## OUR JUDGES

### Dr Yvette Clark (SA)

I didn't come from a 'dog' sports family. My dog life began at the age of 19 with the gift from family of a bullmastiff puppy called Emily, from Bulltzar kennels in 1993. She was a handful, but bred my first owned and handled Bullmastiff Champion.

Having met Chris, we travelled to the UK and worked from 1997 to 1999. Here we met the Dogue de Bordeaux, and fell in love with their soft nature, and playful personalities. It was quite easy to travel to Europe, and we ventured to several shows and kennels.

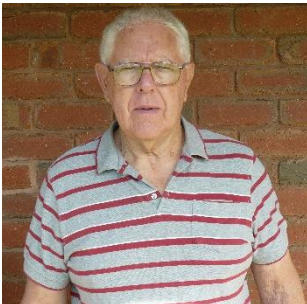

At this time it was harder to access dogs in the UK, so we had a litter born in quarantine there. It was tough going sleeping in kennels in January, but from this litter came 2 of our imports - CH Laruscades Hugo, and multi BIG and BIS winner Gr CH Laruscades Tazz. In her time, there were no other dogues shown in SA, so she was campaigned heavily in NSW. Being an excellent example of the breed, she was most worthy of becoming the first Grand Champion Dogue de Bordeaux in the breed.

On returning to Australia we had brought several more Dogues with us as the foundation of our kennel, and registered the prefix Moloscyg (a combination of molosser and our initials CYG). We both completed Judges training, and passed the Utility Group exams. It has been an honour to judge Dogues in France, and we travel to watch the breed specialties still.

Having met the Bracco Italiano at Discover Dogs at Crufts, we imported the first of the breed here, a bitch from Heinaaron Kennels in Finland in 2006.

The exhibition side was almost always exclusively me, and having completed a doctorate in Veterinary Medicine, with young children, I have been unable to continue to show much in recent years. Weekends are allocated mostly to children's sports and ponies, although we continue to breed the occasional litter. I look forward to judging at this year's Utility Dog Club Show.

### Mr Lionel Bleakley (VIC)

My involvement with pure bred dogs started in Queensland in 1962 when I purchased my first Boxer from the Brandenburg line. Following a move interstate with the Defence Force, I acquired another Boxer and a Bull Terrier, the three of which formed an effective wild pig hunting team. This activity cemented a clear understanding and appreciation of the strength, substance, agility and correct holding bite of the Boxer, characteristics that have featured in the Lambda breeding program to this day.

After a break from dogs due to overseas service, I teamed up with Arthur Fry in the purchase of the Boxer bitch which excelled in the show ring and she became our first champion and the foundation of Lambda Boxers. The Lambda prefix was registered in 1979 and to date we have bred over 60 Boxer champions. We were also involved with the Dogue de Bordeaux breed from 2003 to 2015 breeding 13 champions in that time.

We have bred and exhibited with success both in All Breeds and Specialty shows.

I entered the judges training scheme in 1996 and was granted my Utility Group licence in 1998. I have judged Boxer Specialties in Australia and New Zealand, and the group in Australia, in New Zealand and in the United States of America.

In judging I am always mindful of whether the exhibit before me is built to be able to perform the function for which it was designed, and therefore my preference will always be structure before ring performance.
