New Electronic Check-In Process

Please remember that all competitors must still check in before the trial begins. To help reduce queues and keep check-in moving as quickly as possible, we have introduced a new electronic check-in system. As we are now paperless, please check the catalogue and have your catalogue number ready before joining the queue.

Your catalogue number will be emailed to you prior to the trial. When you reach the check-in desk, simply tell the steward your catalogue number so we can locate your entry immediately. This new process is much faster than searching by name and will help avoid delays for everyone.

Competitor numbers will no longer be printed by the club. Please print your own catalogue number at home and bring it with you on the day.

A completed SprintDog Height Card is required before you can check in. If you already have a Height Card, please bring it with you. If you don't have one, you will need to complete one on the day before joining the check-in queue.

Thank you for coming prepared and helping us make check-in as quick and efficient as possible.
