

Lang Lang PA&H Kennel Section 20201 Exhibitors

EXHIBIT NUMBERS WILL BE EMAILED ON Monday 11th Jan

CATALOGUE WILL BE EMAILED THE MORNING OF THE SHOW

The committee would like to welcome you to the first all Breeds Championship Show for 2021. This has been a huge learning curve for all of us trying to negotiate the ever-changing rules surrounding COVID requirements and we ask that you please read the below information and help make the day a success.

- If you have even mild symptoms please do not attend - stay at home and get tested.
- Be familiar with the COVID Education – Exhibitors, Competitors and Members and COVID Education - Physical Examination of a Dog sections of the Dogs Victoria COVID-19 Update Hub at <https://dogsvictoria.org.au/members>
- Ensure that you bring everything you need for the day, avoid shared surfaces such as pooper scoopers, taps etc, be prepared with enough water for you and your dogs and a supply of poo bags, your own pen or marker and paper
- There will be limited supply of COVID Safe food and coffee available nearby as part of the Agricultural show, please ensure you wear your mask if social distancing cannot be maintained whilst in line. The local shops and cafés are very close by, a list is in the catalogue
- The dog shop will not be attending.
- Maintain Social Distancing of 1.5 metres. This includes 1.5 metres between gazebos. Please follow this strictly as you set up as it will be enforced, a measuring stick will be there and COVID Marshalls will be present at each ring for advice, you will be required to move if set up too closely. Do not set up gazebo's in the "Officials Only" area in the ring plan as they will be removed.
- If you are sharing a gazebo with someone that does not reside at your address you must follow the strict density limits of 1 person per 4sqm, a 3m x 3m gazebo is 9sqm therefore can be shared by 2 people that do not reside together.
- You must carry a mask at all times and wear it whenever necessary eg: in assembly areas and any time you cannot maintain a distance of 1.5m, if you are handling in more than one ring you must wear your mask as you move between rings.
- Exhibitors must enter the ring via the entrance and depart via the exit maintaining physical distancing at all times.
- Ring equipment shall be regularly sanitised during the event.
- Remember to print or write out your exhibit numbers, and that the online catalogue will be sent to all exhibitors free early on the morning. Printed catalogues will not be available.
- Gate will be open at 7am, due to COVID we are limiting time on the grounds. When you arrive, all cars will pass through a checkpoint. If your car number plate and attendees are as already notified to show manager online nothing further is necessary, and this is the quickest way in. However, if there are differences on the day you will need to register attendees at the checkpoint by either using the QR code available around the show by your mobile phone or handing in a "contact tracing attendees record" form previously downloaded and filled in from the COVID Update Hub of the DV website, or signing the attendance list.
- Please leave the show once your dogs have been eliminated to make room for following groups and to limit time on the grounds.

Above all please be patient and understanding and ask questions of your COVID Marshalls and Officials if you are unsure...we are depending on you the exhibitors to help us make the day a success and ensure future shows can be held. Remember that the workers are all volunteers and we absolutely cannot afford any breach of the rules as this will impact not only on Dogs Victoria but also on the Lang Lang AP&H Society. Any mistakes could mean that future shows may suffer further restrictions or even be cancelled, so please follow any instructions from the stewards and marshalls without objection and with good grace. Thank you all for your entries, it has been a long 10 months apart and we look forward to seeing you all again.
