Other than in the Exercise Areas designated by the Trial Manager, or his/her delegates, no dogs will be permitted to swim or train in or on the trial grounds. All dogs must be kept on a lead, either held in the hand or tethered, except when competing or being exercised in the designated area. It is the Exhibitors responsibility to find out where the exercise area is at any time on the trial grounds.

Welcome to RAFTCOSA's last trial for the season, and this one is a very small trial due to the changes of date for our State Championship, and I suspect, rising fuel costs. Thank you to those who have put in extra entries to ensure all stakes could run.

If you are camping on-site please remember that the gates will be open after 11am on Friday 31st July and we will expect you to leave by 10 am on Monday 3rd. When we come knocking and ask for a \$10 fee per night, please know that money is going straight to Barmera – Moorook Field and Game so you are supporting them in maintaining this wonderful property which they allow us to use. Gail will be your contact for camping enquiries.

Thank you, as always, to all of our Judges, Stewards and Trial Managers plus you, the competitors, for your assistance.

SAFETY AT RETRIEVING TRIALS

1. The environment, animals and wildlife can be inhospitable. Be alert and avoid any animals and wildlife where possible.
2. Trials are located close to water. Take care around water. If you have children in your custody it is your responsibility to ensure the safety and welfare of the children at all times.
3. Equipment used in trials is mechanical and if used incorrectly could cause injury. If you are unsure regarding the operation of the equipment familiarize yourself on how the equipment works before use.
4. We are privileged to be permitted to run our trials on private property and must respect the property owner's personal property and should therefore:-
 - Remove all rubbish from the property
 - Do not enter any dwellings on the property
 - Do not touch any farm equipment on the property
 - Ensure all dogs are under effective control and on lead especially around any livestock (except when actually competing and under instruction of the judge)
 - All gates must be left as they are found when entering a paddock. If open leave it open and if closed, leave it closed.

Yes, unfortunately it is still with us!
