ARE YOU READY?

GETTING THERE

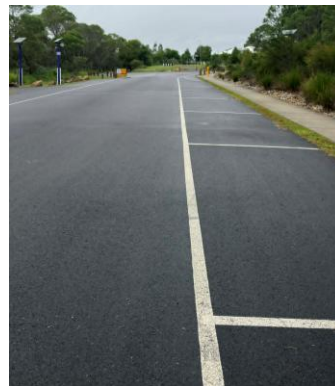

Plunkett reserve is located on Steele Road, Logan Village
(641-752 Steele Rd, Logan Village QLD 4207)

Please note there are no toilet facilities at the site, there is a McDonalds on Waterford Tamborine Road as you head towards the destination. There is also a road detour as you head along Steele Road, signage is easy to follow.

PARKING

When you arrive, please ensure you do not park in the cul-de-sac, leave these spaces for the horse floats that will more than likely arrive after us.

Parking is available in front of the properties.

Please ensure that all dogs remain as quiet as possible, we want to ensure that we can use this area for future trial.

HIKE INSTRUCTIONS FOR HANDLERS

- The hike is approximately 16-17 km and the terrain is generally undulating with one steeper long rocky section that we go up – please take care as it may be slippery if wet.
- Everyone will get a trail map and compass – if you do not know how to use them, please ask.
- Take sufficient water for your dogs, at least 2 litres. There is no water on the trail.
- If you are not sure if your dog's backpack is adjusted correctly, please ask.
- 3 breaks at roughly 4 km intervals – check your dogs feet and pack, tighten pack if loose. Hydrate yourself and your dog.
- As we are heading into wet weather, be prepared to get wet feet. Packing some dry socks may be of advantage.
 - The weight of the dog's backpack can only decrease by food or water consumed by the dog. Any water a dog does not drink should be poured back into your dog's water bottle.
- The trail leader (Laura) will be at the front, please ensure to not proceed past the trail leader. The Judge (Nicky) will be walking at the back of the group, no hiker should be behind the judge.
- All hikers are to remain in a group using “convoy” protocol. The first hikers to arrive at an intersection are to wait until all hikers catch up.
- **DO NOT GO AHEAD OF THE TRAIL LEADER.** She needs to navigate and not worry about people ahead going the wrong way. Even if you are a fast walker, there is no point going ahead of the pack, you will just have to wait longer for everyone to catch up.
- Please keep dogs at a safe distance from each other on the trail and pull your dog aside to make way to other walkers and cyclists. Not everyone likes dogs!
- If you need to pass on the trail, please warn the person in front so they can pull their dog aside.
- If a dog (or handler) is not coping well, please notify the Judge or one of the marshals. Either remove weight from the dog's pack and/or withdraw the dog from the hike.
 - There are NO toilet facilities at the starting area nor along the trail. You can stop in at McDonalds which is approximately 5 minutes from the starting area, and be prepared to do bush wee's
- There are no rubbish bins on the hike trail, so please take all rubbish with you and pick up after your dog.
- At the end of the hike, bring your dog's backpack for weighing before adding or removing anything.
