**Our Perpetual Trophy for BEST IN SHOW was donated by Brian & Esther Benson.  
It is known as the "Chestnut Trophy".**

**Brian & Esther also donate the wonderful recognition awards each year, awarded to Res CC Dog, Res CC Bitch, and special awards for overall Best Puppy & Best Opp Sex Puppy.**

**In memory of  
Fraelighte Fine Print  
"Chestnut"**

Harking back to my involvement and love of English Springers which eventually led to "in Memory of Chestnut".

It began in 1964 with the purchase of "Ch Casa Perez Chesnut Teal", as a baby puppy, bred by Therese Linsen who we all owe a big debt of gratitude for keeping the breed alive in NSW, also Lorne Hood in Victoria and Marjorie & Alec Morris in Queensland. But for these devoted Springer People where would our much loved breed be and have survived till later enthusiasts added with imports in following years.

"Fraelighte Fine Print" aka "Chestnut" became a part, and what an important part, in our lives in 2003. She was the first English Springer I bought since 1970, when I purchased "Ch Cruchfield The Squire" from Helen Sapio. I always bred my own. For "Chestnut", thank you Kaye McGhie . "Chestnut" a daughter of the legendary "Am/Can/Aust Ch Willkommen Latest Edition", was to be an important family member, but also to be a Showdog as befitted her quality, which same quality her full litter brother "Sup Ch/Am Ch/Can Ch Fraelighte Formula One" exemplified. I was only able to show "Chestnut" myself, once, as my leg which was badly hurt by a kick from a horse, did not allow me to exhibit at the correct pace. She was so extremely attached to me, that, though a very friendly dog, she absolutely refused to "show" for anybody else. That was the end of her Show Career.

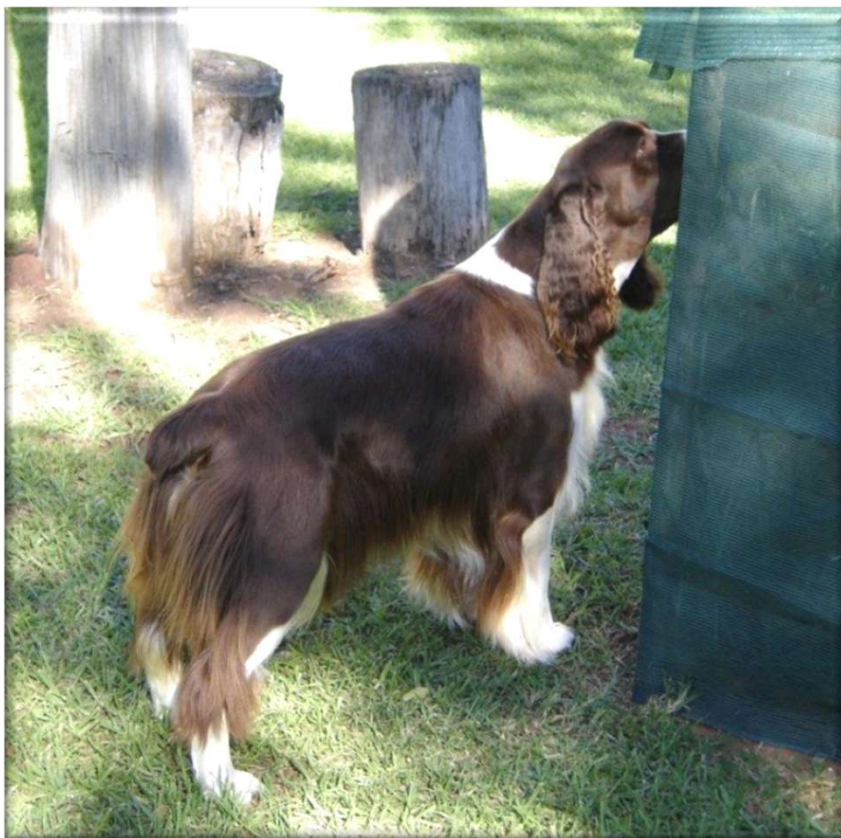

This love for me became my greatest solace, when my husband had a stroke Christmas 2010. Brian, my husband, had to be looked after for 24hours and 7days by myself for 18 months, he could not look after himself in any ways. I don't know how I would've survived, and sanely survived, without the presence and devotion of "Chestnut". Our family is far-flung, Sydney, Victoria, Western Australia, North Coast NSW, so in the day to day life we were on our own.

And then the shocking tragedy struck. "Chestnut" woke us in the middle of the night, screaming with pain, obviously in horrible distress. She was bloated and would have to get to the Vet as soon as possible. We live half an hour from Dubbo. Time was crucial. I had a truly life and death dilemma, as I didn't know whether I could leave my very sick husband safely, and what to do to save "Chestnut's" agony, use the rifle to end her agony, or leave my husband, trust he stay safe, and hope the Vet would save "Chestnut". Brian persuaded me to drive to the Vet with hope she could be saved. I was in quite a state to put it mildly. I tried to get her to town as fast as I possibly could. The Vet was initially optimistic, but when he operated he found the stomach was already heavily gangrenous. There was no alternative but to put her to sleep. My darling, darling "Chestnut".  
So very Sad.

So this is the story of a beautiful, wonderful dog filled with extreme love and devotion, enriching our life. We are so grateful she was part of us. Not enough words to express it all.

We have no Springers, I am not able to have another Springer, yet. 50 years is a long time in a breed, so maybe.....

*Esther Benson "Tallawalla"*
