Sonnet of Music from the respected Goldsand Kennel. From this influential line, Marianne bred her first Full Champion in 1992 and has since produced numerous champions and titleholders throughout Europe, including Multi Champions, National Champions, Junior World Winners and European Winners.

To Marianne, the Golden Retriever should present a balanced silhouette without exaggeration, moving with ease and grace while retaining the gentle expression and biddable temperament essential to a true gundog. Soundness and temperament remain at the heart of her breeding philosophy.

Marianne has dedicated more than four decades to this wonderful breed and continues to exhibit successfully both in Denmark and internationally. Since obtaining her judging licence in 2004, she has had the pleasure of judging Golden Retrievers in several European and Scandinavian countries, and the United Kingdom. She is also an FCI judge for Labrador Retrievers and Flat Coated Retrievers.

Despite her many international appointments, this will be Marianne's first visit to Australia, and she has greatly looked forward to judging at this event.

Outside the show ring, Marianne's dogs are treasured family members, and she enjoys nothing more than beach walks with the whole pack, as much as weekends spent at dog shows.

Robyn Williams (NSW) - Property Classes

My involvement in the dog world began in 1977 when my husband and I purchased our first dog. We became actively involved in obedience training through Brush Farm Dog Training Club and quickly developed a lifelong passion for purebred dogs and the sport of dogs.

In 1980 we welcomed our first Golden Retriever, marking the beginning of my long association with this wonderful breed and my involvement in conformation showing. The first litter under the LEANR prefix was bred in 1989, and over the years I have bred multiple Champions across several breeds, including Golden Retrievers, Pyrenean Mountain Dogs and Border Terriers. My dogs have enjoyed success at both All Breeds and Specialty level, winning numerous Best in Show, Group and In Show awards, some also gained obedience titles, including one Obedience Champion.

Although exhibiting and breeding have always been important parts of my journey, my greatest satisfaction comes from breeding sound, happy dogs that become treasured family companions, with many owners returning for a second or third LEANR dog over the years. My involvement within the dog community has extended beyond exhibiting and breeding, serving on numerous club committees in roles including Secretary, Treasurer, Show Secretary, Publicity Officer and Committee Member. After many years stewarding, I began studying for my judging licence, commencing with Gundogs in 1998 before progressing through all groups to achieve my All Breeds licence in 2014. I have been fortunate to judge throughout Australia and internationally in New Zealand, the Philippines, Thailand and China. Since 2000, I have also been involved in the education of judges through the Dogs NSW Judges Training Scheme.

I firmly believe that form follows function and that all breeds should retain the soundness, temperament and characteristics necessary to perform the purpose for which they were originally bred.

Veterans Parade

Grand Champion BlueBreeze Legend of Saltire “Quest”

At nearly 13.5 years, Quest is a sensational example of longevity in our breed. Campaigned successfully to his Grand Champion title with multiple CIS along the way by his breeder, Debra Stubbings, Quest retired with Sheridan and James Pelham and has spent the last 7 years being adored as the King of our home. Quest is now fighting cutaneous lymphoma and it is Sheridan and James' deep joy to have a chance to bring him to one last show.

Neuter Grand Champion BlueBreeze Second From The Sun “Venus”

The darling of the Pelham home, Venus was Sheridan and James' first owned Golden Retriever. Her show career came later in life and she has blown us away with her success. More than 20 NIS, multiple NISS, and almost 30 RUNIS, Venus shines every time she steps into a ring. A quick friend to everyone but a best friend to Luca.

Supreme Champion BlueBreeze Hero of Never Land “The Pan”

DOB: 6/3/2016 Sire: Sup Ch Fantango Wild Oats “Toby” Dam: Ch BlueBreeze Nymph In The Woods (AI) “Angel”. THE PAN, the dog of a life time. I've been fortunate to have a number of these and Pan is one. He is the show off in our kennels, delighting visitors with his antics & tricks. A big cuddly teddy bear at heart. His show career has been a blast from the very beginning and includes multiple Best in Groups & Class in Show, Specialty Class in Show & Opposite in Show plus 2 All Breeds Runner up to Best in Show wins. He has been awarded by Breed Specialists, International & Australian judges. Pan is also a proven sire with Champion progeny.

Champion Gildengold Spinning Chorus (AI) “Chorus”

Chorus has given us 8 years, 7 months and 24 days of joy, despite a somewhat rocky start. Conceived via AI using precious semen imported from the UK, she was a singleton puppy whelped by C Section to a bitch who had no intention of rearing her, finding herself in emergency as a fading baby, more than once. Thankfully another bitch of ours whelped about the same time and immediately accepted an imposter. Then came the ugly duckling phase. We sat and waited. Chorus suddenly grew into herself as a Junior, titled easily and has since enjoyed success and thrilled us, with her consistency, at Specialties, Royals and National Shows. She is honest as the day is long and tries her heart out. She carries the never give up attitude inherited from her maternal grandsire, Gr Ch Lionsfield Walter Ladd CD RN NRA ET, the kindly soft demeanour of her sire Feli Fey Flying Dutchman and the rock solid level topline of her grand dam, Ch. Goldfleece Such is Life RN. This weekend we are competing with not only Chorus but also her son Tartan, and two third generation youngsters, Pollen and Vincent. We are blessed to have Chorus and her descendants in our Golden family.

Veterans Parade

Champion Goldbriar Elsa on Ice (AI) “Elsa”

Elsa is our matriarch at home and she celebrated her ninth birthday in March this year. She is still young at heart and has the same enthusiasm for life as she had as a youngster. Life was never dull with Elsa with her quirky habits. She never quite understood that she wasn't meant to garden, dig enormous holes, chase the rabbits with 110% enthusiasm or climb the fences just because she could. Despite her quirky habit of holding her left paw up and standing on three paws Elsa had a successful show career winning many large Best of Breeds, Classes in Group and In Show awards. She was awarded her first points as a Minor Puppy and finished off her title at 17 months of age. She always gave her best at every show. She is Grandma to the youngest member of the gang. These days she takes her neighbourhood watch duties very seriously and greets every visitor to the house with her waggy tail and bark. She is enjoying her retirement, living life her best life, sleeping by the fire and gathering all the Nyla bones she can find. She is a friend to everyone she meets. Thank you Linda and Rose for my gorgeous girl. Hopefully there are more memories to be made with my special girl. Sadly, she couldn't make it today as she has recently had a cancer removed and her recovery is not going as planned.

Supreme Champion Piarki Winstons Golden Ticket “Winston”

We all have our favourites... but shhhh, don't tell the others. Winston began his show career by licking judges, bouncing on the spot, and testing every ounce of my ability to keep his exuberance in check. What a show dog he turned out to be. He adores the ring — the laps, the cheers, and the applause he is absolutely convinced is all for him. Some of his memorable achievements: Sydney Royal Best of Breed 2021, Runner Up Best of Breed 2019, and four Reserve Challenges across 2018, 2022, 2023, and 2025; Canberra Royal Best of Breed and Runner Up in Group 2019, and Best of Breed 2024 at nine years old; Bathurst Royal Best of Breed and Gundog Group Winner 2022; Reserve CC GRC NSW 2017, Runner Up ABBIS 2018, DCC and RUBISS GRC Victoria 2025 at ten year of age; Veteran in Show – Spring Fair 2025 and more than 50 Best of Breed wins, along with countless class-in-group and class-in-show awards. It has been a journey I would travel again and again — the ultimate adventure with the best dog in the world. I am so incredibly proud of him.

Champion Chaleur Wanderlust “Prim”

Prim came to me in 2018 and ruled the house the moment she stepped off the plane. She has achieved some wonderful success in the ring, gaining her first points at just over 6 months old under international judges, following this up with Puppy of Breed at Melbourne Royal 2019 amongst large competition. A highlight was winning the BCC and RUBOB from the Junior class at Canberra Royal 2020. Other special wins include best State Bred in Show and Opposite State Bred in Show at the GRCSA's specialty shows in 2024, and Opposite Australian Bred in Show at the GRCV's 2025 specialty show. She has produced three beautiful litters, including 2 champions to date, with other progeny well on their way to their titles. Most importantly, Prim is a joy to live with. She is very much a “Daddy's Girl” and is never far from my partner, Luke. Whether visiting schools, nursing homes or simply seeking out her next belly rub, she brings happiness wherever she goes. She is the foundation bitch behind Olliana, and I will always be grateful to Ruth Thompson for entrusting her to me.

BOREDOM BUSTERS FOR YOUR DOG AT HOME

#1 - Stuff a KONG... or 2... or 3!

The best distraction is also a tasty one! Add hydrated kibble, wet food, or get extra creative with KONG stuffing recipes. Freeze a few so you have them on hand for the days ahead. They're also dishwasher safe on the top rack for easy cleaning.

#2 - Interactive Toys

Puzzle toys keep your dog's mind mentally stimulated so you can focus on your task at hand. Try swapping out their regular feeding bowl with an interactive food and treat dispenser for added excitement at meal time with a bonus of slower feeding to aid digestion.

#3 - Hide and Seek

Hide your dog's favorite toys or treats around the house for them to have fun finding. You may be surprised how long it takes them to find them all! *Bonus: Hide a stuffed KONG (or 2-3) to make the game last even longer.*

#4 - Ice Cubes with Treats

Whether the weather is hot or cold, creating ice cube treats for dogs is a great way to keep them occupied for an extended amount of time. Just pop a few treats into an ice cube tray and fill it with water or broth and freeze. You can even make a giant #KONGsicle with a to-go container or dish, a few treats, and a stuffed KONG.

#5 - Rotate Toys

Introduce new toys (or old) one at a time to keep them interested. Put all others away so your dog can enjoy the toy without being overwhelmed with options. This also makes play time feel special!

Nurturing Shampoo

A Shampoo designed to nourish and care for coat. The ingredients have been selected to strengthen and protect the coat.

Hydrolyzed Rice Protein was selected to help prevent damage and nourish the coat while Keratin Amino Acids assist in improving the condition of the coat and providing shine.

Shine Bright Conditioner

The only product you will need to bring shine to a dull, lifeless coat. A mild, light conditioner designed for dull, lifeless coats that require added shine. Lime Cold Pressed Essential Oil assists in providing not only a fresh scent but assists in adding vitality to the coat. We recommend dogs of all coat types have their coats conditioned.

Brushing Spray

The ideal grooming spray for your Golden Retriever. Apply an even mist of spray on either wet or dry coats before brushing. The unique blend of natural essential oils will help to nourish coats and calm both you and your dog while being gentle on the skin.

Other Products to consider

Squeaky Clean Shampoo - to get your dirty dog really clean and provide a good clarifying shampoo.

Coat Stimulant Shampoo - the product to use to increase coat growth.

Nurturing Conditioner - an excellent shampoo to use for maintenance bathing and if your dog has a dry coat.

Fraser Essentials Shampoo & Conditioner products are concentrated and designed to be diluted. We suggest a starting dilution rate of 1 part product to 30 parts of water, although this is dependent upon the individual dog and the coat condition. A little product goes a long way!
