The advertisement features a background image of a brown and white dog sitting on a mossy tree stump in a forest. In the top left, there is a circular logo with a mountain, trees, and stars, next to the text 'Taste of the Wild' in a large, bold, white font. Below this, the tagline 'A Modern Diet, Inspired By Nature' is written in a smaller white font. At the bottom left, two bags of dog food are shown: 'PACIFIC STREAM' and 'HIGH PRAIRIE'. The bottom of the ad contains the text 'Powered by ShowManager.com.au' and 'Championship show 4 pages of 44'.

# BOREDOM BUSTERS FOR YOUR DOG AT HOME

## #1 - Stuff a KONG... or 2... or 3!

The best distraction is also a tasty one! Add hydrated kibble, wet food, or get extra creative with KONG stuffing recipes. Freeze a few so you have them on hand for the days ahead. They're also dishwasher safe on the top rack for easy cleaning.

## #2 - Interactive Toys

Puzzle toys keep your dog's mind mentally stimulated so you can focus on your task at hand. Try swapping out their regular feeding bowl with an interactive food and treat dispenser for added excitement at meal time with a bonus of slower feeding to aid digestion.

## #3 - Hide and Seek

Hide your dog's favorite toys or treats around the house for them to have fun finding. You may be surprised how long it takes them to find them all! *Bonus: Hide a stuffed KONG (or 2-3) to make the game last even longer.*

## #4 - Ice Cubes with Treats

Whether the weather is hot or cold, creating ice cube treats for dogs is a great way to keep them occupied for an extended amount of time. Just pop a few treats into an ice cube tray and fill it with water or broth and freeze. You can even make a giant #KONGsicle with a to-go container or dish, a few treats, and a stuffed KONG.

## #5 - Rotate Toys

Introduce new toys (or old) one at a time to keep them interested. Put all others away so your dog can enjoy the toy without being overwhelmed with options. This also makes play time feel special!
