GLUTEN FREE BLACKDOG NUTRITION

Some dogs may be intolerant to Gluten which is found in wheat grains. Some foods replace all grains with other carbohydrates. We prefer to replace the wheat with healthy rice which contains important vitamins, minerals, fibre and other nutrients but no gluten so your furry family can 'eat with ease'.

Commonly used to aid in treating hip and joint pain in all dogs and especially as dogs get older. Keep 'em bouncing.

Probiotics are the 'good guy' bacteria that keep a healthy balance of microflora in the gut, which is essential for optimal health. Probiotics support the growth of the good guys and restrict growth of the bad guys. Stress, diet, illness, medications and genetics can lead to poor gut health, so we add natural Pre's and Pro's to curb these factors and help maintain better overall wellbeing.

We have carefully included Tasmanian Salmon Oil as a great source of omega 3 and 6 essential fatty acids, including DHA to support healthy skin and a shiny coat as well as sustain brain and cognitive function in all dogs.

Blackdog Nutrition keeps it natural. No artificial preservatives, colours or flavours. Just Naturally Good and loaded with great stuff for a long and healthy life. No BS - No Nasties.

PUPPY NUTRITION AVAILABLE IN 1.5KG AND 6KG

ADULT NUTRITION AVAILABLE IN 2.5KG AND 9KG

★SELECTIVE HEARING ★SENIOR ZOOMIES ★BORKING AT CLOUDS ★ PROFESSIONAL NAP ENTHUSIASTS ★

**NEUT. Ch. Caleebra Cerberus(AI) N.SPRD SWA SWN
"Griffin"**
DOB: 29/12/2017

Griffin aka Griff monster is 8 years old but thinks and acts like he's only 2. He borks his way through life and has recently discovered that chasing "trash bunnies" at sprint dog trials keeps him young at heart. When he's not sprinting or showing off his sniffing skills at Excellent and Masters scent trials, he's busy launching surprise attacks on the cat. Chaos? Absolutely. Regrets? Not a single woof.

**Ch. Varulv Arn Tempelriddaren RA. TK.N. ADX. JDX.
SDX. SPDM. GD. WPD
"Arn"**
DOB: 19/11/2015

Arn is 10 1/2 years young and of course still very much a ladies' man! Arn is currently competing in agility, working on his trick training, and joining the kid in the show ring when he's on holiday with his human. Even though he's a total mummy's boy, Arn really enjoys having a spin around the ring with different handlers and having a very good bark at them! He's very much a foodie with chicken nuggies, broccoli and bananas rating in his top 3 faves!

**Grand Ch Neut Ch Furballs Salla Lumienkeli JC
SPRDM TKS WNP
"Salla"**
DOB: 17/11/2016

Salla is Caroline's first ever show dog, and they stumbled into the ring together in Baby Puppy Class back in 2019. Since then, Salla has dragged Caroline lovingly into the world of showing, dog sports, and therapy work. She's a total superstar with far too many achievements to fit in one paragraph, but her greatest talent is giving the best ever cuddles. In 2022 she also gave Caroline some beautiful puppies, and every day since she has continued being the sweetest little Choc Croc bear, adored by everyone, but especially her human.

**Ch. Dan. Ch. Fin.ch. No uch. Se uch. Lapinlunas
Onnentytto (Imp Nor)
"Miia"**
DOB: 16/10/2014

Lapinlunas Onnentytto, known to everyone as Miia, is not just a highly awarded national and international champion who has made her mark both in Australia and overseas — she is also a sweet, affectionate girl who is very much loved and, yes, a little bit spoilt from time to time. These days Miia is semi-retired and living the farm life, but she still comes out for the occasional show — including today. She is always happy to stack for a treat, and she can still be a little naughty during examination — but that is all part of her much-loved Lappie charm.

**Varulv Heilung Raidho N.SPRD TK.S.
"Asgard"**
DOB: 16/09/2018

Asgard is definitely too young to be in a veteran's parade (he's 7.5) but here we are. His favourite things are popcorn and bubbles. Despite loving agilities, tricks and sprint dog...he's likely the slowest performance dog you'll ever see and will likely remain one pass off his NADAC agility title forever. He has in his neuter life discovered that he was born to be a show dog and absolutely loves strutting his tuff around the ring for adorationand snacks!

**Ch. Varulv Perpetual Motion TK.N. SWN. JDX.
SDX. GD. JC. WPD. SPRD, AD.
"Astrid"**
DOB: 19/11/2015

Astrid is 10 1/2 years young and really enjoys belly rubs, agility, doing tricks, recalling down a long chute while totally ignoring a lure, and chasing sheepies. She occasionally joins the other dogs in the show ring, where she also thoroughly enjoys getting belly rubs. Astrid is the best emotional support monkey that anyone could ask for! She also enjoys saving people when they sneeze by providing very important moral support.

Neut Ch. Taigakoira Cacka Gumpo

"Jaska"

DOB: 05/04/2012

Jaska is 14 years old and has been considered the old man of the family since he was probably about 5 years old. He was the first Lappie to join Jess' household. Jaska's spent his life happy barking, helping raise and socialising puppies in and out of the house, and easily being everyone's favourite with his super sweet nature! Jaska also thoroughly enjoys joining the other dogs for training sessions at home, even though he has absolutely no idea what he's doing.

Ch. Neut. Ch. Caleebra Calamity Jane(AI) JC. SPRD.M SWN WPD.

"Jaina"

DOB: 29/12/2017

Jaina is our sweet sable girl who's idea of a good time is having a nap next to her favourite human. When she's not acting as the world's cuddliest hot water bottle, she enjoys competing in Scentwork and SprintDog™. She recently became a Dual Champion after earning her SprintDog™ Championship. So not only is she incredibly good looking, she's also great at murdering trash bunnies. Jaina is the 2nd Finnish Lapphund in Australia to earn their SprintDog™ champion title.

Ch. Caleebra Fearless Heart (AI) JC. N SPRD

"Winter"

DOB: 17/11/2016

Winter is the Goodest Girl. She never likes to cause a fuss, but this parade is acceptable because there are snacks and no strangers touching her without consent. She earned her conformation champion title, though it was never her passion. Running fast, however, was—and she easily earned her Junior Courser and Novice Sprint Dog titles. Now, at nearly 10 and desexed at the end of last year, her racing days are behind her. Winter has been my number one mum, puppy raiser, surrogate aunt, and Midwoof. Since she was born, she has had a special way of convincing every mum to let her into the whelping box with the puppies. She had her own mum by her side until a week before Christmas last year, and the adjustment to being the oldest has been subtle. She still doesn't like drawing attention, but she does love snacks and will happily trade tricks for whatever you're offering. Winter really is the Goodest Girl!

Neut Grand Ch Furballs Jupiter SPRD TKS

"Loki"

DOB: 9/11/2018

Loki, born in 2018, is Caroline's OG Finnish Lapphund and the most beautiful thing she has ever laid eyes on, which she tells him daily. Loki's impressive résumé includes being a Neuter Grand Champion, Sprint Dog, Trick Dog, and accredited therapy dog, but his true specialties are sweetly demanding cuddles and raising all the Aamurusko puppies. He has the sweetest nature, a heart of gold, and a slight obsession with his human (which is absolutely mutual).

Ch. Varulv Heilung Wunjo TK.S. JDX. SD. CA. WPD. SPRD.GD.RN

"Wunjo"

DOB: 16/09/2018

Wunjo is 7 1/2 years old and is currently training in agility, tricks, and rally. Her favourite foods include hot milk, sweet potato, and random bags of kibble. She's recently started training herself up to become chief couch cuddler and is off to a great start! She also loves her toys. Her favourites being Pikachu, Baby Dog, Bedtime Ball, and Hamburger (which we once tried to replace with New Hamburger, much to her absolute horror).

C.I.B.-V CH. Caleebra Diamond Empress JC. TK.S. WPD

"Vader"

DOB: 25/12/2015

Vader. The myth, the Antichrist, the one and only. Taking after her namesake in every sense and sticking firmly to the lore, she flipped our lives upside down. She lives life like she has 700 spares. She's taught me patience, inspired me to learn everything I can about dogs, and challenged me in more ways than I can count. For all her mayhem, her love is even greater. The sweetest, cuddliest dog with a marshmallow for a heart... unless you're a bird.

Here's a haiku that sums her up:

The factory specs
Did not account for this much
