52nd Championship Show

**In memory of our friends,
Beth and Vanessa**

Sunday

27th. September 2026

Judge: Mrs. Allison Rhodes (Vic)

Get to know your judge....

Mrs Allison Rhodes

I have owned and bred Chihuahuas since 1972. My kennel name is Reynosa.

I have had my Toy group license for around 40 years and have judged Toy breed and group specialty shows and groups at all breed shows in all states of Australia as well as in England, Sweden, Thailand, New Zealand, Singapore and South Africa.

In August 2015, I had the privilege to be a part of the judging panel at the Swedish Chihuahua Club National show, where a record entry was received.

I have also been honoured to judge Long Coat Chihuahuas at the Chihuahua Club of South Wales in UK where I had an entry of 120 beautiful Chihuahuas to judge. I was invited again to judge at this show in February 2014 where I judged 160 Long Coats.

I successfully exhibit my Chihuahuas around Australia and have been fortunate to breed and handle two Best in Show winners at our Chihuahua National show, where over 300 Chihuahuas are entered. I have also had other reserve Challenges Best of Breed and Runner-Up Best of Breeds at Nationals as well as class in Show wins.

I am past President of the Chihuahua Club of Victoria and held this office for many years on and off over the last 40 years.

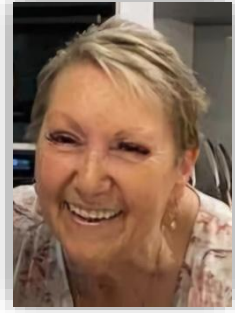

I first met Griffons in the early 70's around the time I was given my first Chihuahua. It was at the Camperdown agricultural Show. They were from the Paynal Kennel and from then I was intrigued by this lovely breed.

My mother had a pet Griffon for many years and my interest in the breed continued with my friendship with Beth Grover and I helped her showing and eventually she invited me to be involved with the establishment of the Griffon Club of Victoria and I was at the inaugural meeting and part of the first committee and first shows.

Thank you so much to the committee for this prestigious invitation to judge at your wonderful show and thank you to all exhibitors for your entry and privilege of judging your Griffons.

Allison Rhodes

President's Welcome

On behalf of the Griffon Bruxellois Club of Victoria, I warmly welcome our judge, Mrs Allison Rhodes, our steward, Mrs Leanne Trenwith, exhibitors, members and visitors to our 2026 Specialty Show.

This year's show is a particularly significant and commemorative occasion as we honour the memory of two much-loved and dedicated club members, Mrs Beth Canavan and Mrs Vanessa van der Helm, who both passed away in early 2026.

Beth devoted many years of service to our club, serving as President and Secretary with unwavering commitment, wisdom and enthusiasm. Vanessa was a valued Vice President and Health Co-ordinator whose dedication to the breed and our members was greatly appreciated. Both women worked tirelessly behind the scenes and were an integral part of our show days. Their friendship, knowledge, guidance and willingness to contribute wherever needed helped shape our club into what it is today. They are deeply missed and will be remembered with great affection by all who knew them.

We are delighted to welcome Mrs Allison Rhodes as our judge and thank her for accepting our invitation to officiate at this special event. We also extend our sincere thanks to Mrs Leanne Trenwith for stewarding today.

A heartfelt thank you goes to our exhibitors for supporting this show and continuing to present our wonderful breed. Your entries and ongoing commitment are vital to the success of our club. Quite simply, the Griffon Bruxellois Club of Victoria would not exist without the support of its exhibitors, members and breeders.

I would also like to acknowledge and thank our committee members whose hard work, cooperation and dedication throughout the year ensure our events continue to run smoothly and successfully.

To mark this commemorative year, we are privileged to offer a selection of very special trophies. We sincerely thank Mrs Allison Rhodes for generously donating beautiful Griffon pendants for our Best in Show and Runner-Up to Best in Show winners. We are also honoured to include treasured Griffon memorabilia from the collection of Beth Canavan, along with exquisite bespoke papier-mâché Griffon figurines created by renowned Ukrainian artist Nella Kayko. These unique awards serve as fitting tributes to the passion, dedication and love of the breed shared by Beth and Vanessa.

Thank you all for joining us today. We wish everyone an enjoyable and successful show and hope you have a wonderful day celebrating the Griffon Bruxellois.

Best wishes,

Colleen de Haan

President

Griffon Bruxellois Club of Victoria

Breed Standard

General Appearance:	A cobby well balanced, square little dog, giving appearance of measuring the same from withers to tail root as from withers to ground.
Characteristics:	Smart little dog with disposition of a terrier. Two varieties rough coated, Griffon Bruxellois and smooth coated, Petit Brabancon. Both with pert, monkey-like expression, heavy for size.
Temperament:	Lively and alert.
Head And Skull:	Head fairly large in comparison to body, rounded but in no way domed, moderately wide between the ears. Hair on skull in roughs rather coarse. Nose always black, with large, open nostrils and definite stop between muzzle and skull. Relatively short, wide muzzle, neat lips, with good turn-up. Chin prominent, in roughs furnished with a beard.
Eyes:	Black rimmed, very dark, round, clear, alert and not too large.
Ears:	Semi-erect, high set, the smaller the better.
Mouth:	Slightly undershot with even teeth, not showing teeth or tongue.
Neck:	Medium length, slightly arched, springing from well laid back shoulders.
Forequarters:	Chest rather wide and deep, legs straight of medium length and bone.
Body:	Short back, level from withers to tail root, neither roaching nor dipping; deep; well-sprung ribs; short, strong loin.
Hindquarters:	Well muscled thighs of good length, hocks low to ground, turning neither in nor out, stifles well bent.
Feet:	Small, thick, cat-like with black toenails.
Tail:	Docked: Docked short, high set, emerging at right angles from the level topline. Undocked: High set, emerging at right angles from the level topline. Of moderate length, curved gently over back when moving.
Gait/Movement:	Free with good drive from rear. Moving true coming and going. High stepping front movement undesirable.
Coat	Roughs, harsh, wiry, free from curl, preferably with undercoat. Smooths, short and tight.
Colour:	Clear red, black or black and rich tan without white markings. In clear red, a darker shade on mask and ears desirable. Ideally each hair should be an even red from tip to root. Frosting on muzzles of mature smooths should not be penalised.
Sizes:	Weight: from 3.2-5 kgs (7-11 lbs) most desirable 3.6-4.5kgs (8-10lbs)
Faults:	Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.
Notes:	Male animals should have two apparently normal testicles fully descended into the scrotum.

VALE

Beth (Elizabeth) Canavan

04/05/1940 – 09/01/2026

I first met Beth when I was about 18. She had been in contact with my mother, Beth Grover, about getting a Griffon prior to leaving for the US as her husband worked for Johnston & Johnston and was going to Head Office in California. In the meantime, my parents had imported a red rough boy from Ann Fenn in the UK and Denis Montford had used him to sire a litter. Four girls, one of which was Braganzar Nina and upon her return, Beth got her beloved Neeny Beans. The rest, as they say, is history...

Beth became very involved with the Club from then on and over a long period of time held almost every Executive position. She was the longest serving Secretary to date, in a time when computers were only an idea and Publisher hadn't been invented yet. Beth would produce our show catalogues on a Gestetner...

Beth was passionate about genetics and pedigrees and kept copies of every one she could get hold of. In that way, she also became the Club Archivist because she never threw anything away. Beth could quote a dog's pedigree by heart and knew precisely how every Griffon was related to another. It was fascinating to listen to, and discuss, with her the difference between line breeding and inbreeding and where one needed to go to get the right balance. She really was a font of knowledge.

Under her Azande prefix Beth bred many successful show dogs alongside those who found their forever homes with her Very Important Pet People. Beth also loved the idea of dog sports and was always willing to try something new. She did Obedience and Rally with her shadow Audrey (Azande To The Manor Born) and would have embraced Sprint Dog wholeheartedly.

Beth was also compassionate and lived her faith. When my mother needed a place to live, Beth offered part of her five acres at Grantville for Mum's housing unit and that's how two divorced grandmas (known as Beth squared or B1 and B2), two separated mums and five kids rubbed along together with at least four Basenjis, half a dozen Griffons, two sheep and a goat named Butterball. Beth was also my eldest son's godmother and a constant guiding light for us all.

Beth was a devoted mother to her three children; Jennifer, Len and Roger, and adored all her grandchildren; Daniel, Jessica, Ben and Joe, and Elias and Stephanie. For my family she was a best friend, a show buddy, a confidante, a godmother, and someone who always had our backs, especially when things got tough.

She is very much missed, and our Griffon world seems rather empty now...

Robin Simpson

Vale – Vanessa van der Helm

It is with great sadness that we acknowledge the passing of our dear friend and fellow Griffon enthusiast, Vanessa van der Helm, who passed away peacefully in her sleep on 17 February 2026.

Vanessa was a long-standing and highly respected member of the Griffon Bruxellois Club of Victoria and a dedicated member of our committee for many years. Serving as Vice President and Health Committee Leader, she gave generously of her time, knowledge and energy, always willing to undertake whatever task was needed for the benefit of the club and the breed she loved so dearly.

Vanessa's involvement in the purebred dog world spanned more than five decades. She joined Dogs Victoria, then known as the Victorian Canine Association (VCA), in 1970 and remained an active and passionate participant throughout her life. Prior to discovering Griffons, Vanessa owned and exhibited Whippets, Borzoi, Deerhounds and French Bulldogs. Her dedication to the Deerhound breed was particularly significant, serving as President of the Deerhound Club and later being awarded Life Membership in recognition of her outstanding service.

Vanessa's journey with Griffons began when she purchased her first Griffon, Isabella, from Caitlyn Jones in 2009. Isabella captured Vanessa's heart and led to a lifelong love affair with the breed. Vanessa bred two litters, resulting in Olympia, Arabella and Hercule joining her family and becoming much-loved companions.

Among her many achievements with Griffons, one of Vanessa's proudest moments came when her beautiful smooth black bitch, Resamelad Olympia ("Olly"), won Bitch Challenge and Runner-Up Best in Show at the Griffon Bruxellois Club of Victoria Specialty Show in March 2015 under respected American Griffon specialist judge Mrs Lorene Vickers. It was a wonderful achievement and one that was celebrated by all who knew how much Olly meant to her.

Beyond her contributions to the dog world, Vanessa will be remembered for her warmth, kindness and friendship. She was always ready with a smile, a chat and a helping hand. Whether attending shows, club gatherings, committee meetings or Dog Lovers events, Vanessa was a constant and welcome presence. She was often among the first to volunteer, regularly helping with set-up and preparations long before events began.

Many members will also fondly remember Vanessa's legendary catering. Her sandwiches were famous within our club and eagerly anticipated at shows, meetings and get-togethers, while her delicious homemade sweet treats ensured nobody ever went hungry. These thoughtful acts reflected the caring and generous person she was.

Vanessa gave us so much—her friendship, her support, her laughter and her unwavering devotion to her dogs and our club. We hope she has been reunited with dear friends, family and the cherished dogs who went before her.

Go gently, dear friend. You will be forever in our hearts and fondly remembered by all whose lives you touched....Kathy Grass

Please enjoy a few memories of Beth and her wonderful dogs.

THE POINT SCORE EXPLAINED...

For many years the Club has had two Perpetual Trophies that are known as '*The Most Successful Stud Dog on the Day*' and '*The Most Successful Breeder on the Day*'.

Whilst the other Perpetual Trophies are open for all entries at a Club Championship Show, these two are only open for those exhibitors/breeders who are *current financial members of the Club*.

For example: (these names are purely for demonstration purposes and in no way indicate any current or historical Griffon breeders)

MOST SUCCESSFUL STUD DOG ON THE DAY

'Houdini The Great White Shark' is the sire (stud dog) of two entries in the Minor Puppy Dog Class, one entry in the Puppy Dog Class and one entry in the Minor Puppy Bitch Class.

He is owned and exhibited by a current financial member. One of his progeny in the Minor Puppy Dog Class is also owned and exhibited by a current financial member, but the other entry is not. Therefore, 'Houdini The Great White Shark' can only have the one puppy that is owned and exhibited by a current financial member in the Minor Puppy Dog Class count toward his score for Most Successful Stud Dog on the Day. However, his progeny entered in the Puppy Dog Class and the Minor Puppy Bitch Class are both owned and exhibited by a current financial member and will count towards his score.

The allocation of points is as follows: 3 for a first place in the class, 2 for a second place and 1 for a third place.

Hypothetically, let's say that the eligible Minor Puppy Dog is second in his class. 'Houdini The Great White Shark' receives 2 points entered against his name on the Point Score tally sheet.

Fortunately, both the Puppy Dog and the Minor Puppy Bitch win their respective classes, earning 'Houdini The Great White Shark' an extra 6 points. As he has not sired any other eligible puppies entered in the show, he finishes with a total of 8 points.

Even though 'Houdini The Great White Shark' is also entered in the show in the Open dog Class, his sire was bred and is owned by a non-current financial member. Therefore, his sire is ineligible for the Most Successful Stud Dog trophy and his sire's breeder is ineligible for the Most Successful Breeder trophy.

All the eligible stud dogs with eligible progeny will have been entered on the Point Score tally sheet prior to the day, and, depending on their class placings, will have been allocated points accordingly. At the end of the show, all the points for each stud dog are added up and the stud dog with the most points wins the trophy.

*Please note Griffons entered in the challenge classes eligible for points are the only dogs included in the tally.

MOST SUCCESSFUL BREEDER ON THE DAY

Henrietta Dyson is a registered breeder and exhibitor with Dogs Victoria or her state equivalent. She is also a current financial member of the Club. She is the breeder of the litter of Minor Puppy Class entries that were sired by 'Houdini The Great White Shark'. When the eligible puppies won their respective class placings, Henrietta was also allocated points on the Most Successful Breeder tally sheet.

Again, it is 3 points for a first place, 2 points for a second and 1 point for a third place. Therefore, Henrietta has 5 points entered on the tally sheet. Because Henrietta has eligible entries in some other classes, she is allocated points on the tally sheet according to those entries class placings.

Each eligible breeder's points are added up at the end of the show and the breeder with the most points wins the trophy.
