## **Welcome from President GSDCQ**

On behalf of the management team and members of the German Shepherd Dog Club of Queensland we welcome our Conformation Judges for the GSDCQ Double Header Championship Shows Mr Mat Morris (NSW) and Mr Luigi Nobili (Italy,) we look forward to your judging this weekend.

I would also like to take this opportunity to thank our Steward and Show Manager David O'Hara for officiating at our 2 Championship shows, To the hardworking committee that are committed to running events for the members, a big thank you. It takes a team to put on a show, and if you could find a minute in your busy weekend to show them some appreciation it would be great. A thank you goes a long way.

To Nikki Jones our wonderful stenographer, Vince Tantaro our interpreter, Steve Davies, and Gail Donald who will take beautiful photos of our event. We appreciate you, and thank you for your support of the GSDCQ.

Thanking our cataloguer Cath Shayler as we would be lost with you.

Please remember we have a couple of wonderful raffles and I urge you to buy a few tickets. To our valued sponsors Royal Canin and Mavlab thank you for your continued support of the club, and giving us lots of wonderful product to distribute to the exhibitors.

## **Matt Morris – German Shepherd Specialty Judges Profile**

My love for the German Shepherd Dog has been lifelong. Growing up in country Victoria, there always seemed to be a German Shepherd as part of our family, and from an early age I was captivated by the breed's intelligence, loyalty and unmistakable presence.

In the early 1990s, I purchased my first German Shepherd, a grey working-line male, and together we ventured into the world of obedience. Before long, however, the German Shepherd Specialist conformation ring caught my attention. Looking back, I remember thinking what a colourful bunch they all were—but little did I know that this fascinating world would spark a passion that would shape the next three decades of my life.

In 2000, my professional career seen me relocate my life to Sydney, where I purchased Demtori Gladiator ("Maximus"). Maximus proved to be a highly competitive show dog, earning multiple Excellent gradings, including an Excellent Select at a Main Breed Show, and placing 5th in Open Dog at the South Australian National from a class of more than 60 exhibits. For a young exhibitor, those achievements only fuelled my enthusiasm for the breed.

It was through German Shepherds that I met my wife, Caryl, founder of Freevale Kennels. Together, we have enjoyed breeding, exhibiting and campaigning some outstanding dogs, including Freevale Crazy-In-Pink ("Ava"), a multiple National winner and one of our kennel's greatest success stories.

Among my proudest achievements was winning the German Shepherd National Breeders Group Award in 2009, 2010 and 2011—three consecutive years. To stand alongside and compete with some of Australia's most respected breeders made those wins especially rewarding.

Over the years, we have imported several German Shepherds from Germany to strengthen our breeding program. While quality imports have played an important role, I firmly believe great breeding starts with strong, predictable maternal lines and thoughtful sire selection. Australia has also produced many exceptional locally bred males whose influence and legacy continue to be seen in successful bloodlines today.

The German Shepherd community has given me friendships, experiences and memories that I will always treasure. As I continue my journey as a Breed Specialist Judge, I look forward to giving back to the breed I love and supporting the clubs, members and breeders who share the same passion.

I would like to sincerely thank the Club and its members for the invitation to judge your Specialty Show. It is an honour and a privilege, and I look forward to spending a fantastic day celebrating this remarkable breed with fellow German Shepherd enthusiasts.

## **Mr Luigi Nobili- Di Casa Nobili**

Mr Luigi Nobili is one of the leading figures in the Italian German Shepherd dog breeding scene. A breeder, expert judge, and manager, he holds important roles within the Società Amatori Schafhunde (SAS), the official GSD breed association that sits under Ente Nazionale Cinofilia. (ENCI)

He owns the Di Casa Nobili kennel, which has produced a large number of dogs that have achieved prestigious local as well as international results, such as Don, Ellen, Ester Tor, Anita, and many more from Casa Nobili.

He became a breed judge in 2025 and has had the honour to judge important shows in South / Northern America and throughout Europe & Russia. It is indeed our pleasure to welcome him for the first time to Brisbane & Australia.
